## CHOCOLATE BROWN FOR AUTOS' TAGS

Selection Made For 1917 Because of the Shortage of Other Dye-stuffs

Chocolate brown has been selected by the State Highway Department as the color for the 1917 automobile license tags and the same size and style of plate will be used as last year, the figures being in white. The contract will be let within a few weeks, bids having been asked to-day.

The selection of this brown was made here to-day by officials of the State Game Commission in conference with representatives of various agricultural organizations to bring about the vigorous enforcement of the dog license act. The representatives of the organizations asked Dr. Joseph Kalbfus, secretary of the Game Commission, to assist in ridding county districts of unlicensed dogs. Dr. Kalbfus pointed out that the law required the county commissioners to take care of the destruction of dogs in which no tax has been paid and if they did not act the State would bring suit. The game wardens will help where they can but they are not bound by law. Conditions in some western counties where there are many sheep were reported as growing serious for farmers. The agricultural representatives also arranged to have a central office in this city at which meetings will be held and various activities outlined.

**Quarantine.**—The State Livestock Sanitary Board heard reports at its meeting last night and issued a statement that there were but three quarantines for rabies in the State. The attending veterinarians considered are attending the Hogestown show to-day.

**To Study Problem.**—The State Board of Charities last night concluded its conference with the Governor regarding the care of insane now in county hospitals in State institutions. The problem is to be studied further as follows: The moving of hundreds and an expenditure of about \$20,000,000. The Board will report to the next Legislature some plan for the transfer from county to State care. Numerous proposals considered among them for buildings at Wernersville and Norristown. Thirty reports on conditions in county institutions were received, showing that in most cases conditions were corrected when attention was called to them. Dauphin county was given praise for the improvement of conditions at the prison and Adams and Cumberland reported as bettering jails.

**No Meeting.**—No meeting of the State Agricultural Commission was held at Harrisburg to-day. Members may meet here next week.

**Upper End Electric Companies.**—The charters issued yesterday for electric companies for the upper end of the State were: York and Adams Electric, York and Adams Electric and Killinger Electric of Halifax township, for Dauphin county, and Adams Electric and Hubley Township Electric of York county. The capital of each is \$5,000, the offices at Tower City and the incorporators are George Schoffstall, John P. Fries, W. N. Snyder, and Harper T. Bressler, of Tower City.

**Went to Erie.**—Adjutant General Stewart left to-day for Erie to attend a meeting of the officers of the Soldiers' and Sailors' Home.

**Former Dauphin Man Here.**—Frank D. Buser, formerly of Hummelstown, now of Philadelphia, was here to-day on business at the executive department.

**Big Payment.**—The county treasurer of Allegheny county to-day paid the State \$318,751.19 as liquor licenses belonging to the county.

**Commission to Meet.**—The commission in charge of recording of deeds will meet within a few days at Philadelphia. It will report to the next Legislature.

**Commission Adjourns.**—The Public Service Commission adjourned its Wilkes-Barre hearing last night. The members will meet here next week. An inspection is to be made in Bethlehem.

**No Appointments.**—None of the major places was filled by the Governor to-day. He said he was still content with the suggestion. Appointment of Pittsburgh as lieutenant of Troop A, is expected to be made by noon to-morrow.

**Appointed Lieutenant.**—The State to-day appointed William C. Price, late first sergeant of Troop A, as lieutenant of Troop B, Wyoming. An examination was held to-day for sixteen vacancies.

**Grazing Charter Up.**—The application for the charter of the Gratz Water Company is listed for hearing by the Public Service commission next week.

**Trustees Named.**—Gov. Brumbaugh to-day appointed the following boards of trustees for mothers' pension funds: Mercer county — Mrs. S. T. Dean, Greenville; Mrs. P. M. Butler, Mercer; Mrs. J. D. Dennison, Jamestown; Mrs. W. C. Cray, Sandy Lake; Mrs. Geo. Stevens, Miss Helen Adams, Shavon; Mrs. Harry K. Daugherty, Grove City, Butler county — Mrs. T. C. Campbell, Mrs. J. H. Troutman, Mrs. J. M. Galbreath, Mrs. William R. Turner, Butler; Mrs. W. J. Jamison, Cherry Valley; Mrs. J. E. Stoops, Slippery Rock; Miss Margaret Irwin, Evans City.

