He said that discipline in the ademy must be siriet because "you ee more than college boys; you are fiters of the United States," and by laxity of duty cannot be oversided. PARK EXTENSION JOVIAN LEAGUE **OPINION DOWN**

Late Jottings About Activities in Capitol Hill Offices

Ways for the Capitol Park Extenion Commission to make disburse

ways for the Capitol Park Extension Commission to make disbursements in payment for properties are outlined in an opinion given to the commission to-day by Deputy Attorney General Joseph L. Kun, to whom certain questions were referred.

Mr. Kun says that the commission should receive written authorization that the amount of awards should be used for payment of mortgages or taxes where such matters exist. In case the agreement cannot be made or there is a dispute regarding liens, it will be the duty of Auditor General to draw a warrant for the amount of the award on the State Treasurer, who will make payment into court, and distribution follow in proper form.

The commission may secure affidavits to satisfy itself as to persons to whom payments should be made.

It is said that one of the speeches presenting the name of the Governor at Chicago will be delivered by Deputy Attorney General Emerson Collins. Congressman W. S. Vare is also expected to speak.

AD PACKARD WRECK
Bridge Undermined
The wreck was due to high water which had so undermined the bridge supporters that when the train struck the bridge, the entire structure collapsed. The engine plunged into the creek, carrying with it the baggage car, smoker and day coach.
When the train turned over many of the passengers smashed the windows of the coaches and crawled onto the sides of the cars where they remained until taken off by rescuers in boats.
The sleeping cars remained on the track and the passengers aided in the work of rescue.

Compound of Simple Laxative Herbs Recommended For Constipation.

When a remedy has stood the test of critical analysis and strong com-petition for over a quarter of a century and establishes itself as the indis-pensable household remedy in thou-

pensable household remedy in thousands of homes, it is pretty good evidence of its efficacy.

Dr. Caldwell's Syrup Pepsin has been on the market since 1889, its use being gradually extended until now it is generally regarded by druggists as the staple family laxative. It is a combination of simple laxative herbs, free from opiates or narcotic drugs, gentle in its action and positive in effect. It costs only fifty cents a bottle and can be purchased in drug stores everywhere.

Mr. Frank Klima, of 2309 Ashland Ave., Baltimore, Md., wrote Dr. Caldwell recently that he had tried about everything without being helped until he got a bottle of Dr. Caldwell's Syrup Pepsin, which he considers the greatest known remedy for indigestion, constipation and stomach troubles.

MR. FRANK KLIMA
