with Resinol

Here is a simple, inexpensive treatment that will almost always stop dandruff and scalp itching, and keepthe hair thick, live and lustrous: At night, spread the hair apart and rub a little Resinol Ointment into the scalp gently, with the tip of the finger. Repeat this until the whole scalp has been treated. Next morning, shampoo thoroughly with Resinol Soap and hot water. Work the creamy Resinol lather well into the scalp. Rinse with gradually cooler water, the last water being cold. Resinol Soap and Resinol Ointment easily heal most skin-eruptions. Sold by all druggists. Trial free, Dept. 15-R, Resinol, Baltimore, Md.
