

RAIN KEEPS COCKILL'S CREW IDLE ANOTHER DAY---DILLON IS BIG ATTRACTION

DILLON DRAWS RECORD CROWDS

An Army of Fight Fans Watch Him Train For Bout With Frank Moran

Special to the Telegraph
New York, June 21. — Jack Dillon is hanging up an attendance record which looks as if it would stand for many a day. The figures are for attendance at his daily training camp. Dillon is working for his June 29 match with Frank Moran in the same arena where the big scrap is going to take place, at Washington Park. There is a free gate to witness his training, and up to date there have been between 5,000 and 10,000 people turning out to look over the man whom many fans believe will be the next heavyweight champion. On Sunday there were very close to 10,000 in the grandstand when Dillon hopped into the ring to wade through his sparring partners.
It begins to look as if the receipts for the Dillon-Moran muss are going to crowd the Willard-Moran figures pretty closely. The ringside tickets were put on sale on Saturday last, and the demand was tremendous, considering the fact that the contest is still two weeks off. Ticket headquarters were opened in five different places, the box office at Madison Square Garden and the one at Washington Park being the principal ones. The grandstand box seats and the reserved seats in the grandstand will be placed on sale the middle of next week.
With the exception of 2,500 seats in the bleachers, every seat in the gigantic arena will be reserved, and the management of the contest is giving such and every seatholder a guarantee that he will get the seat which his ticket calls for.

Baseball Summary; Where Teams Play Today

WHERE THEY PLAY TODAY

New York State League
Harrisburg at Syracuse.
Elmira at Wilkes-Barre.
Albany at Utica.
Binghamton at Scranton.

American League
Washington at Philadelphia, 2 games.
Cleveland at Detroit.
New York at Boston.
Chicago at St. Louis.

National League
Philadelphia at Brooklyn.
St. Louis at Pittsburgh.
Boston at New York.
Cincinnati at Chicago.

WHERE THEY PLAY TOMORROW

New York State League
Harrisburg at Syracuse.
Elmira at Wilkes-Barre.
Albany at Utica.
Binghamton at Scranton.

American League
Washington at Philadelphia.
New York at Boston.
Cleveland at Detroit.
Chicago at St. Louis.

National League
Philadelphia at Brooklyn.
Boston at New York.
St. Louis at Pittsburgh.
Cincinnati at Chicago.

RAIN KEEPS HARRISBURG IDLE; OPEN WITH SYRACUSE TODAY

Acting Manager Walter Blair Hands Pink Slip to Four Players; Two Double-Header

Harrisburg was idle yesterday. Same old trouble, too much water. To-day Cockill's crew tackles Mike O'Neill's Syracuse for three games. Acting for George Cockill, manager of the Harrisburg team yesterday, Walter Blair announced that he had released Pitchers Clermont, Fullerton and Nugent and Catcher Ingalls, former members of the Harrisburg team.
Blair is now in charge of the club and will remain on duty until next week, when the club returns to Harrisburg. The released players will be sent to take place in the next few days. His place is to be taken by Harrison, now playing short. Cockill is out angling now for another infielder and outfielder, while Blair and Wheat will do the catching.
Two doubleheaders were played in the league yesterday. Scranton took both games from Elmira, scores 6 to 4, and 7 to 2. Home runs by Zinn and Roche brought the answer. In the second game the Miners drove Wilhelm to cover.
"Red" Calhoun's "Bingoes" walloped the Barons twice. The first game was 3 to 2 argument, timely hits bringing the result. Errors were factors in the second victory, score 3 to 1. Both teams were even in hitting honors.

Star Batsman of Leading Brooklyns

JAKE DAUBERT

Jake Daubert, the sterling first baseman, is doing more than his share toward keeping the Superbas in the lead of the National League pennant race. The latest batting averages show Daubert at the head of the list with a percentage of .346. He participated in 44 games, making 62 hits and 27 runs. Brooklyn fans regard Daubert as the greatest first batsman in the major leagues, and Jake is living up to his reputation at present.

