Picture Binding Demonstration

BY AN EXPERT

This interesting work will be conducted in a section of our Book Department to-morrow and Monday and we believe that it will be thoroughly enjoyed by hundreds of the store's friends.

Picture framing with paper binding is popular because it is in perfect taste, is easy to do and is economical. The cost is about one-sixth that of a wood frame and the work is really fascinating. In many cases it solves the big problem of wall decorations.

You are cordially invited to attend this demonstration.
