Railroads throughout the country are reaping a good share of the bene-fits of the general prosperity of the country. The remarkable extent of the growth of the earnings was shown yesterday when the Interstate Com-merce Commission announced earn-ings of 182 leading steam roads in March. ings of 182 leading steam roads in March. The commission's report showed that these railroads earned net reve-nues of \$416 a mile during March this year, as against \$293 a mile during the same month last year. For the nine months ending with March this year the roads' net revenue per mile was \$3,836, against \$2,804 for the cor-responding period of the previous year. The chicago and Northwestern's es-timated gross earnings for April in-creased approximately \$1,500,000, it is said. Reports of net earnings of the Northern Pacific. Burlingtont, St. Paul and Great Northern all showed big increases in earnings for the last fiscal year.
