Germans Directing Efforts to Bring Up Reinforcements

Paris, June 6. — Fort Vaux, one of the northeastern defenses of Verdun, continues to be the center of German efforts but the French still hold the main fort and all approaches except the northern coast in which the Germans gained lodgment several days ago.

The Germans are now directing their efforts toward bringing up masses of reinforcements through the ravines between Vaux and Damour for the purpose of gradually wearing down the determined resistance of the French. Although two infantry attacks were made yesterday, they lacked the intensiveness of the previous rushes. The conclusion is drawn

'Nourishing Process' Beats Face-Peeling

If you value your complexion don't use any preparation on your face that contains Mercury. Mercury peels your face and robs the skin of its natural oils. If you want to renew your complexion, get rid of wrinkles and give a girlish tint to your complexion, try the simple "nourishing process" which has become so popular of late with famous Beauties everywhere. No expensive toilet requisites are necessary. You simply get a little ordinary Am-o-nized Cocoa from your Druggist and apply to your face once or twice daily. No massage is needed. It brings color to the cheeks, beautifies and nourishes the skin while you sleep. It removes wrinkles, lines and facial blemishes and whitens and clears the complexion because it contains everything your skin requires to keep it pink and healthy. If you have not as yet enjoyed the charm and thrill that everyone experiences when they first behold the magic beauty this "nourishing process" creates get a little Am-o-nized Cocoa from your Druggist to-day and see what just one application of this sweet, fragrant beautifier will do for you.—Advertisement.

Deaths and Funerals

CHARLES H. SCOTT Charles H. Scott, formerly of this city, died at the University of Pennsylvania Hospital, at Philadelphia, Saturday. Funeral services will be held from his home, near Coatesville, tomorrow afternoon, at 2 o'clock.

MRS. JOHN P. SCOTT Mrs. John P. Scott, wife of Professor John P. Scott, principal of the Calder school, died last evening, at 7:20 o'clock, after a lingering illness. She is survived by her husband and five children, whose ages range from eight months to 12 years. Mrs. Cora Harris, a sister, of this city, also survives. Funeral services will be held Thursday afternoon, at 2 o'clock, from the Wesley Union Church, Forster street. The burial will be made in the Lincoln Cemetery.

ADDRESSES MAIL CLUBS

At a meeting of the Railway Mail Clerks in the Federal building, an address was made by Joseph Aronoff, secretary to United States Senator James E. Martine of New Jersey. He talked on special legislation now pending in Congress, including the question of 15-days vacation with pay for all railway mail clerks. E. C. Yates, special representative for the National Railway Mail Clerks' Association also made an interesting address, touching upon legislation and other important questions.

YOUNGSTERS TAKE \$10 BILL

Robert Yohn, aged 14, and Brinton Strickton, aged 13, both of Carlisle, slipped away from home yesterday, according to the police, with one of grandfather's \$10 bills, and came to Harrisburg for a good time. They were caught by Railroad Officer Haines and turned over to relatives.

THIS WILL STOP YOUR HAIR FROM FALLING

It was Dr. Sangerbund who first discovered that dandruff and falling hair were caused by microbes.

And now that Parisian Sage, the wonderful, delightful preparation that kills the dandruff germs can be secured at all drug and toilet counters, the clean people of this country have awakened to the fact that dandruff is unnecessary; that falling hair and itching scalp can be quickly stopped, and that anyone who frequently uses Parisian Sage should never grow bald.

To every reader who wishes to eradicate disgusting dandruff, stop falling hair, and have an immaculately clean scalp free from itching, we strongly recommend Parisian Sage. Parisian Sage is sold for not more than 50 cents a large bottle. It is an ideal, daintily perfumed liquid, free from grease and stickiness, and will cause hair to grow lustrous and luxuriant. H. C. Kennedy always has a large supply and guarantees it to you.—Advertisement.

Nature Often Needs Help to Hold Health

The first requirement is to offer something that will not harm the sufferer by poisoning the system or creating a habit-appetite that may lead to a worse condition.

That is one reason why Eckman's Alternative, for more than twenty years a successful treatment in pulmonary, asthmatic and bronchial troubles, has attained success.

It is absolutely safe to take. It contains nothing to poison one or induce a habit. Yet its combination of calcium chloride is such that most persons can assimilate it easily. If you are suffering from the serious effects of a neglected cold or in the grip of deep-seated pulmonary infection, a trial is worth while. At your druggist's. Eckman Laboratory, Philadelphia. HILL MARKS TIME; OFFICIALS AWAY

Only Routine Being Transacted; Hope For Harmony Is Strong

These are quiet days on Capitol Hill. The Public Service Commission is holding sessions that will continue until Thursday and the other departments are working on routine. Nothing of an important nature is due to transpire until the Governor, Attorney General Brown and others prominent in the State government return from Chicago. There have been rumors of more changes as a result of the primaries, but much depends upon the efforts to harmonize all differences at Chicago between the warring factions of this State as to whether any of the reported wholesale dismissals will come to pass.

