of trustees of the Harrisburg State Hospital is president of the association and will preside. The speakers in addition to Mr. McDevitt, will be Dr. J. M. Murdoch, of Polk, on segregation of the feeble-minded; Dr. Owen Kopp of the Pennsylvania State Hospital at Philadelphia and Dr. Clyde R. McKinrick, of Philadelphia, on the Harrison act.

Eighth School Taken—The taking over of the control of the Bloomsburg State Normal School by the State Board of Education in the next ten days will make eight out of thirteen such schools under complete State authority. Negotiations for others are under way. In every case thus far the State has secured valuable properties and they are being so administered that they will eventually wipe out the debts against them. The next Legislature will be asked to make an appropriation to continue the purchases which were begun under the school code about four years ago.

Kauffman Sees Governor—Max Kauffman, former Philadelphia newspaper man and private secretary to the late Mayor Reburn, of Philadelphia, for a time, was at the Governor's office today and saw the Governor and later Attorney General. He declined to say what brought him here, but rumors were that a move in Philadelphia affairs was impending.

Governor Clears Desk—Governor Brumbaugh cleared his desk and disposed of numerous charters and other matters to-day before going to Lebanon, where he dedicated the new State armory this afternoon.

No Word Yet—Adjutant General Stewart to-day said that he had received no word from the War Department about John J. Davis, guardsman being likely to be called for service in Mexico. No report has come from Pittsburgh regarding further service by the guardsman.

For Catarrhal Deafness and Head Noises

Here in America there is much suffering from catarrh and head noises. American people would do well to consider the method employed by the English to combat this insidious disease. Everyone knows how damp the English climate is and how dampness affects those suffering from catarrh. In England they treat catarrhal deafness and head noises as a constitutional disease and use an internal remedy for it that is really very efficacious.

Sufferers who could scarcely hear a watch tick tell how they had their hearing restored by this English treatment to such an extent that the tick of a watch was plainly audible seven and eight inches away from either ear.

Therefore, if you know someone who is troubled with catarrh, catarrhal deafness or head noises, cut out this formula and hand it to them and you will have the means of saving them a poor sufferer perhaps from total deafness. The prescription can be easily prepared at home for about 15c and is made as follows:

From your drug store obtain 1 oz. of Parmit (Double Strength), about 75c worth. Take this home, and add to it 1/2 pint of hot water and 4 ounces of granulated sugar; stir until dissolved. Take a tablespoonful four times a day. Parmit is used in this way not only to reduce by tonic action the inflammation and swelling in the Eustachian Tubes, and thus to equalize the air pressure on the drum, but to correct any excess of secretions in the middle ear, and the results it gives are usually remarkably quick and effective.

Every person who has catarrh in any form should give this recipe a trial and free themselves from this destructive disease.—Advertisement.

and Industry, spoke last evening before the State Street Railway Association at Lancaster.

Industrial Board Meeting—The State Industrial Board considered suggestions for changes in codes at its meeting in Beaver Falls yesterday.

Commission Meets—The Public Service Commission is in session today on executive matters including cases heard Monday.

Ex-Speaker Here—Ex-Speaker George E. Alter, of Allegheny, was here on business before the departments.

Western Visitor—E. P. Douglas, of McKeesport, candidate for Congress, was in Harrisburg.

Water Supply Meeting—The State Water Supply Commission heard a number of applications for bridge permits in central counties to-day.

To Visit Washington—Commissioner Butler will leave to-night for Washington where he will attend the joint inspection of the McCall's Ferry dam.

More Responses—The State Highway authorities are getting more responses from county organizations for good roads day. The interest is running high.

Lebanon Valley College Night at Tech High

Professor H. H. Shenk, professor of history in Lebanon Valley College, will give an illustrated lecture to-morrow night in the Technical High School auditorium on "Lebanon Valley College." The lecture will be given at 7:30 o'clock on one of a series of "educational nights" under the auspices of the Pennsylvania Educational League.

COAL PRICES COMING
Local coal dealers have not received any notices of an increase in prices of anthracite prices. A New York dispatch tells of approval of increased rates by anthracite operators and announces that retail dealers will receive circulars giving new prices to-day.

OFFICERS TO TELL OF CITIZEN NAVAL CRUISE
Lieutenant Chester L. Hand and Dr. DeValin, naval medical expert, both of Philadelphia, will arrive this city to-morrow morning and will be at the United States Navy Recruiting headquarters to give information concerning the civilian naval training cruise which will take place this summer.

NEWS OF STEELTON

BOARD TO IGNORE SANITARY REPORT

Lewis Declared It's Up to Highway Committee of Council to Act

Steelton's board of health will take no action on the scathing report upon sanitary conditions permitted to exist in the borough presented before council at Monday evening's meeting, according to Edward Lewis, secretary.

The report went into detail as to unsanitary conditions in various parts of the borough and council referred the document to the attention of the health department with the suggestion that it is in its power to bring about an immediate remedy.

Asked this morning if he cared to comment upon the report, Mr. Lewis, recently appointed secretary of the board to bring about greater efficiency in the department, replied:

"I have no comment whatever except to say that the report should be taken up by the highway committee of council instead of the board of health."

