coming "extra" dividend and New York Central's strength, proceeded from similar causes. Crucible Steel and Baldwin Locomo-It ve were most susceptible to bear at-tacks but munitions as a whole yield-ed easily. Motors added to vester-day's gains, together with United States Rubber, but reactions soon oc-curred in that group. Mexicans made further recessions on news that the militia of the border States had been called out to patrol the frontier. At noon price changes showed greater uncertainty. Bonds were lower.