Certificates Sent Out.—The State Department to-day sent the certificates and lists of the Democratic national delegates and alternates to Robert T. Keenan, secretary of the Democratic committee, in Philadelphia.

Doctor of Laws for Ainey.—W. D. E. Ainey, chairman of the Public Service Commission, will be given the degree of doctor of laws by Lehigh University to-day. Mr. Ainey is a graduate of the university.

McNichols, Inspector.—Walter McNichols, of Scranton, has been appointed supervising inspector of the Scranton district of the Bureau of Inspection of the Department of Labor and Industry. He assumes his duties at once. Mr. McNichols as State Senator represented the Twenty-second Senatorial district during the sessions of 1911 and 1912. He is a trustee of the State Hospital for Criminal Insane at Farview and a trustee of the West Side Hospital in Scranton. At the present time he is president of the Retail Merchants Association of Scranton. He is a former captain of a company of the Thirteenth Regiment, National Guard of Pennsylvania, and is the colonel of the Lancers, a temperance society composed of 1,200 boys of the Scranton locality.

Many Parion Board Cases.—An exceptionally large list of applications for pardons will be presented to the Board of Paroos when that body meets Wednesday, June 21.—A dozen or more old cases will be brought up for consideration and already Parion Board clerks have received about fifteen applications. It is considered likely that more than thirty cases will be on file before the end of the week.

Industrial Board Meets.—The Industrial Board of the Department of Labor and Industry is in session in Philadelphia to-day.

complete. It was feared the list of dead and injured would be greatly increased with later reports.

The greatest destruction was reported at Judsonia, a town of about 800 inhabitants about fifty miles northeast of Little Rock on the Iron Mountain railroad. One-third of the town was destroyed. Twenty-five bodies and fifty injured were recovered from the debris last night. Rescuers, toiling in the darkness, kept up their work all night.

Every Town Suffers A message received early in the night said that eighteen persons had been killed and many injured at Spring Springs on the Arkansas railroad in Northern Arkansas. The wire failed and no further information came through during the night.

Three white persons and two negroes were killed in Dallas county in the south central part of the State. At Hot Springs four were killed and eight injured. There are known to be dead near Cabot, between Little Rock and Judsonia.

A white woman was killed and fifteen were injured at Greenland in Washington county, in the northwestern part of the State.

At Morrilton, forty miles northwest of Little Rock, two negroes were killed; a negroess was blown away and a white woman and several children were injured.

Only the extreme eastern and southern portions of the State appear to have escaped.

Residents of Wichita, Kan., Flee to Higher Ground

Wichita, Kan., June 6. —Packing house whistles sounded warnings to citizens to flee to the high ground early to-day. Every policeman, the entire fire department and every available boat and motor car were pressed into service to rescue marooned families along the creeks in the northern part of the city. Little Kansas river left its banks and its flooding a larger portion of the town.

EIGHT DEAD IN MISSISSIPPI

Jackson, Miss., June 6. —Eight persons, two white and six negroes, were killed and about fifty others injured, some seriously, by a tornado which swept through the western section of this city early to-day. Many homes were demolished or damaged.

This Is the Birthday Anniversary of—

Leave For Honeymoon Spent in New England

Following a wedding journey to New England, Mr. and Mrs. Robert Bruce McFarland, who were married last evening in Grace Methodist Church, will reside at 1928 Bellevue road.

The church was beautifully decorated last evening for the wedding, with the chancel banked in pink and white peonies and roses. The Rev. Dr. George Edward Reed performed the ceremony and Miss Edith Shaffer played the usual wedding marches.

The bride, Miss Marjorie Foote, who was given in marriage by her sister, Miss Stella L. Foote, wore a dainty costume of white satin with irridescent lace and tulle veil crowned with orange blossoms. Her bouquet was a shower of bride roses. Miss Stella L. Foote, who was maid of honor for her sister, wore pale blue taffetas with georgette crepe and carried a shower of pink roses and maidenhair fern.

The bridesmaids, Miss Helen Laucks and Miss Helen McFarland, wore frocks of orchid-pink taffetas with touches of blue and carried pink peonies. The best man was Herman Edward Stuntz, of Bellevue, Ohio, and the ushers included George Sutton, James Shope, Thompson Martin and Robert Bratten.

Following the service a reception was held at the McFarland country place, Breeze Hill, where American Beauties Killarney roses and palms prevailed in the decorations.

Mr. McFarland is a son of Mr. and

Mrs. J. Horace McFarland, of this city, a graduate of the Central high school and of Dickinson College. He is secretary of the McFarland Printing Company, of this city.
