

HUGHES ALLIANCE REVIVED TO HELP G. O. P. CANDIDATE

Old Independent Organization in New York Reforms After Nominee's Visit

CONFERS WITH LEADERS

Plans Started For Campaign; Personal Headquarters to Be Opened

By Associated Press. New York, June 12.—The first organized political move in the furtherance of the campaign for the election of Charles E. Hughes was announced to-day upon the arrival of the Republican candidate here from Washington. It was the revival of the Hughes alliance, an organization of Republicans, Democrats and independent voters which came into existence during the second campaign of Mr. Hughes for Governor of New York in 1908.

Wickersham Calls. There was a procession of local Republicans and Mr. Hughes spent the forenoon in receiving them.

Efforts to read significance into a consultation here between Wickersham and Mr. Hughes had any significance at all. While Mr. Wickersham's conference with the candidate, which was held soon after Mr. Hughes' arrival here from Washington, deeply interested politicians, nothing was allowed to leak out as to the nature of their discussion.

No T. R. Mission. I have no expectation of seeing Colonel Roosevelt and no mission to see him," said Mr. Wickersham after emerging from a 35-minute talk with Mr. Hughes. "You entirely mistake the object of my visit. I have had no political relations with Mr. Hughes on this occasion. I am heartily and enthusiastically supporting him, of course. I think that the Progressives will give him their support and I do not expect Colonel Roosevelt to head a third ticket. But that is only guess work on my part."

Others of many who called upon Mr. Hughes during the forenoon included Henry W. Taft, brother of the former President, United States Senator H. F. Lippitt, of Rhode Island, and William Cary Smetter, former assistant secretary of war under Roosevelt.

Later newspapermen sent in to Mr. Hughes a request for a statement as to his position "in regard to the virtual endorsement of the German-American Alliance." The written reply, brought back by one of his advisers, was:

"Mr. Hughes sees no reason at this time to add to his telegrams to the convention."

The bearer of the message pointed out that the telegram had announced Mr. Hughes' stand for "thorough-going Americanism."

Duty Supreme. Mr. Hughes received newspapermen during the forenoon but declined to discuss his plans. He was asked how it felt to be "drafted for the biggest job in the world."

"I can only say," he replied, "there

CENTRAL JUNIORS AND SENIORS EAT 3,600 SANDWICHES AT PICNIC AT HERSHEY

More than 200 members of the Junior and Senior classes of the Central High School buried the hatchet of the little fuss on Friday and journeyed to Hershey for a big outing Saturday, the Juniors acting as hosts to the Seniors.

Dancing, band concerts, baseball games, contests and everything possible for a good time had been arranged for, even to the providing of 3,600 sandwiches for the hungry students' lunch. Several tired Juniors told about that on Friday afternoon, after preparing the lunch baskets.

The Junior boys won the baseball game from the Seniors during the afternoon, and in the evening a band concert and vaudeville exhibition ended the outing. The students left the morning at 8:30, returning at 10:15 o'clock in the evening.

One of the fun provoking events of the day was the announcement that several boys had baked some of the cakes, but the students declared that they noticed no difference and by a unanimous vote declared that all of the cakes passed the test. Two buckets of olives and pickles, two bunches of bananas, potato chips and cakes were included on the menu.
