

COLLEGE BOYS ARE HELPED TO JOBS

State Bureau of Employment Has 1,893 Positions to Fill This Summer

The Bureau of Employment of the Department of Labor and Industry is offering 1,893 positions to under-graduate college students as summer employment. That number of positions for summer help comes from 157 employers in Pennsylvania.

Up to this time 408 students have filed applications with the Employment Bureau, according to a statement made to-day by Director Jacob Lightner.

One Vassar girl and one "co-ed" from Hood College, in Maryland, are included among the applicants. Colleges and normal schools are well represented in the applicant list for positions.

State College students desiring summer work number 128; Dickinson College, 52; Bloomsburg Normal, 40; Millersville Normal, 33; Bucknell University, 23; Lafayette College, 19; Shippensburg Normal, 20; Kutztown Normal, 18; Gettysburg College, 14; West Chester Normal, 13; Juniata College, California Normal and Lock Haven Normal, 9; Lehigh University, 6; East Stroudsburg Normal, 5; Franklin and Marshall College, 4; Indiana State Normal, 3.

Many of these applicants have already been placed in suitable employment and begin their duties at the end of their school terms. The greatest number of applications from employers is for undergraduate mechanical engineers.

Want Fire Inspection.—Councilman Charles L. Rummel, of Shippensburg, has filed with Acting Fire Marshal Charles Wolfe a request that there be an inspection made of some old, worn-out buildings in Shippensburg in order that the danger from fire may be lessened.

Forty-seven Cases.—Three additional cases have been reported to come before the Board of Pardons on its meeting on June 21. This brings the number that will be acted upon to 47 in all.

Colonel Beittler Retires.—Among the appointments and retirements that have been made in the National Guard of Pennsylvania during the past month as compiled in the report issued from the Adjutant General's office this morning is noted the retirement of Lieutenant-Colonel Lewis E. Beittler, of the Governor's staff, one of the most popular and prominent of the State's officers. Numerous other appointments were made and retirements recorded throughout the month. Among the commissions issued was that of first lieutenant to James B. Murrin, of Lackawanna county, who was on the Palmer slate as Democratic candidate for Auditor General at the recent primaries.

Primary Totals.—The following totals of the May primaries were announced at the State Department today: For United States Senator—Democratic, Eugene C. Bonniwell, 42,809; Ellis L. Orvis, 7,079; Republican, Philander C. Knox, 418,446; Washington, Mahlon H. Myers, 13,489; Socialist, Charles W. Ervin, 5,297; Prohibition, W. P. Ferguson, 4,240. For State Treasurer—Republican, J. V. Clark, 145,825; Harmon M. Kephart, 287,522; Democratic, James M. Crauer, 74,462; Samuel B. Philson, 57,282; Washington, J. V. Clark, 14,501; Socialist, Charles S. Sohl, 5,151; Prohibition, E. J. Fithian, 4,169. For Auditor General—Republican, Charles A. Ambler, 205,283; Charles A. Snyder, 229,825; Democratic, John F. Lenny, 59,460; James E. Murrin, 39,717; Washington, Isaac B. Brown, 13,486; Socialist, Walter V. Tyler, 1,052; Prohibition, William Repp, 1,075.

ION-O-LEX Stops Inflammation

In Tonsillitis, Pneumonia, Bronchitis, Sore Throat, Croup and other similar throat and lung diseases, if you can stop the inflammation you cure the disease.

Ion-o-lex stops inflammation. That is all it does—just stops inflammation.

But think what that means. Nine-tenths of all diseases are of an inflammatory nature—Burns, Scalds, Bruises and other everyday ills are inflammation.

Ion-o-lex stops the inflammation. And Ion-o-lex is not a drug—it has no narcotics or opiates in it—it is absolutely harmless—and it does not interfere with any other treatment.

Two forms—Ion-o-lex Liquid for internal use and Ion-o-lex Unguent for external use.

For sale at Kennedy's Med. Store, 321 Market St. and other prominent druggists.

REGION OF LATEST RUSSIAN SUCCESSES

The capture of Lutzk, or Luzk (underlined on the map), menaces the entire Austrian line north of Galicia. Lutzk stands at one corner of the Volhynian fortress triangle, the other two points being Dubno and Rowno, the latter of which has never been taken for the Russians. The Austrians, it is said, have already retreated about twenty-five miles. In Southern Galicia the czar's troops have broken the Austrian line on the lower Strypa a short distance north of the Dniester river.

