De Palma Loses Lead When Engine Goes Bad; One Minor Accident

Chicago, June 12. - Dario Resta yesterday won the second annual 300-mile automobile derby at the Speedway here. Ralph de Palma was sec-

mile automobile derby at the Speedway here. Raiph de Palma was second, nearly a lap behind the leader. Resta's time was 3 hours 2 minutes and 31 seconds, an average of 98.7 miles an hour. Christiaens was third, Vail fourth and O'Donnell fifth.

De Palma and Resta raced neck and neck throughout the contest, but two laps before the end De Palma developed engine trouble and was forced to go to the pits, losing his lead. During the last 100 miles of the race, up to the time that De Palma's engine failed him, he and Resta raced almost within reach of each other, first one and then the other taking the lead. Only one minor accident marred the race. Just before the end of the contest, as Galvin was taking a curve at high speed his car skidded, swung about and rolled into the fence on the inner side of the track. Both Galvin and his mechanician were thrown out but neither suffered serious injury.

Twenty-one cars faced the starter. Several other cars had qualified, but were withdrawn, their backers saying that they would not countenance Sunday racing. Ralph Mulford also withhere, but offered his car to Rickenbacher, who drove it in yesterday's race.

Schedule Calls For Forty-two Battles at Island Park Subject to Revision

With the official approval of the transfer of the Troy franchise to Harrisburg will come a revision of the New York State League schedule. The most important changes will probably be in the games scheduled for July 4 According to the original dates, Troy and Albany alternate on July 4. This is impossible with the transfer. If Manager Cockill can convince the Albany backers that Harrisburg will draw the largest crowd with a double-header on July 4, the games will be scheduled here.

A little bit late, but a certainty, is the announcement that Harrisburg is to have a New York State League baseball franchise. If the good name of Harrisburg as a baseball town is to be maintained, according to the general belief, local fans will have to keep busy. The first opportunity offered to them to get on the job came to-day in the placing on sale of coupon books. The greater the sale, the stronger will come the assurance that Harrisburg is at last in a league where it belongs.

Throughout the city unusual enthusiasm is being shown over the prospects for fast baseball during the balance of the season. Manager Cockill has given his word that he will strengthen the Troy team and be up in the race in the near future. Local fans know he always keeps his word. Another assurance that the new game is a good thing is shown in the fact that both George Cockill and Walter Blair have taken half interest in the new team. new team. Halifax trimmed Marysville in the

Halifax trimmed Marysville in the Dauphin-Perry League series on Saturday. The visitors played a faultless game and hit the ball at the right time. Biever was a big factor, fanning 13 men and allowing but 3 hits. He also hit the ball and fielded his position in fine style. Ryan, at second base, was a fielding star.

The Globe Right Posture baseball league is in the field and will play a series of thirty-six games. John G.Och, manager of the boys' clothing department at the Globe store, is president. There will be five clubs, including the Blues, Reds and Grays, of the Posture aggregation, and the Arrow A. C. and Harrisburg Juniors. Each team has been uniformed and games will start this week. Most of the games will start this week and on Friday afternoons when the stores inaugurate the half-holiday season.

### From Bunker to Bunker

Good old Number 7 on the Reservoir course is "getting goats" with the same frequency as in former years. Many a man is said to have traced his loss of religion to "Shorty."

We have yet to discover "a bug" more keen on golf than is Warwick Ogelsby, whose ever present figure on the links of the Colonial Country Club is rapidly becoming one of the landmarks of that institution. His latest acquisition is an attachment to his bag whereby he can place it on the earth and immediately two wings fly out and act as braces like the feet of an umbrella rack. It looks as though Mr. Ogelsby were a believer in comfort first.

Rumor hath it that this same golfist uses a special pair of glasses that anable him to concentrate on the ball and see nothing else. On hearing this it occurred to us that someone might make a mint of money by inventing a pair of magnifying glasses that would enlarge the ball to the size of a white 16-pound shot, after which the request to "keep your eye on the ball" would be unnnecessary, for to do anything else were a physical impossibility.

Former Governor John K. Tener played a couple rounds at the Harrisburg Country Club on Saturday with Sam Todd and seemed to be in pretty good form. He declared that he had given up his wooden sticks and found that he could get just as long a drive with his irons. We believe him, judging from results.

"The executive committee of the Harrisburg Park Golf Club extends a hearty invitation to every golfer in Harrisburg to enter the annual competition for the chamvionship of Harrisburg and hopes that the best players of the country clubs will compete so the winner may be the real champion of this district." Such a cordial invitation will undoubtedly prove a bristling challenge to the pill-chasers of the two clubs and should find a ready response. The tournament started today.

Summer tournaments are getting under way rapidly. The qualifying play for the annual summer match play at the Colonial Club started on Saturday. Cups will be given to the winners of each sixteen and each

Cleveland, Ohio, June 12.—Eddie Mahan, Harvard's crack varsity pitcher, is an amateur, but he has the professional attitude, if what comes from Boston is t.ue.

According to the story, a "representative of Mahan" approached Lee fool, and asked what bonus he would give Mahan for signing a contract.

Pitcher Winters, of the Rosewood A. C., has one of the best records of any twirler in Harrisburg. He has not been knocked out of the box this season. The report that the Stanley A. C. had hit him hard in a game last week was incorrect. He succeeded Hain in the box and held the Stanleys down. Winters has been picked as a comer and has been offered positions in minor leagues, but prefers to remain at home another season.

The Atlantic League may not last until July 4, according to reports. In every town the owners are selling out and quitting the game. It is understood that the businessmen of Reading who have taken over the Lawson interests are thinking seriously of getting busy with a proposition for a New York State League team.

New York, June 12.—Benny Leonard, the lightweight idol of Manhattan, must make good his boast that he can knock out Johnny Dundee, when these young ring gladiators meet at Madison Square Garden to-night. Ever since their last meeting, Leonard has been claiming that the next time he meets the "Scotch-Wop," he can call the round in which he will deliver the sleep wallop. To the layman, whose opinion is unbiased, it looks as if Leonard is imbued with a little too much confidence.