CHAPTER 74
"Bleached Flour" Which Most People Have Never Heard of, Is Notwithstanding the General Ignorance Concerning Its Existence, to Be Found in Large Quantities in Every City in the United States—Thousands of Barrels of Low Grade Flour, Bleached to an Ashen Pallor, Are Milled in the United States Every Day—Where Boiling and Sifting Fail to Make Denatured Flour as White as It Ought to Be Nitrogen Peroxide Is Called Upon to Finish the Job.
Most of the large cities and nearly all of the small towns of the United States are using bleached flour. The millers of the middle west are dumping low grade bleached products into bakeries in carload lots. Scarcely a day passes in which the chief inspectors of the New York Produce Exchange is not called upon to examine bleached flour. Even the housewife can detect this fraud if she so desires.
The baker who uses bleached flour knows what he is buying at a cheap price for the reason that the barrel in which it reaches him is labelled accordingly to its contents, although he is not required by law to label his bread and cake in the same way.
The federal pure food label on bulk packages is intended only as an index of wholesale values for the benefit of the miller or merchant. It does not follow the manipulated foodstuff into the hands of the consumer. Hence the consumer knows nothing of the vast system of fraud which ends when the packages are finally delivered to the cellar or subcellar of the food factory, or deposited in a public warehouse subject to the food factory's orders.
The test for bleached flour is a simple one and a rather pretty experiment. Take a handful of the suspected flour. Pat it into the form of a little mound or pyramid, placed on a marble slab or wooden table. With the thumb depress the top of the mound, thus forming a cup or well about the size of a thimble. Into this well pour a teaspoonful of a mixture purchasable at any wholesale drugstore under the name of the Gries-Hawley Reagent. This reagent is a mixture of equal parts of sulphuric acid and alpha naphthylamine. Both these substances can be purchased in any city drugstore.
Let the reagent stand in the well in the mound of flour for from ten to twenty minutes. If the flour has been bleached the reagent will be colored pink. If the flour has not been bleached there will be no discoloration.
Under the existing sanitary codes of most American cities there is no provision which enables the health department of most communities to proceed against the thousands of carloads of bleached flour which the middle western millers are now unloading upon the public.
The government, which has failed to prevent the bleaching of flour for interstate commerce, needs the aid of local health departments to help it in its efforts to stamp out this base and indefensible practice.
Flour is bleached for no other purpose than to conceal inferiority by making it appear of better quality than it is. Most sanitary codes provide against the staining, coloring.
Flour is bleached for no other purpose than to conceal inferiority by making it appear of better quality than it is. Most sanitary codes provide against the staining, coloring.

WELLY'S CORNER

Reading fans are still waiting for those angels to produce the necessary cash to keep the team going until July 4. Buck Ramsey, who did not see enough for a meal ticket and went to Izzy Hoffman at Ridgeway, is on his way back to Reading. He figures that Reading is nearer Mechanicsburg than Ridgeway, and the carfare will be within easy reach should there be a blow-up.
Rain is giving Harrisburg some hard work for later in the season. Those doubleheaders will mean much to Harrisburg, once the team is in a winning stride. Efforts are still on for new players and when the team starts at home next Tuesday, there promises something fast in baseball.
Chambersburg is now only seven points away from first place in the Blue Ridge League. A victory yesterday over Martinsburg, Belinsky was a big star. He had two singles, only a winning stride. Efforts are still on for new players and when the team starts at home next Tuesday, there promises something fast in baseball.
In the Allison Hill League series the Galahads yesterday won from the Rosewood team, score 5 to 4. It was one of the best games of the series. Coughlin's timely hits brought the answer, having three safeties out of four times at the bat. Gardner of the losing team fanned nine men.
The team No. 3 of the Enola Engine House League won yesterday's game, score 6 to 1. Hoyer was hit hard in three innings. Rowland singled in the second and scored on errors, the only run by No. 1 team.
The Midway Juniors want a game for Saturday. This team has a bunch of fast boys and Manager Harry Millard, New Cumberland, will receive offers at anytime. He has his team out at practice every day and is after the championship in his class.
While a strong all star bill has been announced by Robert Gillett local announcer for the Empire Athletic Association; if possible another big feature may be added. George Chaney is willing to come to Harrisburg July 4, providing a good man is secured to fight him. Charlie Burke, of Scranton, manager for Al Murphy, wires the Telegraph as follows: "I have Al Murphy, who fought Frankie Erbe in your city and won all the way. If Murphy don't make good I don't want one cent. I also have Jimmy Conaway to box Frankie McGuire, or any other welterweight the club may get. Murphy has fought and defeated all the boys his weight in the local regions. Hope you give this letter space in your valuable paper."

