Special Announcement
We invite you to visit our Pattern Department, Friday and Saturday, June 23 and 24.
Mrs. Alice R. Bellamy, special representative of the Pictorial Review Company of New York, will be here to explain the many distinctive features of Pictorial Review patterns which make them superior to all other patterns.
The patent cutting and construction guides furnished only with Pictorial Review patterns save time, labor and material in every case. They show just how to lay out the parts of the pattern on the material to cut and how to assemble the parts in completing the garment.
