C. V. FIREMEN AT MIDDLETOWN

Open Fifteenth Annual Convention; Big Parade Tomorrow

The fifteenth annual convention of the Cumberland Valley Volunteer Firemen's Association was formally opened at 10 o'clock this morning in the Majestic Theater, Middletown, by President H. K. Baxter, of Shippensburg, who in a brief speech outlined the business to be transacted by the delegates and thanked them for their support and co-operation in the past.

After the opening prayer had been shown by the Rev. I. H. Albright, pastor of the First United Brethren Church, Middletown, and chaplain of the Union Hose Company, the address of welcome was delivered by John R. Geyer, of Middletown, the prominent member of the Dauphin county bar. His remarks were given the closest attention and the audience showed its appreciation by frequently interrupting him with hearty applause. As Mr. Geyer took his seat, George H. Bitner, of Chambersburg, arose to respond on behalf of the delegates and visiting firemen.

The morning session closed with an address given by Judge Eugene C. Bonniwell of the municipal courts of Philadelphia and president of the Pennsylvania State Firemen's Association.

Promptly at 2 o'clock the delegates reconvened for the purpose of hearing the reports of the various committees, the election of officers and deciding the place of next meeting. Interest centered in the fight for the presidency of the Association for which Middletown furnished three candidates, one from each of the fire companies of the borough. The men seeking the honor are Warren Scheiner of the Rescue, J. Gipe, of the Liberty and Percy M. Black, of the Union. As the trio have announced their intention of fighting it out to the end, the chances are that no selection will be made until late in the afternoon.

The vanguard of the army of more than 1200 freights which will take part in the monster parade Tuesday afternoon began arriving in Middletown this morning. They were met

at the railroad stations by the local companies whose guests they will be during the next few days and escorted to the quarters assigned them. On every hand bands were playing, flags flying and people cheering and the borough is in a fever of excitement and bustle. Saturday night, that section of Union street between Ann and Emaus streets which has been turned into veritable "white way" by the stringing of plain and colored electric light bulbs on both sides of the street, was crowded with sightseers, many of them from out-of-town. A number of former residents were also on hand and they were kept busy responding to the greetings of old friends and acquaintances.

At a meeting of the convention committee held Sunday evening final plans were made for the parade on Tuesday by Chief Marshal Maurice Cain and Chief-of-Staff, H. E. Moore. The men will form in line at the corner of Union and Emaus streets and march along the following order: Chief Marshal Maurice Cain, Chief-of-Staff, H. E. Moore and Aids Frank Overder, Frank Wagner, William Crull, Charles Barmitz, George Naus and George Welcomes; Liberty Hose Company, Cumberland Valley Volunteer Firemen's Association; veteran firemen in carriages; First division, William H. Kneis, marshal, consisting of the Liberty Fire Company and guests; New Cumberland band; Citizens Hose Company No. 1, New Cumberland; Mellwee Concert Band, Vigilant Reel and Hose Company, Boyers, W. Va.; Highspire Band, Citizens Fire Company No. 1, Highspire; Cumberland Fire Company, Carlisle, Pa.; Shippensburg Band, Cumberland Hose Company, Shippensburg, Pa.; Quincy Orphan Band, Liberty Fire Company, Middletown; Second division, Harry Welcomes, marshal, consisting of the Wayne Fire Company, Boyers, W. Va.; Waynesboro Band, A. T. Hook and Ladder Company, Waynesboro, Pa.; Goodwill Band, Goodwill Fire Company, No. 1, Harrisburg; Loyaville Orphan Band, Union Hose Company No. 1, Middletown; Union Hose Company Drill Team, Middletown; Third division, George Killian, marshal, consisting of Rescue Hose Company and guests; Municipal Band, Rely Fire Company, Harrisburg; Marietta Band, West Side Hose Company, Steelton; Helen Cornet Band, Shawnee Fire Company, Columbia, Pa.; Marysville Band, Citizens Fire Company, Harrisburg; Baldwin Hose Company, Steelton; Riverside Drum Corps, Shamrock Fire Company, Harrisburg; Rescue Band, Rescue Hose Company, of Middletown.

You Must Purify Your Blood In The Spring

Are you simply dragging your way through life, suffering tortures from some blood disease that has stolen your health, robbed you of the ability to enjoy life's pleasures, made the future a hopeless uncertainty, and left you but a shadow of your former strength, self?

If so, let us warn you to look to your blood, and you will likely find the cause of your trouble. Poisoned blood can be blamed for more disease and suffering than any other thing, and there can be no health until the life fluid, that feeds and builds up every part of the body, is made pure and free from poison.

Whether your bad blood is shown by malaria, rheumatism, catarrh, scrofula, contagious blood poison, or some other blood disease, you can be well, and again feel the bounding buoyancy of health that comes only with pure and well-nourished blood.

S. S. S. is the greatest blood remedy known. It is nature's own remedy, purely vegetable.

It goes right to the seat of the trouble, destroys the germs that feed upon the red blood corpuscles, banishes every poison, and makes rich red blood coursing through your veins.

When you take S. S. S., you are not experimenting, because S. S. S. has been the standard blood remedy for 50 years. It cures thousands of people who owe their robust health and renewed vitality to its remarkable curative powers.

