GARLAND WINS TWO-MILE

Milton Garland, of this city, is making good in track athetics at Worcester, Mass. The Spring interclass track meet was held last Saturday and the two-mile even proved to be the big surprise of the federals. The bout practically ended in the first 30 seconds of the progratory schools. The young flate of the proper control of the proper

between Jackie Clark and Eddie Revoire was fast at tmies. Clark, the Allentown middleweight, put up a game fight, but had little on Revoire. Willie Green was stopped in the second round by Frankle Filling. It was a scheduled six-round battle. The other bouts went to a draw, with the largest audience of the season divided on the question of points. The show publican Club.

and each time for ten rounds. Clark is a fighter and his tactics last night won for him many more admirers. However, the Allentown fighter overlooked a number of good opportunities to send Revoire to his corner with a defeat. Some of the spectators were of the opinion that there was too much stalling.

Semiwindup Interesting

The semiwindup was one of the best matches of the evening. Young O'Neill, of Scranton, went eight rounds with Knockout Wagner, of Philadelphia. The latter is a clever boy with his feet and in get-away tactics, but did not show much ability as a fighter. O'Neill wanted to mix it up in every round, but was unable to do it because Wagner was always doing the marathon. O'Neill had the best of five rounds. One was even and Wagner was given two on his ability to land several uppercuts. The Scranton boy would make a good match for someone who will fight.

The battle between Filling and Green was real fighting. Both boys were badly punished. Green complained that he was jabbed in the eye by Filling and could not see. Filling showed ring ability and had the punch. He took and gave a number of hard jabs and won the fight because Green quit in the second round. It is understood these boys will meet again in the near future.

Lively Preliminaries

The opening bout between Eddie Costigan and Abble Hoverter, of Harrisburg, was a lively six-round mixup. Honors were nearly even when the battle ended. A number of spectators were of the opinion that Hoverter had the best of four rounds. Both boys were nearly all in when the final bell sounded.

The best bout of the evening was between Curtis Cummings, of Baltimore, and Billy Walsh, of Lancaster, billed as the Unknown Kid. These boys had everything needed in a ring battle. Both took punishment. Walsh showed the best ring tactics at times and was given the public decision. In the opinion of those who witnessed last night's show, the program was strong and everybody got their money's worth.

The fight program last night more than pleased the 1,500 spectators. Of course, as is always the case, opinions differ as to the results. That is due to the fact that the referee can make no decision and the public must do the judging. Everybody, however, was of one opinion about Young O'Neill, of Scranton. This boy won a host of admirers by his clever ring tactics and desire to make good. He was up against a boy who does not fight and could not be blamed for not making his victory more decisive.

Young O'Neill, the Scranton fighter, is backed by E. G. Burke, a prominent hotel man of that city. He accompanies O'Neill in all engagements and is with his boy in the ring from start of finish. Manager Burke is well known all over the State, being prominent in Elkdom. He is anxious to arrange a match with some other good boy for the near future.

The Tech and Harrisburg Academy students met in the first of a series of shooting matches this afternoon at Second and Division streets. The program was scheduled to start at 4 c'elock. Both teams were out at practice yesterday and promise good scores,