Eber Butler, health officer, would make no comment.

J. Wilson Walk, owner of the "Bear Pit" termed the worst eyesore in the borough by the investigating committee, declared this morning that he would remedy conditions just as soon as the health authorities became impartial and "made others do likewise."

Councilmen expressed themselves as much pleased this morning with the report of the health officer. The management of the Pennsylvania Steel Company in ordering a colony for negro laborers to be built near Cumber's quarries. Completion of these barracks, upon which the health officer will relieve conditions in the Frederick and Furnace street rows, mentioned in the committee's report. Orders for alleviating conditions in the locality were one of the first acts of the new management and were issued quite a while before the councilmanic committee made its report.

PLAN CLOSING MEETING
The Steelton Civic Club will hold its final meeting of the season Monday afternoon in Trinity parish house. The guests of honor will be Mrs. J. W. Reynolds, who has resigned from club membership.

ELECT CLASS REPRESENTATIVES
Members of the senior class of the Steelton high school yesterday elected representatives to speak at the commencement exercises, June 1. They are Paul Hocker, Harry Sellers, Harry George Selway, South Fourth street, Miss Henrietta Poir, Miss Azalea Wigfield and Miss Esther Lau.

LAMKE FUNERAL
Funeral services for Mrs. Lizzie Lamke, who died Sunday morning, were held this afternoon at 2:30 o'clock in Trinity German Lutheran Church. The Rev. C. F. Tiemann officiated and burial was made in Baldwin Cemetery.

FELLOW EMPLOYEES PRESENT FORD WITH WATCH
Employees in the transportation department of the Pennsylvania Steel Company presented Charles A. Ford, who recently resigned as superintendent, with a gold watch at his last evening. E. P. Oaks, track superintendent, made the presentation. Later in the evening members of his former staff tendered Mr. Ford a farewell dinner at the Senate Hotel, Harrisburg. Those present included J. W. MacDonald, who succeeds Mr. Ford; Carl Schelhas, Harry Kough, E. P. Oaks, John Stevenson and J. W. MacDonald.

STEELTON PERSONALS
H. H. Shipp and E. H. Brennan, of Altoona, spent Sunday with Frank Shipp, South Front street.

Daniel Gaffney, of Sparrows Point, is the guest of relatives here.

Joseph Fletcher of Philadelphia, is the guest of his father, who is ill at his home in South Front street.

George Selway, South Fourth street, will attend the funeral of John N. Kelley at Baltimore to-day.

NO CLUE TO ASSAILANT
The police have been unable to determine the identity of the man who attacked Earl Rhoads, 22 South Third street, late Monday night and left him laying unconscious upon the roof of a shed near top of the locust street.

Young Rhoads has regained consciousness but is unable to describe his assailant. He will recover.

CORSON GOES UP
C. E. Corson, formerly connected with the office of Superintendent F. D. Carney, has been made assistant to W. W. Leck, superintendent of all rolling mills at the Pennsylvania Steel Company's plant.

PLAN Y. M. H. A. OUTINGS

PREPAREDNESS MEETING MAY 17
The public meeting on preparedness to be held under the auspices of the Harrisburg Chamber of Commerce will take place in the Technical High School auditorium at 8 p. m. May 17. The meeting will be in charge of the following special committee of the Chamber: Messrs. D. E. Tracy, chairman; Edward Bailey, George F. Watt, John Motter, Spencer C. Gilbert and William Jennings.

A. Carson Stamm, a director and member of the executive committee of the Chamber of Commerce, will attend the 1916 meeting of the Lake Mohonk conference on international arbitration.

HOLD BALL POOL SUSPECT
With the arrest of Hubert E. Fagan, charged with the larceny of a traveling bag several weeks ago, city police believe they may unearth an extensive baseball lottery system which, it is said, is being operated in the city. A book was found in Fagan's possession which indicated that a number of bets had been placed on baseball games during the season. Police officers of Commerce will be given a hearing to-morrow afternoon on the larceny charge.

EATS 40 EGG SANDWICHES
Daniel Albright, a cab driver for the City Transit Company, claims the local championship for eating egg sandwiches. He made ten disappear in short order to-day at the Alva restaurant, Blackberry and Grace streets, on a wager with Samuel Engle, another driver.

WILL ENTER WEST POINT
Walter Fassnacht, of Palmyra, who was appointed cadet at West Point by Congressman Kreider, has passed successfully his examinations and will enter the Academy next month.

LOANS WOULD HELP BOROUGHS

Committee Points Out Advantages of Approving Paving and Fire Measures

At a meeting of a special committee of the Municipal League in the offices of Attorney W. F. Darby last evening the proposed loans to be voted upon next Tuesday were heartily endorsed.

The committee decided to do all that is possible to help secure passage of the two bond issues and pointed out many reasons why the voters should ratify the measures.

It is planned to float a loan of \$25,000 for motor fire apparatus and garbage trucks and another loan of \$55,000 for street paving. The committee pointed out that it would be to the advantage of the firemen to boost the paving loan so that they may have paved streets for their motor apparatus and showed that with the many steep hills in the borough it is almost necessary to have paved streets if it is planned to motorize the fire department.