Just now you need a reliable tonic. The aches and pains, the weakness, the lack of vitality, the absence of all desire to exert yourself, are your system's cry for relief from starvation and poisoned blood. Answer that cry with S. S. S., the great blood remedy that drives out contagion and brings back the blood of health.

Send for a bottle today. It will give relief. If the local druggist does not have it, write to the nearest druggist, or write to our Medical Department, Room 27, Swift Scientific Company, Atlanta, Ga.

LAY CORNERSTONE SUNDAY MORNING

Monsignor Hassett to Speak at St. Mary's Church Ceremonies

With elaborate ceremonies, the cornerstone of the new St. Mary's Croatian Catholic Church, South Second street, will be laid next Sunday. It had been planned to have the services to-morrow morning but on account of delay in making the stone, they have been postponed until next Sunday.

The Rev. Father Anthony Zuvich, the rector, is now busy completing plans for the event. He has already arranged to have the Croatian, Slovenian and Slovak societies attend the ceremonies in a body. The members will all meet at Croatian hall, Second and Washington streets, and march to the church.

The Rt. Rev. Mgr. M. M. Hassett, of the Cathedral, Harrisburg, will deliver the principal address in English and the Rev. Ambrose Srca, Franciscan Father, of New York City, will deliver an address in the Croatian language.

Work on the new edifice is being pushed by Staff and Zentor, the contractors, and will likely be completed by the beginning of the year. It is a thoroughly modern building and will cost about \$35,000.

St. Mary's parish was founded in July, 1898, by the Rev. Father Joseph Bozich and at that time included all the various foreign nationalities which were a part of St. James' parish. The first services were held in the old frame church in Second street purchased from the Baptist congregation. Later the present frame church was built. Still later the German, Italian and Slovenian members of the parish increased in numbers enough to warrant establishment of separate parishes and this was done.

Since the Rev. Father Zuvich has become rector, the church has had a healthy growth and at present the parish includes about 250 families.

PRESIDENT REA APPEALS TO MEN

Issues Poster Seeking Arbitration; Claims No Just Reason For Strike

In accordance with the campaign started by the Pennsylvania Railroad to round up its employees, President Samuel Rea has issued a poster calling upon railroad men to vote for arbitration in order to avert a strike.

In bold red and black letters the poster is headed: "An appeal by this railroad system to its 225,000 men."

It continues: "Eighteen per cent. of your number—the engineers, conductors, firemen and trainmen—are being polled for a strike."

"No just reason for this interrupting the service exists. The railroad have offered to arbitrate every question raised by the demands which have been presented."

"The representatives of the men, however, rejected this offer and have issued strike ballots."

Company's Appeal

"The management of the Pennsylvania Railroad system earnestly hopes: "First, That the men receiving ballots will vote against a strike.

"Second, That all other employees will use their influence to that end.

"The management reiterates its position favoring the settlement of all questions in dispute by arbitration.

"Such a course will preserve to each one of us unbroken earning power; to the public, uninterrupted service; and to the railroad, continuance of the earnings with which alone it can perform its public duties."

POWELL LEAVES WITH THE TENTH

Auditor General Goes as Adjutant; Wounded Twice in Philippines

The departure of the Tenth Pennsylvania regiment from Camp Brumbaugh for the border last evening with Auditor General Powell as adjutant, recalls a similar departure eighteen years ago, when Powell enlisted as private in the Tenth regiment in the Spanish-American war.

Young Powell had just finished his course at the Yale Law School and had applied for admission to the bar in Allegheny county when the war broke out. He joined the Tenth regiment at Pittsburgh, which was shortly afterward sent to the Philippines. In a few weeks Private Powell became a corporal, was wounded in July of that year and promoted to quartermaster sergeant of his company in December, 1898, he was wounded a second time, quite seriously. When his company was ordered back to the States, Powell was requested to stay in the islands and in charge of the organization of a public school system for Manila. On account of his wound, however, he was compelled to return.

When the Tenth was mustered out of the service, Powell and his company were sent to the Philippines. Powell remained with it and was later made its adjutant with the rank of captain.

The Auditor General was a school teacher before he went to college. As a fighter he always had the reputation of being a daredevil. Col. Burnett, former State Treasurer, was with Powell in the Philippines.

RESISTANCE TO DISEASE

Debility is a loss of vitality, not affecting any one part of the body particularly but the system generally. It is dangerous because it reduces the body's resistance to disease.

When debility follows acute diseases, convalescence is slow and the strength does not return as it should. An attack of the grip often results in debility that persists for months. Everybody recognizes that the remedy for debility is to build up the blood because the blood goes to every part of the body and an improvement in its condition is quickly felt throughout the system. The problem in every case is to find something that will enrich the blood.

Dr. Williams' Pink Pills suit most people's need because they are non-alcoholic and they really build up the blood and strengthen the nerves. Dr. Williams' Pink Pills are useful for growing children and for men and women whose nervous energy has been overdrawn. Try them whenever your blood is thin.

Your druggist sells Dr. Williams' Pink Pills or they will be sent by mail, postpaid, on receipt of price, 50 cents per box, six boxes \$2.50 by the Dr. Williams Medicine Co., Schenectady, N. Y. Write today for free booklets on the blood and nerves.
