# OBSERVE THE LAW

State Board Is Taking Steps to Night Sessions Will Be Held if Force the Practitioners to It Should Be Found

The State Dental Examining Board is about to instigate proceedings against many Pennsylvania dentists who have falled to comply with a law publican national convention` which

Experts of the State Department of Agriculture who have been visiting farms and orchards throughout the State declare that many Pennsylvania Legislature requiring the registeration of practitioners.

At Pittsburgh it was announced federal authorities will also prosecute unregistered dentists for perjury under the Harrison drug act. This act provides that only legitimate practitioners of dentistry may purchase drugs, under the Harrison drug act, commit perjury in the department's advisory force, says of this neglect:

"Many people think that fruit trees need no fertilizer and let them shift for themselves, which is the cause of so many starved trees in this State. I believe more trees die of starvation each year than from any other single cause.

"When manure of any kind is used as feed it should be applied in the Fall or sometlime during the winter, but if you are using commercial fertilizer it should be applied about blossoming time. If you have not yet fed your trees, this is a good time to do it apply your fertilizer at not of the committee and the law.

Experts of the State Department of Agriculture who have seem to legislature requiring the Pennsylvania Legislature requiring the Pennsylvania and laso prosecute defedent also prosecute and the Harrison drug act. This act provides that only legitimate practitioners of dentists are not legitimate practitioners of dentists are not legitimate practitioners.

The State Board's crusade in Pitts burgh will be merely an extension of a State-wide campaign languarated in Philadelphia.

Acording to Dr. Leslie Waddill, of Pittsburgh, president of the Odontological Society, there are about 3,700 are solved about blossoming time. If you have not yet fed your rees, this is a good time to do it, apply your fertilizer at not of the committee on permanent or of the publican national committee will also prosecute fedentists for perjury undentists of the Republican national committee will also prosecute. This act provides that only legitimate practicioners are not legitimate pr

## There's a Difference In Coal

A vast difference. You may be burning more coal than is necessary, because you are not burning the kind especially adapted to your requirements.

Talk the matter over with us—we'll steer you right on the particular kind of coal you ought to be using—and supply you with the best heat-giving fuel you can buy. Costs the same—and goes further.
