The orchestra promises to be a valuable accessory in the development of local music. It produces the work of Baltimore composers, of whom the city boasts several. It has also adopted the policy of fostering local pride and adding an intimate touch to the programs by securing, when possible, native Baltimoreans who have risen to musical fame for the soloists on each occasion. For instance, at the February 11 concert. Miss Mabel Garrison of the Metropolitan Opera company sang. Miss Garrison was originally a Baltimore girl. On April 14, the soloist was Ernest Hutcheson, who is an Australian by birth, but who lived for some years in Baltimore.
