Miss Cox, famous in Home Journal Patterns, is here to tell you many good things about them. Consult her.

It would be an unwise thing to announce at one time all the sterling Anniversary offerings to be found in this great

ANNIVERSARY

It would be equally unwise to announce all the items even on separate days. So we have picked a certain number each day---a different lot each day---to illustrate the exceptional savings served in this anniversary feast.

Hundreds of dollars' worth of worthy, seasonable merchandise is set before you at tempting money-saving prices.

Again you are urged to attend.

Women's Silk and Georgette Crepe Blouses

At All-Important Anniversary Reductions, Disposing of Several Hundred at

\$2.45 and \$3.45

Much to the interest of women who desire the very acceptable, present moment styles in silk and georgette crepe: in the most desirable shades

They are our own fine grade blouses; all substantially higher-priced varieties of crepe de chine, pussy willow, lace, chiffon and Georgette; in tailored, frilled, pleated and lacy effects. Large and small sizes predominate.

About the savings, if it were not contrary to our policy not to publish former prices, you could realize at once the handsome margin of saving. You will, even so behold the savings with delight at time of purchase.
