### 8,539 ENROLL FOR PLATTSBURG

First Camp Begins June 5; Work Already Commenced in Preparation For "Rookies"

The latest report on the enrolment of "rookies" to the series of summer military encampments at Plattsburg, N. Y., shows that 8,539 have enlisted as recruits for the period of one month without any obligation to go to war by reason of such enlistment.

The first Plattsburg camp will open on June 5 for the senior division, in charge of Major Peter Murray, who takes the place of Major Henry Bandholtz, called to Mexico with his regiment, the Thirtieth Infantry. The work of preparing the grounds for the first encampment is well under way and will be pushed when the six companies of coast artillery from Fort Totten arrive on the ground. The death of officers in the eastern department makes it probable that

State of Ohio, Toledo, Lucas County, ss. Frank J. Cheney makes oath that he is senior partner of the firm of F. J. Cheney & Co., doing business in the City of Toledo, County and State aforesaid, and that said firm will pay the sum of ONE HUNDRED DOLLARS for each and every case of Catarrh that cannot be cured by the use of Hall's Catarrh Cure.

FRANK J. CHENEY.

Signed before me and subscribed to my presence, this 6th day of December, A. D. 1909.

Take Hall's Family Pills for constipation.

Panama will furnish a large majority of the leaders who will train the citizen into an efficient unit within a very few weeks.

It has been estimated that the approximate cost of a month's training in the senior division is between \$40 and \$45, exclusive of the railroad fare. Uniform costs about \$16.50, which is an extremely liberal estimate; camp expenses for board, etc., are \$30, of which \$5 is returned if no equipment is lost. The railroad fare, round trip, including Pullman upper berth, is roughly estimated at \$23. The total expense, therefore, from this city would be a maximum of \$66.

One thousand nine hundred and nineteen have already volunteered for the junior camp, which begins early in July. The second senior camp, which begins on July 12, has 2,151 enrolled, and hundreds of applications coming in daily. The August camp, however, will be the largest of all, with 2,357 men already enrolled.

#### Leaves Jail and Weds the Girl Who Waited

Lexington, Ky.—Dr. Oscar Pollock, a dentist, son of a Chicago physician, married Miss Olga de Blanc, of New Orleans, when he left the Jefferson county jail, where he served a 27 months' sentence for forgery. Miss de Blanc had waited ever since he was arrested, more than two years ago. Dr. Pollock and his bride will make their home in Chicago, where the dentist will manufacture artificial teeth by a process he discovered while a prisoner.

#### Accepts Position as Jewelry Store Manager

LEROY G. COOPER

Leroy G. Cooper, who for the past few years has been in the employ of the United Cigar Company in the capacity of manager of its store in North Third street, has accepted a position as manager of the Fourth street store of the P. H. Caplan Company. Mr. Cooper has a wide acquaintance in Harrisburg, and his business experience will equip him for the new duties he will assume.

The interior of the Fourth street store of the Caplan Company has been remodeled, involving the instal-

#### HARMONY WITH HUGHES, BELIEF

[Continued From First Page.]

Roosevelt would support Hughes and they also are satisfied that the Justice will accept a nomination tendered to him by a unanimous vote.

A report was put in circulation here to-day by Progressives that at the opening session of their convention on June 7 they will nominate Mr. Roosevelt and then await the action of the Republicans. Doubt is expressed that Mr. Roosevelt will countenance such procedure by the Progressives. Statements made here privately by intimate friends of the ex-President are to the effect that he is averse to running as a third candidate under any circumstances, but that he might follow such a course if certain of the favorite sons were chosen.

Vermont Adds Impetus

The election of Hughes delegates in Vermont has given additional impetus to the Hughes movement.

Advices received from Oregon, where primaries will be held on Friday, are to the effect that Hughes sentiment is growing and that the delegates pledged to the Justice will gallop in ahead of those representing Senator Cummins and ex-Senator Burton.

All the news that comes from the country at large has a depressing effect upon the managers of the favorite son candidates who were confident up to a week ago that they would be able to effect a combination that would give the prize to the middle west.

The news from Pennsylvania that Senator Penrose has landed only about half the delegation from that State has been a blow to the hopes of the Fairbanks boom. His friends are confident that if a contest ensued in the convention Mr. Penrose ultimately would land the Pennsylvania delegation in a block for Indiana's favorite son. As a result the movement to

#### Majority of N. Y. Delegates Are Claimed For Hughes

New York, May 18.—Reports coming from Washington as to the increasingly favorable turn of public opinion toward the nomination of Justice Hughes for the Presidency by the Republican national convention encouraged his adherents in New York to go a little further than they have heretofore in showing what his strength is in the delegation from this State. Up to this time the Hughes men have been content to claim a majority of the delegates. Yesterday they gave the figures which they say prove their contention.

It was learned that the tabulations concede twenty of the delegates to Elihu Root. These twenty are "signed up." They are sure to vote for the former Senator on the first ballot and to vote for him just as long as the Root managers think there is a chance of his getting the nomination.

Then there are fifteen, perhaps eighteen, delegates who are classed as "doubtful." These men have so far not made up their minds. All the other delegates, that is to say forty-nine, are claimed by the Hughes men.

#### Republican convention at Chicago, is within the range of the Presidential fighting. He has come to the front within the last few days as a likely "dark horse" in the event of the convention being deadlocked.

The politicians, especially the "regulars," look on Senator Harding as a possible life saving appliance politically considered. He has told them frankly that he would not accept the nomination for Vice-President and that he is not anxious about the Presidency. Mr. Harding is very much pleased with service in the Senate.

He was selected as temporary chairman of the convention because he is considered one of the most impressive and eloquent public speakers. He has made good as a political orator and has lectured before Chautauquus many times on the "Life and Character of Alexander Hamilton." He is at home as a speaker at the political meeting, in the legislative assembly, at banquets or a commercial congress.

IN THE PRESENT OF WRONG.

Every day we have to stand in the presence of sin and face it. When men who are engaged in sin, dealing in uncleanness, look up at us, they are to see the very face of Christ. What kind of a face had Christ in the presence of sin? He had a face of hostility and intense indignation. What is indignation? Indignation is the recoil of offended dignity; it is the anger of injured love. Where there is most love there can be most indignation. Where there is no love, indignation cannot exist. Passion can exist where there is no love and so can bad temper; but we must always distinguish between indignation and revenge. Indignation is a fire that burns to refine. Revenge is a fire that burns to destroy. Indignation is fed by love; nay, it is love. Revenge is fed by selfishness; nay, it is selfishness. Where you can have much selfishness you can have much revenge. Where you have much love you can have much indignation. A life that has little love never warms to righteous anger. Where love in a man's heart is only like twilight, you can't get much fire;

but where love fills a man's heart like light fills the noontide, then you have material for a fire. Fire is focused light. Indignation is focused love; it is love burning.—Rev. J. H. Jowett, in The Christian Herald.
