"The Live Store"

"Always Reliable"

Greater Value Giving

It takes time and money to produce good fabrics---more time and money to fashion those fabrics into high grade garments---such garments are scarce nowadays and not to be obtained by anybody, anywhere, at a penny less than they are actually worth.

Kuppenheimer Clothes "Are Always Worth Their Price"

Greater Value Giving The whole policy of this "Live Store" is expressed in those three words—Back of them is intelligent buying in LARGE volume to a KNOWN demand. Careful management that conserves our resources, and conscientious service that insists on giving to every patron a full degree of guaranteed satisfaction.

This "Live Store" is making a big mark in Harrisburg's merchandising history. The best clothes are here and the biggest values. There is no trust-to-luck, hit-or-miss method, nor do we take a chance on appearances only on the surface—inside, outside, every day in the year we're "Always Reliable."

In the Battle for the best---there is little time to rest---so this "Live Store" goes methodically along solving a new problem each day---and you are always sure of the BEST here no matter what you pay.

ROOSEVELT AND HUGHES IN LEAD

[Continued From First Page] go to Roosevelt or Hughes as their second choice.

Penrose Makes Statement

Senator Boies Penrose, of Pennsylvania, who arrived to-day said: "The quarters of the 76 delegates from Pennsylvania are uninstructed. We are going to do what in our judgment is best for the interests of the Republican party at this time. We have no preference at this stage of the procedure. The claim made by friends of Governor Brumbaugh that they will have half of the Pennsylvania delegation is untrue."

Henry G. Wasson, National Committeeman from Pennsylvania, and one of the leaders of the Brumbaugh that Roosevelt is the second choice of about sixty of the 76 delegates from his State. He claims 4 votes for Governor Brumbaugh on the first ballot.

Not to Force Roosevelt

John W. McGrath, private secretary for Colonel Roosevelt issued this statement: "So far as I know no effort will be made by Roosevelt to force him on the Republican convention."

While there will be no Hughes headquarters in Chicago and no formal organization to work in his behalf for the Republican presidential nomination it is said the active direction of the campaign will be undertaken by Governor Whitman, of New York; Senator Reed Smoot, of Utah; Frank H. Hitchcock, New York and Senator William E. Borah, of Idaho. Governor Whitman and Senator Borah are expected here Sunday.

Expect 200,000 to March in Great Chicago Parade

Chicago, June 2.—Chicago and a number of neighboring cities which will unite with this city to-day completed arrangements for the parade to-morrow which will emphasize the necessity of adequate preparedness. Plans for Saturday's demonstration provide in reality for three parades, although there are but two definite periods set aside for the forming of the marchers.

The first divisions will form at 9 o'clock in the morning and from that time until 9 at night, or later, it is expected a steady line of marchers will wind through the streets of the downtown section. Reservations made for fully 200,000 persons will be in the parade. The parade will be reviewed by General Thomas Barry, U. S. A., commander of the Central Division of the army.

Given 30 Days and \$1,000 Fine For Flag Desecration

New York, June 2.—Bouck White, pastor of the Church of the Social Revolution, who last night participated in the burning of the American flag and other national emblems in the rear of this church was to-day found guilty by the court of special sessions of desecrating the American emblem and to pay a fine of \$1,000. The offense of which he was convicted to-day was the desecration of the American flag in circulars he caused to be distributed some weeks ago.

Police Commissioner Woods ordered an investigation of the burning last night of the American flag and national emblems of other nations in a "melting pot" in the rear of Bouck White's Church of the Social Revolution. The affair was described by White as "the birth of internationalism." It is alleged that the American flag was thrown to the flames by Albert Henkel, described as an artist, who afterward unfurled a banner of "international industrialism." The police commissioner said to-day that if the facts were as reported it was "an outrage that should not be tolerated." He directed a deputy to confer with the District Attorney and said that if that official believed the participants in the "melting pot" episode should be punished, the detectives would obtain the evidence.