NEWS OF STEELTON

TO LIGHT STREETS TO REVIVE BAND BY SEPTEMBER 1 STAND PROJECT

Highspire Council Formally Accepts Agreement With Harrisburg Company

Highspire borough last evening officially joined the family of progressive towns round about Harrisburg which have gone in for the modern inter-urban lighting plan by formally approving without a single comment the new street lighting ordinance as signed by Burgess Klugh.

The ordinance authorizes the borough to contract with the Harrisburg Light and Power Company for electric service for street lighting and by its action in this respect the Highspire council followed the action of Steelton, Penbrook and Dauphin.

Of especial significance to the State and in country-wide roads movement is the decision of Highspire to go in for modern street lighting. The hustling borough, like other towns in this section not located on the proposed William Penn Highway route, is on a main artery leading to it, however, and the lighting of the streets is a highly important item.

The action of council last evening marks the end of ten years of effort to obtain street lighting for Highspire. Succeeding councils from time to time have handed down the problem as a sort of heritage and Burgess Klugh has again and again to secure this much needed improvement. With the present council to assist, aided especially by President I. J. Hoffmeister, the measure was finally passed.

Following the approval of the ordinance it was referred to the printing committee, which will arrange for the usual newspaper publication. Ten days' advertising will be necessary, after which the contract will be submitted to the Public Service Commission for approval.

Buy Road Roller By September 1 Highspire's streets will be lighted with electricity.

In addition to finally settling the street lighting problem it was decided to buy a road roller and scraper for the shapening up of the road to the east of town, the section which had been complained of by the motorists. This section will be oiled in co-operation with the Harrisburg Railways Company. Levi Brown was appointed by President Hoffmeister to serve on the highway committee with Chairman J. K. Wise. Council also decided to re-align the bridge street by the widening new concrete abutments and the contract will probably be let for the purpose at a special meeting to be held in the near future. At the same time applications for candidates to fill the vacancy in the borough secretaryship, lately filled by S. A. Book, will be received. Mr. Book resigned named to inspect his books and accounts in accordance with the usual custom.

STEELTON CHURCHES

Centenary United Brethren.—The Rev. A. K. Wier, 10:45, "The Finger of God," 7:30, annual children's day exercises; Sunday school, 9:30; Christian Endeavor, 6:30.

Grace United Evangelical.—The Rev. J. M. Shoop, pastor, will preach at 10:30; Sunday school, 9:15; K. L. C. E., 6:45; children's day exercises, 7:30.

First Reformed.—The Rev. C. A. Huyette, pastor. Children's day service, 10: 7:30, "Greater Works Than These."

First Presbyterian.—The Rev. C. B. Serelken, 10:55, junior sermon, "King David"; senior sermon, "The Unjust Steward"; 7:30, "Paddle Your Own Canoe"; Sunday school, 9:45; Christian Endeavor, 6:30.

St. Mark's Lutheran.—The Rev. Dr. M. P. Hocker will preach at 10:30 and 7:30; Sunday school, 2.

The choir of St. John's Lutheran Church will render the following program at to-morrow's services: Morning—Anthem, "Suffer Them to Come," Wilson; duet, "When the Mists Have Rolloed Away," Jerome, Mrs. L. B. Roth and M. R. Altman.

J. B. Martin, of Middletown, will speak before the Sunday school of Grace United Evangelical Church to-morrow morning at 9:15 o'clock.

HIGHSPIRE CHURCHES

United Brethren.—The Rev. H. F. Rhoad, 10:45, "Should Children Attend Preaching Service?"; Sunday school, 9:30; Y. P. S. C. E., 7:30; the Sunday school will present a children's day program at 6.

Will Ask Council to Order Work Started at an Early Date; Sites Suggested

Steelton's borough council at its next meeting will likely be urged to authorize erection of the proposed municipal bandstand.

This project has been under consideration for several years and \$675 was appropriated in last year's budget for the work. A difference of opinion arose, however, as to the proper location and council has held off issuance of orders to go ahead until sentiment crystallized in favor of some one place.

Warren H. Manning, who designed Kelker park, has suggested that the stand be erected in the center of a beautiful natural amphitheater in the park and the steel company lawn in front street has been suggested.