It was also pointed out that passage of the fire loan will likely make a reduction in fire insurance rates and that a rate increase of only about 1 mill will be required to pay the interest and sinking fund expenses of the loans if passed. This would mean an increase of only 10 cents a year in the rate of a man whose occupation alone is taxed.

Those present at the meeting included C. S. Davis, Charles Beidel, E. H. Canale, Walter Keister, C. W. McCoy and J. E. Malenhorst.

LINER TORPEDOED WITHOUT NOTICE

[Continued From First Page]
confirmed previous statements that the vessel was not armed. The weather was rough and the members of the crew were in the boats from 1:30 a. m. until 9 p. m.

Washington, D. C., May 10.—In pursuing the State Department's investigation of the torpedoing of the White Star liner Cymric, American Consul Frost at Queenstown cabled from Bantry yesterday afternoon where the Cymric survivors were landed, as follows:

"No Americans on Cymric. Five British lives lost. No warning given by submarine. Wake of torpedo was seen after explosion. Cymric was not armed. Weather rather rough. Crew in open boats from 1:30 to 9 p. m. May 8, former hour being that of the explosion. Cymric sunk 3 o'clock this morning."

Bantry, Ireland, May 10.—Details of the sinking of the White Star liner Cymric were given to-day by members of the crew who were landed here. They say that the torpedo which destroyed the ship struck the engine room. The explosion blew off the skylights and extinguished the lights throughout the vessel.

Four men were killed by the explosion and the chief steward was severely injured. All of the crew were saved. The crew abandoned the ship.

One hundred and seven members of the crew took to the boats shortly after the liner was torpedoed, but returned when it was seen that the steamer was not in immediate danger of sinking. They remained on board for two hours when a sloop which had heard the Cymric's wireless calls for help one hundred miles away arrived and took them off. The sloop stood by the stricken liner until she sank at 3:30 this morning.

All of the crew were British subjects except one Russian and two Belgians. There were also six passengers on board, members of the British consular service, all of whom were saved. The officers say that the Cymric was unarmed.

Spanish War Veterans Open Home on Friday

3,000 MORE MEN GO BACK TO WORK AS GATES CLOSE

Strikers Still Will Have to Get New Jobs; Lose Bonuses and Pensions

Pittsburgh, Pa., May 10.—Three thousand more men entered the plant of the Westinghouse Electric and Manufacturing Company at East Pittsburgh to-day before the gates were shut. All of the strikers who now desire to return will have to make application through the employment office.

Strike leaders and pickets were not in sight around the works. The situation in other parts of the Turtle Creek Valley was declared by factory managers to be improved, and more men returned to work at McKees Rocks where employees of the Pressed Steel Car Company have been striking.

Judge A. B. Reid called the grand jury before him when court opened and instructed it to carefully investigate the Braddock riot. Anna Ball, Fred H. Merrick and J. H. Hall, strike leaders, who were arrested last week by coroner warrants, and a dozen others who have been confined in the riot, are confined in the county jail, while eight wounded rioters are under guard in the Braddock hospital.

Governor's Troop Hold Double Celebration on Birthday of Officers

Special to the Telegraph
Pittsburgh, Pa., May 10.—Members of Governor Martin C. Brumbaugh's troop last night celebrated the forty-sixth birthday of Lieutenant E. A. Nicodemus and the thirty-fourth birthday of Quartermaster Sergeant C. J. Yontz in their camp at East Pittsburgh.

Members of the troop furnished the vocal music and addresses were made by several members, congratulating Lieutenant Nicodemus and Sergeant Yontz. Lieutenant Nicodemus responded to the demand for a speech with an interesting talk on the situation in Mexico. Sergeant E. L. Hoester and Private Edward Anderson went to Pittsburgh yesterday and did some shopping for the boys. Private William Yontz, in a letter, advised a large basket of food from friends in Pittsburgh, yesterday and last night his comrades assisted him in disposing of it.

The signal corps of the troop was organized yesterday afternoon with 11 members and the first signal practice was held this afternoon on the hills about East Pittsburgh.

Protest Abandonment of Two Fire Companies

Protests against abandoning the Citizens' and Mt. Vernon fire companies in the Capitol Park district and sending the apparatus to other companies, endorsement of the one-way traffic proposition of a number of downtown streets; a request for six smoke helmets for the hook and ladder companies, and plans for holding a big street parade when the entire city fire department has been motorized, were a few of the things which kept the Firemen's Union members busy for hours last night.

City Commissioners, according to action taken by the men last night, will be asked to make provision outside of the park zone for the two companies which it was said recently, might be dropped from the city's volunteer firefighting system.

A protest was also made about the condition of the streets in the East End, members of the Royal Fire Company asserting that they have much trouble in responding to alarms.

The session closed soon after Martin Gastrock, of the Mt. Vernon company, had been elected a delegate to the State Firemen's convention in Scranton. Elmer Heiny, of the Shamrock company, was also elected a delegate.