## Bridal Couple Paves Way For Capture of Col. Lujan, Prominent Villa Chief

Field Headquarters, June 14, via Radio to Columbus, N. H., June 15. — Colonel Pedro Lujan, one of the most prominent Villa chieftains remaining alive, was captured yesterday by Captain F. G. Turner, commanding Troop M, Thirteenth Cavalry, at Hacienda Tepahaknes. Lujan was one of the leaders in the raid on Columbus, N. M., March 9. His capture nearly completes the extermination of the Villa leaders in the raid across the border.

A bridal couple, straying into headquarters camp on a honeymoon, revealed the hiding place of Lujan, who was slain. Before daybreak Captain Turner and his troop rode into Hacienda Tepahaknes and found Lujan.

The chieftain denied his identity, declaring he was a poor peon. He had almost convinced the Americans when they caught sight of a gold tooth and he protested. He was brought here a prisoner and subsequently admitted his identity.

Alamo Antevies, a former Carranza lieutenant, who turned bandit and rallied a gang of followers with promises of money, is dead, slain by one of his two remaining followers in a quarrel over a woman.

## TWO SOLDIERS SHOT IN BANDIT FIGHT

an hour the Mexicans were in retreat, but not until they had killed two American troops and wounded seven. From the brush in the country about the camp there were recovered early to-day the bodies of six Mexicans. Seven dead horses also were found. The water-soaked clothing of the dead Mexicans was reported as indicating that they had crossed the river from Mexico. At the time the official report was made by Major Gray he had not ascertained the name of the Mexican leader nor any information that showed from where they came or to just what organization they belonged.

Major Gray, with two troops of the Fourteenth Cavalry, began the pursuit of the band and it was assumed at General Funston's headquarters that he had already followed or would follow the bandits into Mexico.

## Zapata Stronghold Is Taken by Regulars After Hard Fight of Two Days

Mexico City, June 15.—Tlaltizaplan, State of Morelos, which for a long time has been the headquarters for Elliano Zapata, was captured by constitutionalists under General Pablo Gonzales after 48 hours of severe fighting according to a dispatch received at the War Department yesterday. The followers of Zapata escaped into the mountains.

## Flatly Decline to Order U. S. Soldiers From Mexico Until Power Is Proved

Washington, D. C., June 15.—Secretary Lansing flatly before President Wilson to-day the completed draft of a note to General Carranza replying to the demand that American troops be withdrawn from Mexico. The President and Mr. Lansing conferred at length on the situation.

Unless some new development forces the situation, the reply will not be sent until next week at the earliest. President Wilson and his advisers are anxious to deal with the Carranza note in such fashion that action cannot be attributed to Democratic politics.

## Makes Sharp Rejoinder

As prepared by Secretary Lansing it is understood the note flatly declines to withdraw American troops from Mexico until the de facto government has shown both its willingness and its ability to police border states properly. Carranza questioned the good faith of the Washington administration and openly hinted that President Wilson had his eyes on the American political situation in dealing with the situation beyond the border.

Carranza's request for a new statement of the intentions of the United States toward Mexico probably will be complied with. It is understood, however, that the declaration will be so framed that the de facto government can have no doubt that the United States government regards such a request as wholly unnecessary in view of the consistency of all previous utterances of President Wilson, the acts of his administration and the behavior of the troops now beyond the border. It will be pointed out that the friendly spirit constantly has been manifested toward Mexico and Carranza will be told that failure of Mexican and the American troops to co-operate for the extermination of bandits was due to the hostility and suspicion exhibited by the Mexicans.

## FIVE DROWN WHEN STEAMER HITS ROCK

(Continued From First Page)

have come ashore, one boat is reported trying to land and the remainder of the 182 passengers and crew are said to be aboard the tug Relief.

The order to abandon ship was given at midnight and all on board got away safely. The steamer went ashore during a thick fog, but the sea was reported smooth and assistance from Eureka, fifteen miles away, made all haste to the shipwrecked company.

The battleship Oregon, bound from the Bremerton navy yard for San Francisco, picked up the Bear's wireless call for assistance at 10.25 p. m. and headed at once full speed to the vessel's aid. The life saving station at Eureka, fifteen miles north of the scene of the wreck, started out a power lifeboat at 10.30 and at midnight the tug Relief left for the scene of the wreck.

A radio message received early to-day reported that Captain L. N. Nopander, master of the Bear, had ordered the ship abandoned about midnight and that all lifeboats had got safely away from the ship and were waiting in smooth water the arrival of the rescue boats, which, in addition to the battleship Oregon, the Eureka lifeboat and the tug Relief, included the steamer Grace Dollar.

The Bear has a cargo of 2,700 tons.
