JOSEPH DIXON CRUCIELE CO. Jerne y City, N. J. Established 1827

Mannager Cockill was busy last night looking up records of players who are anxious to come to Harris-burg. It is probable that Euker, the West End shortstop who made good in the State League and has been picked as a comer will be signed. There will be changes made at first base and in the outfield. As soon as he received word to-day from Presi-dent Farrell regarding the schedule he will announce his plans for Thurs-day.

FEDS WIN FIRST GAME

The Federals of the Lucknow Shop League landed a victory yesterday, de-feating the Smith Shop, score 5 to 4. It was the first victory for the Feds. Robb pitched a good game and re-ceived gilt-edge support in pinches. Gilday was given ragged support. The score by innings:

Hill-hesitation is galling to your average driver. His sporting-blood boils when a 1910-Complex flivs past on the first long pull with apparent ease and matter-of-factness. Invariably he bawls-out his motor and labels it "a cheese." But-ten-to-one, the motor itself is guiltless. The real cause is faulty lubrication.

If your car does the hesitation on the grades, look first to the oil you are using.

The Atlantic Refining Company, the oldest and largest manufacturers of lubricating oils in the world, have produced a group of four motor oils that answer *every* lubrication question, under any and all driving conditions.

Polarine, the leader of the group, is *the* correct lubricant for 8 out of 10 cars. The alternatives are Atlantic "Light," Atlantic "Medium" and Atlantic "Heavy."

PHILADELPHIA

At least one of these four is the exact oil for your particular motor. Your garageman will advise you which to use to get 100-percent results.

Atlantic Motor Oils bear the same relation to lubrication that Atlantic Gasoline—the accepted standard—bears to fuel.

Advise with your garageman at once on this matter of motor oils. His long experience with Atlantic products and all kinds of cars will prove valuable to you.

PITTSBURGH

Read up on this subject. We have published a handsome and comprehensive book about lubrication. It is free. Ask your garage for it. If they cannot supply you, drop us a postal and the book will be sent you without charge.