Church Pledges Larger Sum Than Needed For Debt

Pledges to pay the debt of Centenary United Brethren Church now amount to more than the incumbrance itself. When the new Sunday school room addition was completed it was found that the church debt amounted to a little over \$14,000. It was decided to pay this in three yearly instalments. Pledges were made and \$5,159 was volunteered for the first year. This period has just closed and \$5,700 has been paid. Pledges for the second instalment of \$5,000 will be taken Sunday, June 18.

To Erect Office.—Work has been started on erection of a one-story brick office building near the merchant mill department at the steel plant.

James Is Honored.—Ernest James, graduate of the Steelton high school, class of 1909, completed his studies and received a diploma at Lincoln University this week. He was president of his college class. Among the local people who attended the commencement exercises were Vernon James, John Fields, Frank Broadus, Miss Susie Beckwith, Miss Eva Brandt, Miss Susie Crampton and Miss Ethel Fields.

Reese Resigns.—I. W. Reese, assistant miller mechanic at the West End mill, has resigned to become superintendent of millwrights with the Midvale Steel Company, Philadelphia.

Salesmen Form Partnership.—R. W. Reed and Henry L. Lichtenhouse, both of Harrisburg, have resigned as salesmen for the Pennsylvania Steel Company and formed a partnership. They will open offices in the Commercial Trust Building in Philadelphia, where they will handle the product of several manufacturing companies.

To Tour West.—Mr. and Mrs. Mark Petrasic and son Anthony, 849 South Second street, have gone on an extended tour of the West. They will visit their daughter, the Venerable Sister M. Regina, and friends at Lorain, Ohio, and later visit Chicago, Waukegon, Ill., returning by way of the Great Lakes and Buffalo.

HIGHSPIRE

Bible Class Meets.—The Woman's Bible class of St. Peter's Lutheran Church, taught by St. A. Brehm, met at the home of the teacher, Cumbler's Heights, Thursday evening. After the regular business and election of officers refreshments were served.

Alumni to Banquet.—The twelfth annual banquet of the Alumni Association of the Highspire High school will be held in the high school building, Tuesday evening. The business meeting will begin at 7:30 o'clock; the entertainment at 8 o'clock, and the banquet at 9:30 o'clock.

Bury Small Child.—The funeral of Gertrude May Murray, daughter of Mr. and Mrs. Elmer Murray, who died at the home of her grandparents, Mr. and Mrs. Benjamin Groover, Race street, was held yesterday afternoon at 2 o'clock at the house. The Rev. H. F. Rhoad, of the United Brethren Church, officiated. Burial was made in the Highspire Cemetery.

OBERLIN

Elect Cemetery Officials; Plan Perpetual Care Fund

At the annual meeting of the cemetery board the following officers were elected: H. W. Jones, president; Charles Bashore, secretary; G. A. Stangle, treasurer. William Smeltzer, president from Oberlin include the Rev. and Mrs. H. F. Kleffer, Mr. and Mrs. Harry Eshenauer, George Bressler, Mr. and Mrs. George Grunden and son Harry, Mrs. Charles Greenawalt, Mrs. Harry Dengler, Mrs. Warren Bishop, Miss Bertha Eby and John Bittinger.

OBERLIN PERSONALS Mrs. John Bennett left yesterday for Hummelstown to attend a house party given by her aunt, Mrs. Cyrus Miller. Mrs. Joseph Janson, Jr., of Highland street, left to-day for Homestead where she will visit her parents for several weeks.

Miss Alice Schoop is spending a few days with relatives at Elizabethtown. Mrs. Essie Kline, of Harrisburg, is visiting her sister, Mrs. Edwin Cassell, Main street.

Miss Minnie Delmer, of Hummelstown, visited with Mrs. George Shaffer this week.

OBERLIN CHURCHES

Salem Lutheran.—The Rev. Daniel E. Puppely, 10:30, "Embued With Power"; 7:30, "Sowing and Reaping"; Sunday school, 9:30; C. E., 6:30.

Observe the CORDS!

SILVERTOWN Cord Tires have no Threads in them! Nor have they the 5 to 7 layers (of Threads) as used in other so-called "Cord" Tires, and in the Palmer-Web Tires we abandoned making in 1913. They have CORDS only,—giant Cords (as shown in picture herewith) and only two layers of these, with a layer of Rubber between to prevent friction.

