Will Meet Harrisburg Academy Team Tuesday Afternoon; Trophies For Winners

Everything is in readiness for the first annual shoot to be held next Tuesday afternoon between the teams representing the Harrisburg Academy and the Technical High school. The match will be held at 3:30 on the grounds of the Harrisburg Shooting Association, and will draw a large crowd.

The Tech team will consist of Captain Miller, Trullinger, Shaeffer, Hahn, Hempt, Sarvis, Shoop and Wagner.

The Academy shooters will be picked from Captain Roth, Hart, Dunkle, Rutherford, Moore, Stroup, Metzger, Bailey and Kaylor. Coach Allen has not as yet decided on which of these lads will act as a substitute. Each team will consist of eight members and each lad will shoot at 50 targets.

There will be trophies galore as an incentive for the individuals to do their best. Both schools are anxious to win the match. The Tech athletic association will award "T's" to its members. The letter will be set on a target. The member of the Maroon squad making the highest score will be given a silver trophy.

A special award will be made to the five highest marksmen at the upper institution. The lad making the best score will receive a silver medal, while the next four will be given bronze medals. A trophy in the form of a loving cup will become the permanent possession of the team winning the meet.

Conference Splits on Army Bill and Adjourns; Revolt in House Likely

Washington, May 5. — Conferees on the army reorganization bill late yesterday disagreed on important features of the measure and adjourned until questions in disagreement can be taken up in the House. The rocks on which the committee broke were the Federal volunteer army and the \$15,000,000 government nitrates plant amendments accepted by the Senate.

Notwithstanding the disagreement, Senator Chamberlain, chairman of the Senate conferees, said he had hopes that a good bill eventually would be worked out.

Up to the time of the break the conferees had tentatively agreed on a standing army in time of peace of 180,000 men, and an elastic organization scheme contained in the Senate bill which would provide for expansion in time of war or threatened war to 220,000 men. They also had agreed to the House bill reorganization plan for the National Guard, which would provide for federalization of the reserve force and its expansion to approximately 400,000 men.

Polyclinic Hospital Elects Superintendents

The May meeting of the board of directors of the Harrisburg Polyclinic Hospital was held last evening at the hospital. Reports from the various committees showed decided progress in the work and the directors were much encouraged by the reports.

Miss Katharine E. Landis, formerly of the Hampden, Mass., Hospital, was elected superintendent, with Miss Mrs. Graham, formerly of the Episcopal Hospital, Philadelphia, assistant superintendent.

It is proposed to add an addition to the hospital providing for a dispensary, an operating room, sterilizing room and dressing room, at a cost of about \$2,500.

The property committee was authorized to paint the exterior of the building, the corridors and make a number of minor improvements to the building.

The ladies' auxiliary has installed a new bathroom and is furnishing the nurses' department.

Couple of This City Are Married in Chester

A very pretty wedding was quietly solemnized at the home of Mr. and Mrs. A. H. Edgar, 507 West Seventh street, Chester, yesterday at high noon when Miss Rebecca Daniels and Harry H. Thomas, both of Harrisburg, were united in marriage by the Rev. Mr. Gall, pastor of Trinity Methodist Episcopal Church, Chester. They were attended by Mr. and Mrs. Edgar. The bride wore a traveling suit of blue chiffon taffeta and hat to match. The bridal party entered the parlor to the strains of the Mendelssohn wedding march, played by Miss Claire Edgar and after the services and congratulations, a wedding breakfast was served.
