

POLITICAL LEADERS ARE BECOMING CONVINCED THAT THERE WILL BE TWO TICKETS IN FIELD; INDICATIONS POINT TO NOMINATION OF HUGHES

Progressive Leader Asserts "We Left the Door Open and the Republicans Don't Seem to Be Coming in"; Peace Talk Being Discounted; Convention Adjourns Until 5 O'clock Harrisburg Time to Await Report of Resolution Committee

PERMANENT ORGANIZATION EFFECTED; RUMORED ROOSEVELT HAS RESERVED ROOMS

Will Address Republican Gathering if They Want Him, T. R. Says; Depew and Uncle Joe Cannon Make Speeches; Justice Hughes Is Gaining Strength Rapidly; Resolutions Committee Endorses Principle of Woman Suffrage

Coliseum, Chicago, June 8.—At 1.31 o'clock the Republican National Convention recessed until 4 P. M. (5 o'clock Harrisburg time), to await the report of the Resolutions Committee which still was working on the platform.

The convention was in session about two hours and did nothing more than perfect its permanent organization and listen to some speeches.

Dissenting reports on the woman suffrage and Mexican planks have been carried to the full committee by the sub-committee and the convention was forced to wait while the committee discussed these measures and debated adoption of a prohibition plank.

Chauncey M. Depew was called to the platform for a "minute speech" and when he had concluded, former Speaker Cannon was introduced, the managers trying to occupy the delegates until the Resolutions Committee was ready.

As political leaders gathered for the second day's sessions of the Republican and Progressive National Conventions it became more and more apparent that there would be two tickets in the field. Victor Murdock chairman of the Progressive National Committee, summed up the whole situation when he said today:

"Well, we left the door open, and the Republicans don't seem to be coming in." That was the Progressive leader's reply to inquiries as to whether there remained any prospect for harmony and whether there was likely to be appointed to-day conference committee representing both parties to receive and pass upon peace suggestions. Republican leaders too, discounted the success of the peace talk, saying that action had been delayed for so long that a majority of the Republican delegates already have decided to proceed without regard for any third party, and nominate Justice Hughes to whom the most support has been gathered.

Will Not Accept Now There are some among the Progressives and among Roosevelt Republicans as well, who still believe that the Colonel himself could have the day if he would come to Chicago. Representative Gardner of Massachusetts, who was defeated for Republican delegate-at-large from Massachusetts on a Roosevelt ticket, pleaded with Progressive leaders to bring Colonel Roosevelt on without delay. Word came from Oyster Bay, however, that Colonel Roosevelt had received the telegram from Republican National Committeeman Jackson, of Maryland, sent yesterday urging him to come here in the interest of harmony. While the Colonel announced it was not his present intention to accept the invitation, he would make public his reply later and he did not.

TWO GOVERNORS AND AN EX BUSY IN CHICAGO

Gov. Frank B. Willis of Ohio, Ex-Gov. Eugene N. Foss of Massachusetts, Gov. Martin G. Brumbaugh of Pennsylvania.

Here are three prominent figures in Chicago, caught as they hustled for the candidates they favored. Governor Frank B. Willis, of Ohio, early declared himself out of the race for the Republican nomination for President, but he is a delegate from Ohio, and is for Senator Theodore Burton. Former Governor Foss, of Massachusetts, is a sort of onlooker in Chicago. Governor Martin G. Brumbaugh, of Pennsylvania, is on hand with some of the Pennsylvania delegates—those Senator Penrose did not capture—under his control. He himself is a candidate for the nomination.

T. R. TO ADDRESS CONVENTION IF IT DESIRES HIM

Hopes Man Who Would Place Nation Where It Belongs Will Be Nominated

ATTACKS PRESIDENT

"Has Rendered Most Evil Service Possible, He Asserts"

Oyster Bay, N. Y., June 8.—Colonel Roosevelt will come to Chicago if "the Republican convention desires me to address it." This he announced today in a reply made to the invitation he received last night from Senator William B. Jackson, of Maryland, asking him to come to Chicago.

The Colonel declared in his answer that he hoped both the Republicans and Progressives would nominate a man who, if elected, would "place this nation where it belongs by making it true to itself and therefore true to all mankind."

"President Wilson," he said, "had rendered to this people the most evil service that can be rendered to a great democracy."

Differences Pale Colonel Roosevelt declared that the

May Arbitrate Differences Between U. S. and Mexico

Washington, June 8. — Arbitration of differences between the United States and Mexico through an international commission to-day became a possibility.

Diplomats, particularly those of Central and South American republics, were much interested in information that administration officials are considering seriously proposing such a course to General Carranza. If they definitely decide to suggest this, it would be sent as the United States' answer to Carranza's last note. Acceptance would then depend on the de facto government.

Under the treaty of 1848 between the United States and Mexico, the presidents of the two nations might appoint an equal number of commissioners to whom could be submitted all the vexatious questions arising out of relations between the two countries the past few years.
