

OF INTEREST TO THE WOMEN COMBINE VIRTUES OF NATURAL AND ARTIFICIAL INCUBATION

Great Min-Ral-Cop Continues to Relieve to Reg. U. S. Pat. Office.

THEIR MARRIED LIFE

Helen looked up, a tired little look on her face, and a long black smudge on her cheek. She leaned wearily against the door and looked up at Warren as he came in.

ALL GIRLS LIKE TIERS OF FRILLS

Soft Georgette Crepe or Wide Embroidery Will Develop This Pretty Design

9951 (With Basting Line and Added Seam Allowance) Girl's Dress, 8 to 14 years.

This is a frock that shows the newest features of the season. The skirt is made in sections that are joined one to the other and is abundantly full.

The Hen's Time Is Valuable and Should Be Conserved as Much as Possible

Centralize the Sitting Hens in a Coop Built For the Purpose

By Robert Armstrong Expert Poultryman and Writer.

Owners of small flocks of chickens, especially farmers, will continue to do their hatching and rearing before they have not the time to devote to rearing the chicks by artificial means.

COLUMBIAN PLYMOUTH ROCKS

Within the last twenty years fanciers who have admired the handsome plumage of the Light Brahma, but preferred a smoothlegged fowl, have worked hard to produce and perfect this plumage in our most popular American breeds.

thought will produce the correct units for the hens, after the infertile eggs and dead germs have been removed.

Still another advantage of this method is that it is conceded that the greatest losses in artificial incubation are attributed to chicks which are almost fully developed dying in the shell.

Was last season's flock of turkeys a disappointment? If so, in what respect did the results fall below expectations?

Wants Preachers Who Might Have Been Pirates

Every day more men and women are telling of the great relief they have found by using the new remedy. It's not a few, but many are rejoicing.

Neither did the multitudes see how until they tried it. They have changed their opinions now and to-day they are telling it better than I can ever expect to tell it.

Mrs. Fannie Mackey, 1221 Seventh street, is a hard working woman. She has to make her own living.

Mrs. Mackey said she was suffering with complication of diseases — her breath was short, her system run down, her appetite poor.

Go quickly now and get one at Marshall's Pharmacy, Cor. Boas and Cowden streets, Harrisburg.

Merger of Three Medical Colleges Is Consumed

Philadelphia, Pa., June 3. — After many months of preparation and conferences the details of the union of the medical school of the University of Pennsylvania and Jefferson Medical College and the absorption of Medico-Chi of this city were made public yesterday by the representatives of both institutions having this plan in their hands.

In addition, Provost Smith, of the University of Pennsylvania, outlined the details of absorption of the Medico-Chirurgical College with institution. The former college will be known hereafter as "The Medico-Chirurgical College Graduate School of Medicine in the University of Pennsylvania."
