Conquers Rheumatism in a Very Few Days

It is an established fact that one-half teaspoonful of Rheuma taken once a day has driven the pain and agony from thousands of racked, crippled and dispairing rheumatics during the last five years.

Powerful and sure; quick acting, yet harmless; Rheuma gives blessed relief almost at once. The magic name has reached every hamlet in the land and there is not a druggist anywhere who, cannot tell you—if he will—of almost marvelous cures.

If you are fortured with rheumatism or sciatica, you can get two bottles of Rheuma from H. C. Kennedy or any druggist for not more than \$1.00, with the understanding that if it does not drive rheumatic poisons from your system—money back. — Advertisement.