Hear Roosevelt Is Sure to Back Hughes

New York, June 21.—It was learned on good authority last night that a statement for publication would be made by Colonel Roosevelt, probably on Monday, showing a decidedly friendly attitude toward Charles E. Hughes, Republican nominee for President.
While the exact nature of this statement could not be learned, it is not known whether the Colonel will pledge his support to Mr. Hughes, it is expected the statement will point to such a conclusion.
Oyster Bay, N. Y., June 21.—Sagamore Hill was the scene of another important conference yesterday, in which Colonel Roosevelt met a number of Progressive leaders, the majority of whom stayed to luncheon with him and spent nearly the entire afternoon in discussion. When they left Oyster Bay in the evening it was felt the last steps had been taken in the decision of Colonel Roosevelt to support Justice Hughes' campaign for the presidency.
The men who lunched with Roosevelt were George von L. Meyer, former Secretary of the Navy, who organized the Roosevelt Republican committee before the Chicago convention and who has come out for Hughes; Charles J. Bonaparte, former Attorney General, who was one of the conferees whom the Progressives appointed to meet a committee from the Republican convention in an effort at compromise; N. Winslow Williams, of Maryland; Joseph W. Alsop, national committeeman from Connecticut; Dr. H. Nelson Jackson, national committeeman from Vermont; and William H. Dye, national committeeman from Indiana. William Savacool, national committeeman from New Hampshire, arrived late in the afternoon.
These men are all affiliated with the conservative wing of the party and it was evident that they were in favor of giving unqualified support to Justice Hughes.

SCORELESS RAILROAD GAME

The Clerks and Smith Shop yesterday staged the first game in the Lucknow Shop League since last Tuesday, all other games being postponed on account of rain or wet grounds. The game was very interesting throughout, featured by fast fielding and good pitching, it being impossible for either team to score.
Both Gilday and Garverich pitched airtight ball, the former allowing two hits, one being a scratch infield hit and striking out three men, while the latter allowed but one hit and struck out two men. Both pitchers were accorded excellent support, there being many an error on either side.

Strawhide Party Travels by "Shoe Leather Express"

Marysville, Pa., June 21.—A party of Marysville, boys and girls took a strawhide to the home of Mr. and Mrs. Hensley, at Glenvale, on Tuesday evening. The trip was made in an automobile truck, that is the greater part of the trip was made in it, until the truck broke down and the young folks were compelled to travel via "Shoe Leather Express." Mrs. George W. Gault acted as chaperone. The party was made up of Miss Margaret Gault, Miss Louise Roush, Miss Irene Wilman, Miss Alda Gault, Miss Frances Fortenbaugh, Miss Pauline Glass, Miss Ellen Gault, Miss Anna Hammaker, Miss Mary Messinger, Miss Anna Whitmyer, Chauncey Housh, Percy White, James Roberts, Dewey Bare, William Keller, Edgar Roberts and Harvey Bratton.

Miss White Wins Title in Delaware Tennis Match

Wilmington, June 21. — Miss Suzanne White, of Baltimore, yesterday won the women's singles tennis championship of Delaware by default. Mrs. J. S. Taylor, of the Wilmington Country Club, being unable to play because of serious illness in her family.
Miss White, showing excellent sportmanship, was perfectly willing to play at Mrs. Taylor's convenience, but as the Wilmington Country Club Committee had set a certain day, date and time for the challenge round to be played, it could do nothing else than declare the challenge round won by Miss White by default.
Mrs. Taylor was the holder of the title, having won it in 1915, while Miss White earned the right to challenge her by winning the annual tournament brought to a close yesterday.

Fast Mound Argument Is Won by Lykens Crack Team

Special to the Telegraph
Tremont, June 21. — In an interesting pitchers' battle between Tremont and Lykens, yesterday, the latter won by a score of 3 to 2. It was a postponed Dauphin-Schuylkill game. The fielding and hitting of Adams and the pitching of Clough were interesting features. The score:

TREMONT

Player	R.	H.	O.	A.	E.

stands clear-as-a-whistle above national or state restrictions on the use of premiums or coupons because they have never been given with Prince Albert. To offer such inducements would mean that Prince Albert's quality would have to be reduced to meet their cost! We prefer to hand smokers quality.

One test of Prince Albert will prove this to your absolute satisfaction! It will prove that P. A. cannot bite, cannot parch! Your enjoyment of its fine flavor and coolness will be supreme! The patented process by which Prince Albert is made cuts out bite and parch!

Prince Albert came unheralded a few years ago; today it has made three men smoke pipes where one was smoked before and has given cigarette rollers a new idea of makin's joy. To meet the approval of such an army of men of varied tastes, P. A. must have everything we or its most enthusiastic admirers ever claimed for it.

And Prince Albert has all that! It rings true and real and you just adopt it for all time quick as you get that taste and aroma into your smoke appetite! Because, it answers the fondest tobacco desires you or any man ever did express!

R. J. REYNOLDS TOBACCO CO., Winston-Salem, N. C.
