A Big Part of the World Knows Grape-Nuts. Not alone for its delicious, nut-like flavour, but more for its wonderful nerve and brain making, bone and muscle building qualities. Grape-Nuts supplies certain essential elements, abundantly stored in the field grains, but which are lacking in many goods. Especially in this true of foods made from white flour, because in making flour white the larger part of the energizing mineral elements are thrown out in the milling process.

Wherever you go you'll find Grape-Nuts. 'There's a Reason' Sold by Grocers everywhere.

to open a broader outlet to Steelton and the eastern manufacturing end of the city via Cameron street. This is Mayor Meals' idea precisely. 'The adoption of such a plan,' said the city's executive in discussing this question, 'would be of untold benefit. In addition to opening an easier means of access to the business district, it would be of incalculable value so far as shorter hauls are concerned, and furthermore it would relieve the ever-growing congestion at the Market street subway.'
