AMATEURS TRAVEL AT RECORD CLIP

Upper End League Games Furnish Many Sensations on Independence Day

A conservative estimate of the number of games played within a radius of twenty-five miles of Harrisburg was 100. Harrisburg had a big share. The upper end furnished fast league games, and New Cumberland, Hummelstown and Hershey were busy towns.

An interesting feature of the Dauphin-Perry League yesterday was two victories by Halifax. In the morning Millersburg went down in a ten-inning battle; score, 5 to 4, and Dauphin was taken into camp in the afternoon, score 2 to 0. Halifax pitched Biever in both games. Ryan was a big fielding star for Halifax. Millersburg had a good man in Hawley.

Marysville won from Dauphin the morning, score 7 to 2, and lost to Newport in the afternoon at Newport, score 8 to 5. Loose fielding was a factor in the losing battle, while hits and fast fielding brought the answer in the morning. Duncannon shut out Newport in the morning, score 5 to 0, and in the afternoon Millersburg came

back strong and won out, score 6 to 4.

Fast Upper End Games

In the Dauphin-Schuylkill League Williamstown handed Tower City a double defeat, hits counting for runs, and Tremont took two from Lykens. These games were featured with sensational fielding.
West End won two from East End in the series for the local championship, the morning game being a one-sided victory, score 5 to 1, and in the afternoon a pitchers' battle featuring the contest and the score being 7 to 4.
At New Cumberland "Shorty" Miller's boys won two games from the Harrisburg Motive Power team, scores 11 to 9 and 8 to 7. The New Cumberland contingent outplayed the railroaders, hit the ball and played a faultless fielding game.
The Harrisburg Post Office team outplayed the Lancaster Clerks and won by a score of 12 to 0. Last year the Harrisburgers won at Lancaster by a score of 24 to 0. Lancaster had new material this year, but could not hit. The other games were full of interesting features.

DILLON FINISHES PUEBLO FIREMAN

Jim Flynn Goes Down For the Count With Right and Left on Jaw

Special to the Telegraph

Dewey, Okla., July 5.—Jack Dillon, of Indianapolis, Ind., knocked out Jim Flynn, the Pueblo fireman, in the fourth round of their scheduled fifteen-round bout here yesterday.

A left hook to the jaw followed by a hard right cross sent Dillon's opponent to the floor for the final count. The first two rounds were even, while Flynn led in the third.

In the fourth the fireman went to the canvas twice for a count of eight before Dillon sent home the blows that won the fight.

Dillon won fame last Thursday night at the Federal League ball park in Brooklyn when he gave Frank Moran a severe beating. He was matched by wire the next morning to fight Flynn and immediately boarded a train for Oklahoma.

MT. HOLLY TOWN 100 YEARS OLD

Splendid Pageant Arranged by Camp Fire Girls on Anniversary of Summer Resort

Special to the Telegraph

Carlisle, Pa., July 5.—With a pageant in which about 500 persons took part, Mount Holly Springs residents last evening celebrated the one hundredth anniversary of the founding of their town. It was just one hundred years ago that the village of South Middleton, the forerunner of the present town was laid off into building lots.

The present observance was inaugurated mainly through the efforts of the Pocahontas Camp Fire girls who had a float in the parade representing life among the Indians who originally lived there. In the parade were in addition floats depicting the old saw-mill where logs were sawed for the Carlisle barracks; the furnace where the first cannon in the United States was made; the paper mills established by Barber and Mullin and Robert and Samuel Given; various stores and industries and one of the town as a summer resort.
