## If Everything Was as Cheap As Alspure Ice

the cost of living would be as low as it was in the good old days.

Be glad, however, that ALSPURE ICE is helping to keep down the cost of living.

The use of ice gives you better food and a greater variety.

What a hungry, half-starved nation this would be, if it were not for ice.

The use of ice is an economy in that it enables you to keep milk, meats, fruits, and vegetables that otherwise would "spoil." The waste would be considerable more than the small cost of ice.

## Potato Bugs MILLIONS OF THEM Are Destroying Your Crops

The leaves are the lungs of the plant, while they are kept perfect and in healthy condition they continue to feed the tubers, keep the plant growing a longer period and thus produce larger potatoes, more of them and this means a larger crop.

## SPRAY THEM WITH PYROX

It kills the bugs and prevents blight and disease. It sticks to the plant like paint and will not wash off. It is the one most satisfactory spray.

We also have Arsenate of Lead, Paris Green, Slug Shot, Bordeaux, and all Insecticides.

One Way to Fight Tuberculosis

is to pay special attention to hygienic living and proper diet. Science is agreed that fresh air, rest and avoidance of food excesses constitute the most effective treatment in the early stages of this widespread and destructive affection.

Often, however, these measures need supplementing by proper medication. The system lacks sufficient resistance to overcome the attack, and something must be done to assist in rebuilding the patient's strength.

In many cases of this sort Eckman's Alternative has been used with marked success. Also, it has proved beneficial in relieving bronchial troubles and asthma.

Since it contains no opiates, narcotics or habit-forming drugs, it is safe to try. At your druggist's.

## Gigar Butts Scarce, Says Champion Snipeshooter

Portland, Ore., June 9. — Persons who regard the term "snipe-shooter" as a vaudeville joke had legal proof of the existence of the tribe in municipal court, when J. L. Hogart, arrested by Patrolman Mallon, was charged with vagrancy.

## Blood Letting Is Needed in Nation, Says Preacher

Deafield, Wis., June 9. — "I tell you, young men, this country needs a blood letting. We have grown too gross. Things worth while are wanting. We need the rumble of the cannon, and less of the music of the cabaret. We need the sound of the marching hosts, not the seductive shuffle and tap, tap of the foolish dance. We need the sons that once awakened a nation to glory, not the effeminate tank, tank of the ragtime youth. We need men today, and not milkmaids."

## Wife Threatens to Leave, He Throws Her in River

St. Louis, June 9. — Jacob Youngblood, of Alton, was arrested, charged with throwing his wife, Cora, into the Mississippi river from a houseboat. After he saw her struggling in the water, he jumped in and rescued her, according to her story. He told her, she said, he had thrown her in only to frighten her, so she would not leave him, as she was preparing to do.

## Weds Girl He Left Behind Him, After Half a Century

Anderson, Ind., June 9. — A romance of olden days was uncovered here when Benjamin Osborn, 74, and Jane Smith, 71, applied for a marriage license. More than a half century ago Mr. Osborn successfully courted Jane Butler. But the Civil War cast a blight on the young couple's rosy future, and young Osborn responded to the call of the Union. He was one of the first soldiers to reach the front.

## Prospects Are Tiptop For Plenty of Stewed Prunes

Myrtle Creek, Ore., June 9. — The largest prune crop in the history of the Myrtle Creek section is promised this year. Weather conditions have been most favorable for prunes from the very beginning of the year, the cold weather of January and February keeping the buds dormant until late Spring, while warm weather prevailed during the frost period and no cold continuous rains have come to encourage brown rot. While there are individual orchards where the crop is light, the general yield is heavy and the fruit is already of large size.

## Barred From Boy Friends, Girl Takes Her Own Life

Des Moines, Ia., June 9. — John Briggs, a rich paving contractor, raised his motherless daughter with the express order that she should not associate with boy friends.

## Weds Girl He Left Behind Him, After Half a Century

Recently the father found a notebook of his daughter's, and learned her secret, and the girl shot herself. "I didn't have the chance the other girls had," was her dying statement.
