

"When the High School Boys Need a Friend"

HURRY UP SKIN-NAY RUN LIKE EVER THING!

© Biddle

They're Going Fast

We mean the boys of Harrisburg Tech and Central—here's hoping they win lots of prizes. Say, fellows—what's the difference between the High School Boys and the clothes that Wm. Strouse sells? Well, the boys are fast and can run; our clothes are fast colors, and can't run.

ATTENTION, BOY SCOUTS! This store is the official headquarters for Boy Scout Uniforms. Come in and get a copy of Boys' Life—the official magazine of the Scouts. We carry complete outfits—for the Boy Scouts at The New Store.

Hats, shirts and everything a boy wears. Yours, SKIN-NAY

Arguments of Speakers Pro and Con In Preparedness Debate

Henry A. Wise Wood History proves the necessity for preparedness. Half preparation is worse than no preparation. We must prepare against German incursions to our disadvantage in South America after the war.

CHRISTIANITY HAS FAILED TO END WARS

Wood declared that he also is of Quaker stock, but he is not of the other speaker's faith. David E. Tracy introduced the speakers, who in turn wasted no words in launching the subject.

Adequate Navy Needed Mr. Wood declared himself as opposed to war and desirous of peace, but he feels that under present conditions there exists a "blood-madness in Europe."

No Danger of War, Says Pacifist Professor Sharpless declared that there is no nation that wants to attack us.

HOUSE APPROVAL ONLY NECESSARY

Senate Adopts Conference Report on Army Reorganization; Final Action Soon

Washington, May 18.—Only approval by the House of the conference report on the army reorganization bill was necessary to-day to complete the legislation.

Discussion of the conference report embraced a denunciation of Great Britain for the execution of the Irish revolutionists, attacks upon the Administration's Mexican policy, renewed assaults upon the National Guard as a political force, and vigorous criticism of the provision for a government nitrates manufacturing plant.

Critics Mexican Campaign Senator Fall asserted that General Pershing, with the 14,000 troops at his command, could march on to Mexico City, taking every town with little trouble.

ASTHMA SUFFERERS MAKES BREATHING EASY

In New England where Bronchitis, Asthma and other diseases of the throat and lungs are so prevalent some wonderfully speedy recoveries have recently been effected by the use of a treatment known as Oxidaze.

This Is the Birthday Anniversary of—

AMOS C. CASSELL He is numbered with Harrisburg's prominent businessmen. His business is that of dyeing.

This Is the Birthday Anniversary of—

G. L. ZIEGLER He is one of Harrisburg's leading harnessmakers. His place of business is at 414 Verbeke street and enjoys a wide acquaintance and successful trade.

To Keep Away Teeth Stains and Tartar

Why is it that so many persons, no matter how regularly they use the tooth brush, have unsightly stains and tartar on their teeth? The reason is that the ordinary tooth powder, which is usually made of fine sand and liquid dentifrices are powerless to remove white particles among the teeth and gums.

SANITOL WEEK JUNE 4TH

Canal Zone Officers to Be in Charge at Plattsburg

New York, May 18.—Seven officers attached to the garrisons in the Panama Canal Zone will have charge of the businessmen's training camps at Plattsburg this year.

Girls Too Bashful to Wed Faraway Suitor

St. Paul, Minn.—Ambitious but bashful is the characterization Joseph Mounts, secretary to Chief of Police O'Connor, made of St. Paul young women after a day of telephone calls regarding Elmer Johnson, rancher of Sidney, Mont., who wrote to the chief, making an offer of matrimony to a suitable St. Paul girl.

AUTO TRIP IS RECORD BREAKER

Crosses United States in Fraction Over Seven Days; Some Experiences

New York, May 18.—Heralded by a great tooting of automobile horns, a roadster sild to the curb at Broadway and Forty-second street at 2:52 o'clock yesterday afternoon, bearing two men whose faces were almost as grimy as the dust streaked car in which they sat.

Rise in Price of Coal by Reading Will Be Probed

Philadelphia, May 18.—Ex-Judge Gawthrop, chairman of the State commission appointed to probe the increase in the cost of anthracite coal, said to-day that the new schedule of wholesale prices announced by the Reading Coal and Iron Company, which involved an increase of from 10 to 30 cents a ton, comes within the scope of the commission's investigation.

To Keep the Face Fresh, Clear, Youthful

More important than the cosmetic care of the complexion is its physical care. To keep the face clean, fresh, youthful, there's nothing better than common mercurized wax. It absorbs the solid or faded worn-out skin particles, cosmetics simply add unwholesomeness to the complexion.

APING HIS SIRE

"Papa," said five-year-old Tommy, "please give me five cents to buy a toy monkey." "You don't need a toy monkey," answered the father; "you are a monkey yourself."

"ANURIC!" THE NEWEST DISCOVERY IN CHEMISTRY

This is a recent discovery of Doctor Pierce, who is head of the Invalids' Hotel and Surgical Institute at Buffalo, N. Y. Experiments at Doctor Pierce's Hospital for several years proved that there is no other eliminator of uric acid that can be compared to it.

Workmen's Compensation Act Blanks

We are prepared to ship promptly any or all of the blanks made necessary by the Workmen's Compensation Act which took effect January 1. Let us hear from you promptly as the law requires that you should now have these blanks in your possession.

Julia Heinrich

Soprano of the Metropolitan, the find of the year in opera, singing in direct comparison with Edison's Re-Creation of her voice, to illustrate that one is identical with the other.

Miss Heinrich is but one of the many great artists who have thus proven that Edison has accomplished his ambition to re-create music so perfectly that his Re-Creations cannot be distinguished from the original.

We are licensed to demonstrate Edison's new invention

The NEW EDISON

This new instrument embodies a new art, the culmination of Edison's research work in chemistry and acoustics and the expenditure by him of more than two million dollars in experiments alone.

Re-creates all forms of music

Come to us and hear this wonderful new invention—the greatest musical instrument in the world.

We want you to hear it

Demonstrations will be given with pleasure, and no obligation is entailed by requesting one.
