STOCKS RECOVER FROM HEAVINESS

War Shares Recover; Series of Mixed Movements Feature Market

New York, May 10.—The forenoon was marked by a series of mixed movements, suggesting further speculative caution. War shares from their early heaviness but proved unacceptably as leaders. Rock Island was again active but shaded on profit taking.

U. S. Steel was firm, probably in expectation of a favorable April tonnage statement and American Sugar featured stocks of its special class, being unusual demand at an advance of 3 points. Detroit United Railways was prominent among utility issues, rising 7 1/2 points on light trading. Bonds were irregular. Rock Island debentures, however, supplementing yesterday's gain.
