

OF INTEREST TO THE WOMEN

THE STRUGGLES OF A WIFE

By Virginia Terhune Van de Water

CHAPTER XLIV. Copyright, 1916, by Star Co. Inwardly Grace Webb was calling herself an envious wretch as she made a rapid mental inventory of the costume of the girl hurrying down the steps at the foot of which Dayton stood.

"Please, Mr. Dayton," she said, "don't feel that you must try to talk to me. I am perfectly comfortable back here and am enjoying everything. I don't know much about automobiles, but I do know that a driver cannot enjoy running his car while he has a twist in his neck to be polite to somebody behind him."

To You Who Wait Your Baby's Coming

Have you stored your scented boxes with clothes of dainty charm? Have you stored your mind with the wisdom that mothers need? Have you learned about the bathing and the regular feeding—most of all—about the food? Fortunate your baby if you can nurse him. Learn this now (you will prove it after the baby comes). If you can't nurse your baby—he must have something so near your own milk he won't feel the difference. Give him

Nestlé's Food (A Complete Food—Not a Milk Modifier). There are so many reasons why cow's milk is not best. So many dairies are dirty—so many cows are sick—so many thousands of babies get summer complaint and even diphtheria from cow's milk.

WHY SUFFER WITH BACKACHE, KIDNEYS OR RHEUMATISM NOW?

Letter Tells of Long Looked-for Prescription. Dear Readers—I am making a personal appeal to those of you who are bothered with kidney and bladder trouble, that you give me the use of harsh salts or alcoholic kidney medicines and in their place take a short treatment of "Anuric." I have taken many of Dr. Pierce's medicines for the past twenty-five years with good results. I suffered with kidney trouble for some years. I recently heard of the newest discovery of Doctor Pierce, namely, his "Anuric" Kidney Tablets. After taking same I am completely cured of my kidney trouble. I recommend, heartily, all sufferers to Dr. Pierce, for what he has done for me cannot be estimated too highly. A doctor pronounced me a well preserved woman for my age, all due, I believe, to Dr. Pierce's medical aid.
