NEWS OF STEEL TOWN

COMMENCEMENT AT ORDER CLEAN-UP OF "BEAR PIT" OBERLIN FRIDAY

Health Authorities Direct West Side Property Owner to Improve Sanitation

Orders have been issued by the Steelton Board of Health to J. Wilson Welch directing him to take immediate steps towards remedying the present unsanitary conditions in the "Bear Pit," a row of small shanties along the Reading railroad near Conestoga street. There are no sewers there and residents are forced to carry water from neighbors' homes for their use. Much filth of all kinds has been permitted to accumulate.

By the order issued by the health authorities the proprietor has been directed to immediately remedy conditions and make the place comply with all sanitary ordinances.

It is the intention of the authorities to force a compliance with their order, they say, and will use whatever power is necessary to clean up the place.

Organizations Plan Big Celebration For July 4

More than a dozen civic and fraternal organizations were represented last evening at a meeting to prepare for the celebration of Independence Day. The meeting was held in the office of the Harrisburg Light and Power Company, North Front street, and M. J. Kane, local manager, was temporary chairman.

The committee decided that Steelton's Fourth of July celebration this year should include a ball game, a parade, a band concert and a display of fireworks. Representatives at last evening's meeting will report back to their organizations and will attend another meeting June 2.

C. A. H. Roberts was made temporary secretary. The following were present: J. W. Bricker, Alben Pierce and D. C. Nauss, Washington Camp, P. O. S. of A.; J. W. Bricker, J. A. Finley and Charles H. Beldie, Grand Commandery, Knights of Malta; H. O. Heckman, George H. Roberts, Steelton Lodge, L. O. O. F.; C. S. Davis, G. M. Long, Municipal League; John F. Neser and F. O. Meals, Loyal Order of Moose; John Ballice, St. Lewis Society; J. W. Fields and William Butler, G. A. R.; C. W. Thompson, Steelton Council, I. O. O. F.; M. J. Kane, H. E. Jones, Frank Armstrong, Steelton Businessmen's Association.

RAILROAD NEWS

SAFETY FIRST IS EXPENSE REDUCER

Railway Gazette Tells of Large Reduction in Claims For Loss and Damage

By the application of "safety first" principles to the handling of freight 112 of the principal railroads in the United States last year reduced their payments for claims for loss and damage to freight by over \$7,500,000 as compared with 1914, says the Railway Age Gazette. The decrease for the year was nearly 24 per cent., while the volume of business handled by the railroads during the year showed a slight increase. The Railway Age Gazette says:

"The total payments for loss and damage for the 121 roads amounted to \$21,916,543 in 1914 and only \$24,290,024 in 1915, and as the number of roads as used by the committee refers to system rather than to individual companies, these figures represent nearly all the railroads of the United States.

Twenty-six Roads Report

"Twenty-six large roads submitted reports showing their payments for loss and damage classified as to commodities, indicating an improvement as to practically all commodities except eggs, grain and perishable freight. The committee's report shows that strenuous efforts are being put forth by the carriers to reduce loss and damage to a minimum. The question of loss and damage to perishable freight is being actively investigated by two committees, one representing the eastern roads and the other the western roads, acting in co-operation with the Interstate Commerce Commission. The Interstate Commerce Commission Freight Association and the Committee on Packing, Marking and Handling of Freight.

"Such an encouraging report should be a source of satisfaction not only to the railroads, but also to the shippers, as it shows they are getting better service."

Friendship Club Members to Hear Several Reports

The May meeting of the Friendship and Co-operation Club of Railroad Men will be held Thursday night at Eagle's club. The program for the evening will report on several important questions. The social committee will also make a report on the new rooms, at 307 Market street.

Members of the club were at Altoona last night to assist in the organization of a branch and will tell of their trip. Attention of the members will be called to the work of the next annual meeting of the Veterans Employed of the Middle Division and to the desire to give the "vets" a warm welcome.