Each one of these two CORDS is strong enough to lift a Man's weight. It is the enormous Strength of these flat, rubber-impregnated, CORDS,—firmly anchored, with equal tension on every inch,—that gives to Silvertown Cord Tires their unequalled Endurance. Witness the recent Mulford achievement of driving more than 1500 Miles, at 76 Miles per hour average, without changing a Tire. Witness the winning of every important high-speed, or long-distance, Race during the past two years on Silvertown Cord Tires.

SUCH is the marvellous Resilience of these Two-layer (Silvertown) CORD Tires that a Car will coast 25% to 30% further on them, down a slight road incline, than would the same Car on the best Fabric Tires made. This easily-proven fact indicates why the same Motor-power drives the same Car 17% faster than that Car could be driven on the best Fabric Tires.

It also supplies a key to the 25% saving on Gasolene, per mile, which results from the use of Silvertown CORD Tires. But it does not, so clearly, explain the wonderful smoothness of riding on Silvertown Tires,—that luxurious sense of gliding over the ground instead of "driving" over it. This is probably the highest attribute of the Silvertown Cord Tire—that which is most valued by the critical Car-Owner.

SILVERTOWN Cord Tires, are made with Silvertown "Safety-Tread" and with Silvertown "Rib-Tread" (shown in Tire picture) as well. Made in "Straight-side" Type as well as in "Clincher" Type. No Tires on earth average LARGER for their Size and Type. The Silvertown 36x4 1/2 Tire contains 1240 Cubic Inches of Air-space. The nearest Thread (or so-called "Cord") 36x4 1/2 inch Tire found on the Market, after a diligent Search, has only 1191 Cubic Inches, for same Straight-side Type and Size.

THE original Silvertown Rib-Tread being now closely copied by Makers of other Tires, we have identified the genuine Silvertowns with a small and slightly Trade-Mark. That Trade-Mark is a double-diamond of red rubber, on each Tire, as pictured on upper part of Tire herewith (and as spacers between paragraphs of this Advt.). By this, and their aristocratic appearance, shall you know them. Silvertowns can now be had through all Goodrich Dealers and Branches. Made solely by The B. F. Goodrich Co., of Akron, O.

Table listing cars equipped with Silvertown Cord Tires: GASOLINE CARS (FRANKLIN, LOCOMOBILE, MCFARLAN, NORDYKE & MARMON), OWEN MAGNETIC, PEUGEOT, PIERCE-ARROW, SIMPLEX, STANLEY (Touring), STUTZ (Bull-dog), WHITE, ELECTRIC CARS (ANDERSON, BAKER, ELECTRIC), RAUCH & LANG, OHIO ELECTRIC.

GOODRICH TIRES FOR SALE BY HARRISBURG TIRE REPAIR CO. 131 South Third Street HOWARD DE HART

TRANSFERT SUNK; FRENCH LOSING and although prompt help was rendered by the other ships it is believed half the troops on board have perished. The exact loss has not yet been established.

Petrograd, June 10. — The War Office announced to-day that continuing their successes in Volhynia and Galicia the Russians have captured 97 officers and 5,500 men, in addition to the total previously announced. Eleven more cannon have been taken.

Berlin, June 10. — The French have been driven out of several positions northeast of Verdun in the course of stubborn fighting, the War Office announced to-day. South of Fort Vaux a French field work was stormed and more than 500 prisoners and 22 machine guns were taken.

Paris, June 10. — Violent artillery fighting was in progress on the Verdun front last night in the vicinity of Avocourt, Thiaumont and the Chapire and Fumin woods. There were no infantry attacks.

London, June 10. — The British cruiser Hampshire on which Field Marshal Earl Kitchener and members of his staff were lost was sunk as the result of striking a mine, it was officially announced this afternoon. All hope has been abandoned for all save the 12 men from the Hampshire who were washed ashore on a raft, the statement says.

Washington, June 10.—Ambassador Gerard at Berlin cabled the State Department to-day admitting the authenticity of an interview with him

on peace published by a Munich newspaper two weeks ago, but denouncing as spurious a somewhat similar statement credited to him by the Berlin Evening National Zeitung June 3.

The Coal Situation The coal situation is such that you ought to give the matter immediate attention. Instead of the usual price reductions of former years, it has been necessary to impose a slight increase already, to be followed by another increase in a few months. There's money to be saved by ordering your winter supply NOW—and better coal to be had by specifying Montgomery's.
