This Season's Sport Hats Are the Most Attractive Ever Designed

Our wonderful showing of Sport Hats includes the very latest ideas of the designers of America and Europe. The first object of the sport hat is that it shall be comfortable and becoming. And it is wonderful how many materials meet these two demands. There are models of awning stripes, Milan, linen, Panama, peanut braid, Bangkok, lisere straw, ribbon, silk-and other materials.

Wenchow Straw, a Chinese weave that is both serviceable and effective, is very much in evidence.

Hand embroidery and hand painting are features of the new models. The trimmings are often bands of embroidered

Many of the foremost sport hat makers of this country are represented here by exclusive fashions. Thus a woman will not have her hat duplicated, a thing which is always desirable.

An attractive beach hat has a bag to match. The bag has white celluloid rings and is lined with rubber.

All of the hats are designed to harmonize with the current shades and fashions in sweaters and sport coats.
