

Try a Ranch Vacation This Summer

Why not spend your vacation this summer on a Western Ranch? Take the wife and kiddies along—you'll all have fun on it. The air is beautiful and invigorating—the scenery is great—and there's plenty of both.

This is exactly the kind of an outing that a man needs, who has been confined to an office—it is a complete change.

What could do you more good than to ride over the sun-flooded trails in the high row on every action, fish in shady brooks, tramp down winding paths among the trees, "loaf" in soft valleys?

The trip itself is one of real pleasure and well worth while. I will be glad to send you a list of ranches, telling you how reasonable they are and give you other points in connection with them. Just drop me a postal and I will suggest a plan that you will like.

MONKEYS WEAR GLASSES AND RUIN THEIR EYES

Hospital Experiment of Worldwide Interest

BALTIMORE, MD.—At Johns Hopkins Hospital, they are putting glasses on monkeys for the purpose of upsetting their vision. Do you like to laugh? If so, don't fail to see the big musical comedy called "The Sunny Side of Broadway" which is appearing at the Majestic the first half of this week.

The attraction for to-day is one that has been the subject for no little discussion in that it has been mitted to be thrown on the stage.

"Who Was My Father?" The question has tortured the mind of an otherwise normal young man until he has forsaken his parents and become a bandit.

Members of the Governor's Troop were tendered a reception last night in the Armory at West and State streets, by the ex-members' Association in recognition of their prompt response and efficient work during strike service at Pittsburgh.

Almost 60 members of the two organizations were present. Captain Charles P. Meek, president of the Veterans' Association, welcomed the guests and Captain George C. Jack presided as toastmaster.

There have been two rumors circulated by selfish interests. One was that unless he personally were the nominee Colonel Roosevelt would again bolt the convention and head a third ticket.

Mr. Taft, it is definitely known, is earnestly opposed to the nomination of Colonel Roosevelt. He has stated that in his opinion it would be inconceivable that the Republican Party should nominate either Roosevelt or Taft himself.

There is no basis for the report that Roosevelt should be chosen Taft would bolt the ticket. He would not head a third party movement.

While the flag was being hoisted to the top of the mast, the children sang "America." Mass was celebrated at 7 o'clock by the Rev. Dennis P. Reardon, of St. Patrick's Cathedral, during which patriotic songs were offered.

Youngsters in the city have found a method to use the vacant lot at Third and Walnut street for a good purpose and thus far the police have not interfered.