Eastern Shipments Show Increase Over Last Year

Chicago, May 23.—An increase of 15 per cent was made in eastbound shipments last week, and westbound business was equally as heavy. All roads are working at full capacity and there is heavy, but there is considerable congestion of traffic in grain and miscellaneous freight.

MANY WITNESSES AGAINST WAITE

Studio apartment, arrived shortly before court convened. It was expected she would be a witness for the State.

Mrs. Clara Louise Peck Waite, wife of the prisoner, was not in court when the hearing was resumed, but it was said she would probably be called soon to testify against her husband.

Percy Peck, son of John S. Peck, his wife and Miss Catherine Peck, the aged aunt from whom Waite is alleged to have obtained more than \$40,000 for purposes of "investment" were in court today as were also Warren and Frank Waite, respectively father and brother of the prisoner.

Dr. Vaughn, who made an analysis of the organs of Mr. Peck after the autopsy was ordered at Grand Rapids, described in minute detail the effects of the arsenic poisoning on Waite's aged victim.

Waite sat with bowed head and his gaze directed at the floor while Dr. Vaughn was testifying. His paleness betrayed his nervous tension. Dr. Vaughn swore he found two and a half grains of arsenic in Mr. Peck's stomach and amounts of it too small to weigh in either organs. Dr. Otto H. Schultze testified concerning his visit to Grand Rapids to investigate Peck's death.

Legal Notices

NOTICE is hereby given that Elizabeth E. Page presented to the Court of Common Pleas of Dauphin County on May 8, 1916, her petition asking for a decree of satisfaction of a mortgage given by her and Samuel S. Page, her husband, to H. L. Nissley, Trustee of Elizabeth E. Page, dated July 25, 1887, recorded in the Dauphin County Recorder's Office in Mortgage Book "A," Vol. 3, page 605, for One Thousand Two Hundred and Sixty Dollars and twenty-nine cents (\$1,215.29), with interest, on premises situate in the Village of Hazleton, Luzerne County, Pennsylvania, fronting forty (40) feet on the public road leading through the lands of the Reading Turbine, and extending in depth along a sixteen (16) feet wide alley, one hundred and two (102) feet wide, more or less; the Court did thereupon order that all persons interested appear in said Court on Monday, June 12, 1916, and answer the said petition, otherwise satisfaction of said mortgage by the Reading Turbine will be decreed. The said proceedings are filed of record to No. 574, June Term, A. D. 1916, Dauphin County, Pennsylvania.

CHARLES C. STROH, Attorney for Petitioner.

W. W. CALDWELL, Sheriff.

Harrisburg, Pa., May 9, 1916.

ALASKA WESTOVER COPPER CO.

"One of the Largest and Richest Copper Outcrops in Alaska"

Capitalization 3,000,000 shares. Full paid and non-assessable.

Par Value, \$1.00. 750,000 Shares in Treasury.

FUNDED DEBT, NONE

One week ago we made our first offering of Alaska Westover Copper Company's stock. The response to our offering was so great that we now announce that subscription books will close on Wednesday, May 24, 1916. UNTIL THAT DATE WE OFFER ANOTHER LIMITED BLOCK AT 40c PER SHARE. THIS WILL POSITIVELY BE THE LAST OFFERING OF THIS STOCK.

Charles Colcock Jones, president of the Engineers' Club of Los Angeles and a leader in the United States on Alaska copper, estimates the Westover group of claims to have in sight 3,000 tons of 30 per cent copper. Recent assays record the copper values from 40 per cent. In addition the Alaska Westover Copper Company controls three other properties in the Nizina Mining district (within a few miles of the Kennecott properties), namely, the Snowbird and Golden Eagle group of claims.

These additional properties all have exceptional copper showings. Any one of them would justify the price at which Alaska Westover stock is selling.

L. C. Dillman, president of the Alaska Westover Copper Company, is one of the pioneers who helped build up Alaska and the great northwest to their present high productiveness. His name is linked indelibly with the progress of Spokane, Seattle and the Copper River country of Alaska. Trading in the New York Curb will start in Alaska Westover stock shortly after subscription books close on May 24, 1916.
