Never Mind How Strong You Are—What d'ye Know?

That's the point—"What d'ye KNOW?" To-day it's a battle of wits—and brains win. Muscle and brawn don't count so much as they used to. In the fight for good jobs and big salaries it's brains—not brawn—that win. "What d'ye KNOW?" is the one great question that draws the line between defeat and victory—between "wages" and "salary"—between you and the Boss.

What do YOU know? Are YOU so expert in some line of work that you can "make good" as a foreman, superintendent, or manager? If not, why don't you mark and mail the attached coupon and permit the International Correspondence Schools to show you how you CAN "make good" on a big job?

For 25 years the I. C. S. have been showing men how to do better work and earn bigger salaries. Every month over 400 students write of promotions or salary increases through I. C. S. training. What the I. C. S. are doing for these men they can do for YOU.

No matter where you live, how old you are, what hours you work, or how limited your education—if you can read and write and are ambitious to learn the I. C. S. can train you in your own home, during your spare time, for a more important and better-paying position. Mark and mail the attached coupon—it won't obligate you in the least—and the I. C. S. will show you how you can acquire this salary-raising ability by their simple and easy methods. It will cost you nothing to investigate—it may cost a lifetime of remorse if you don't. Mark and Mail the Coupon NOW.

INTERNATIONAL CORRESPONDENCE SCHOOLS

Box 1331, Scranton, Pa.

Please explain without any obligation to me how I can qualify for the position before which I mark X.

Table with 3 columns: Electrical Engineer, Mechanical Drafts, and Show Card Writing. Lists various technical and business skills offered by the schools.

Form for requesting information, including fields for Name, Address, City, State, and Present Occupation.

BIG EATERS GET KIDNEY TROUBLE SAYS AUTHORITY

Take a tablespoonful of Salts to flush Kidneys if Back hurts.

Omit all meat from diet if you feel Rheumatic or Bladder bothers.

The American men and women must guard constantly against kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decay in health.
