Plenty of air—plenty of care—and the right food—that's what your baby should have. The first two are easy—but the last? How are you to know what the right food is?

You know, if you cannot nurse your baby, he must have milk in some form. There is a way to give your baby all the good in cow's milk without subjecting his delicate stomach to the dangers that raw cow's milk so often carries.

Thousands of mothers are finding the right way every day. They are bringing up their babies on

Little Child Badly Chafed

Fussed all the time, healed by Sykes Comfort POWDER

Here is proof and baby's picture
'My oldest child was badly chafed, fussed all the time, and the only way I could do anything with him was to keep soft cloths next to his skin. I tried several powders, but nothing helped him until I heard of Sykes' Comfort Powder. I cannot recommend it too highly because it has healed skin affections of my children after everything else had failed.'—Mrs. E. L. Green, Lawrence, Mass.

Not a plain talcum powder, but a highly medicated preparation unequalled for nursery and sickroom uses, to heal and prevent chafing, itching, scalding, eczema, infants scaldhead, prickly heat, rashes, hives, bed-sores, and irritation caused by eruptive diseases and bandages.

ORGANIZE ORDER OF JOVE JUNE 1

Electrical Engineers of Harrisburg to Form "League"; 30 Members

Thursday, June 1, has been definitely fixed as the date for forming or "rejuvenating" a league of the Jovian order—the nation-wide organization of electrical men—for Harrisburg.

Foremost in the movement is P. H. Bailey, commercial manager of the Harrisburg Light and Power Company, an official high in the councils of the order in Columbus, O., his former home.

Practical electrical men or have electrical training, are co-operating in the plan. J. C. Vogel, Philadelphia, statesman-at-large in Pennsylvania, recently came to this city to outline the rejuvenation plans and to arrange with Mr. Bailey for the formal organization.

Harrisburg already boasts of a number of members of other Jovian leagues. The degree team of the Philadelphia league will come to Harrisburg June 1 to put the candidates of Harrisburg's league through their paces.

P. H. Bailey, Samuel M. Bair, George L. Bricker, Jacob F. Bricker, Charles A. Carl, M. B. Doughten, Ewen W. Howard, Horace B. Pratt, Theodore J. Gould, Carl M. Kaltwasser, general manager of the Harrisburg Light and Power Company, Archibald Millar, M. E. Russ, Ernest Selig, John S. Musser, L. A. W. Shonoff, R. R. Jones, Frank S. Kirk, John Price Jackson, State Commissioner of Labor and Industry, F. Herbert Snow, chief engineer of the Public Service Commission of Pennsylvania, and George B. Tripp, former vice-president and general manager of the Harrisburg Light and Power Company and now a vice-president of the United Gas and Electric engineering corporation of New York.

Spiritualist Bride of 20 Sues For Divorce

Philadelphia.—Married when she was only sixteen, Mrs. Mabel E. River, a spiritualist, is seeking a divorce. She is now twenty, and since she is under legal age, Jacob H. Ford is conducting his suit in his name.

The young wife has two children and lives with her parents. Mrs. River, her father and her mother hold spiritual seances every Sunday night. Mabel was married to Charles River nearly four years ago at Norristown, where River worked in a lock factory. Doctor Ford says his daughter and her husband have not lived together six months since the wedding. River disappeared thirteen months ago and has not supported his wife and children, the family charges.

Pastor Will Set Type When Not in Pulpit

St. Louis, Mo.—The Rev. W. E. Kirkpatrick, pastor of the Pentecost Church at Upper Aiton, is going to divide his time between preaching and printing. He has installed a job press and font of type in the church building, at College avenue and Washington street, and will alternate between setting type and preaching the Gospel. He thinks he will be able to do both acceptably, as he is a union printer as well as an ordained minister.

The auditorium and the print shop are in adjoining rooms. The pastor will only have to step through the same doorway to again become the pastor.

Orpet Turns Cell Into a Study Hall

Chicago.—William Orpet, the Lake Forest student accused of poisoning Marian Lambert, has turned his Waukegan jail into a classroom. Confident of his acquittal of the charge, the Wisconsin University student is determined not to get behind in his studies.

Wife Wants Receiver to Save Man's Legacy

Topeka, Kan.—That her husband, Harrison B. Leavitt, be placed in the hands of a receiver, is the demand of Mrs. Hattie B. Leavitt in an application to the district court.

She charges he inherited a life interest in large property interests left by his mother and that it will go to other heirs because he has not complied with terms of the will and kept the taxes paid. She believed a receiver could keep the man's business affairs straight.
