Fireworks and Dancing The committee of arrangements were beartily congratulated on the at-tractive program for the day's cele-bration. Arthur H. Balley as chair-man with Redscker Brinser and Brook Trout, vice-chairmen, were as Jusy as bees and there was not a single idle moment. After dark, this same committee, assisted by Arthur D. Bacon, started the fireworks going. During the evening 150 pieces were set off. The canopy of stars offered a splendid natural background for the display and the flashing pyrotechnics mingled familiarly with the constella-tions for several hours. After the fireworks the Updegrove orchestra played dance nusic for the members and their guests until after midnight. At intermission refresh-ments were served and Chairman Balley entertained the gathering by auctioning off several big cakes pro-vided by the ladies' committee in charge of Mrs. R. E. Holmes, Mrs. A. The description given of the man to the police department corresponds with that of the midnight visitor in the other homes. So far the detective bureau has been unable to get results from any clues. Monday afternoon according to Superintendent W. L. Windsor, the bureau scoured the islands in the river for a few miles to run down a "tip" which proved value-less. Yesterday he changed his mode of travel and with Motorcycle Officer Hylan as chaufeur, sent his mone in the old police patror to the suburbs "out Paxtang way." This trip, also proved futile. So far the thief is uncaught and the department is still working on clues. Residents of the dity in the meantime are wondering when the burglars will be arrested, and when they will be able to go to be dwithout the fear of awakening to find a man wansacking the house. sible for the condition of the child who shows a decline in health now. What are the symptoms? Pallor and languor, a fickle appetite, dark rings under the eyes, bronchial colds. Very often the best efforts of the family physician fail in such cases and the condition of the child causes the most intense anxiety. Cod-liver oil, so often prescribed, generally fails because the weak stomach is unable to digest fats. Try this treatment. Before break-nast each morning give the child the juice of half an orange. After the noon meal give one of Dr. Williams' Pink Pills. Keep this up for a few days and then give one of the pills after the evening meal also. Weigh the child before beginning the treatment and again after two weeks. An increase in weight of from two to five pounds will show you that you are on the right to send to the Dr. Williams Medicine Co., Schenectady, N. Y., for a diet book and the pamphlet, "Building Up the Blood." Both are free. Your own druggist sells Dr. Williams' Pink Pills.
