

ELMIRA WINS WITH STICK WORK IN SEVENTH--TENNIS TOURNAMENT PLANS

TICKETS SELLING FOR BIG BATTLE

Nwsboys Meet Labor and Industry Department Team at Island Park Saturday

Tickets for the baseball game between the Harrisburg Newsboys' Association team and the Department of Labor and Industry nine are going like hot cakes. The battle takes place at Island Park Saturday afternoon, starting at 1.30 o'clock. It promises to be some battle.

On Capitol Hill this game has been the talk for several weeks. The Labor and Industry boys have been anxious to give the newsboys a boost and they have been selling hundreds of tickets. Aside from the baseball game there promises to be many interesting features. Arrangements are being made to have some of the young women from the Capitol sell refreshments, pennants and other souvenirs.

Shut Down at Noon

All attaches will knock off work at noon and be on hand early. There will be some routings. The girls will have a cheer chorus and there is some talk about a male glee club. Megaphones and other noise-making instruments will be in evidence.

The game will be an important battle inasmuch as the Labor and Industry department nine has recently shown a winning stride. The newsboys have had a squad of twenty-eight out practicing daily and the team will be picked to-morrow. Members of the newsboys' association have decided to attend in a body and will march to Island Park.

FRESHEN UP! GIVE YOURSELF A REAL CHEW

The Juicy Sweetness of "American Navy" Puts More Snap into a Man

BIG VALUE--RICH CHEWING

A sweet, mellow chew of good tobacco is wonderfully refreshing. But the tobacco must be in plug form to give you the utmost of wholesome, healthful enjoyment.

The rich, natural juices pressed into a golden-brown plug taste so deliciously good that it puts new snap into you. American Navy plug is the distinctive chew. It gives you the same type of leaf as the best "scrap," but it gives you *whole* leaf instead of "cuttings," and it's hard-pressed instead of loose-packed. That means more sweet, mellow flavor and more genuine tobacco satisfaction.

The leaf for American Navy is more carefully selected and the plugs are more carefully made than is the case with many higher-priced tobaccos.

You actually get more than your money's worth of chewing enjoyment in American Navy.

You'll know this for yourself soon as you get started chewing American Navy, because its rare distinctive flavor gets right next to your tongue the very first chew--and stays there.

Try a big cut of American Navy and you'll wonder how you ever got along without it. In 5c and 10c cuts.

HULSWITT QUILTS COLUMBUS

Columbus, Ohio, July 6.—Manager Rudy Hulswitt, of the Columbus American Association team, yesterday presented his resignation to club officials. Hulswitt said he thought the club needed a new leader in consequence of its long-losing streak. He declared he did not believe he should be blamed for the club's poor showing.

ELMIRA RALLIES; TAKE FIRST GAME

Harrisburg Leads Until the Seventh; Fast Fielding by Cockill's Crew

Special to the Telegraph
Elmira, N. Y., July 5.—Harrisburg's rejuvenated team gave the locals a hard battle yesterday and would have continued their winning stride but for a swiftest in the seventh. It was a different team that has faced Elmira early in the season and every team in the league will have to go some to win from the Cockill crew. The score was 8 to 5.

Downey Plays Short

Downey, a former Buffalo Federal star, went in at short and put up a fast game. The fielding of Harrisburg was a big feature. Sensational plays were in order in every inning. The hitting and Cook added to the interest and Reed and Wheat each made brilliant plays.

Parsons went along for six innings, holding the locals to three scattered hits, but in the seventh he was bombarded by almost every batsman who came to the plate, six runs scoring. Creager was the star of the game, the Elmira pitcher making a home run and double, while Ward made three singles. The former was hit pretty hard in the first and fourth innings.

Enola Baseball Team to Hold Festival in Harrisburg

An Enola festival in Harrisburg, Sounds unusual, but it is an event scheduled for Monday night. The Enola Car Shop baseball team is back of the big time and the members from Manager "Hy" Simmers down to the bat boy are planning to show the people of this city how to hold a festival.

The festival will be held on the vacant lot at Third and Rely streets. There will be a band concert and other interesting features. The P. R. R. Y. M. C. A. band of Enola, will be the big musical attraction.

The Enola team and band will come to Harrisburg in automobiles and will parade over the principal streets, stopping at the Telegraph building and the store of William Strouse, in Market street, where the band will play several selections.

CENTRAL DIVIDES SEASON

Grand Rapids, Mich., July 6.—President Emerson Dickinson, of the Central League, announced yesterday that because of the great number of postponed games to be played off in double-headers the Central League season would be divided, the first half season ending to-day and a new season starting to-morrow. Dayton has been awarded the pennant for the first half season.

Niehoff's Fielding Season's Sensation

BERT NIEHOFF

Bert Niehoff, the Phillies' second sacker, is playing one of the most sensational games of his baseball career. Niehoff has shown wonderful fielding ability recently, especially against the New York Giants. In one of the games at the Polo Grounds in the recent Giants-Phillies series, Niehoff speared a hot drive that looked like a sure safe hit.

From Farrell Circuit

Can't win them all. Late averages give Wheat the lead for the local club. Some figures must have been overlooked.

Several teams are having internal troubles. Spoils the game. Elmira without a 300 hitter won yesterday's game on bingles. Parsons must be an ascensionist. Albany could have landed Reading with a few business tactics. President Farrell hates to see the old circuit go to pieces.

Four New York and four Pennsylvania towns would make a great league. Higgins was in rare form yesterday and won his game from Scranton, Wilkes-Barre going down by a score of 2 to 0.

Brown pitched for Wilkes-Barre yesterday, allowing six hits. Bill Coughlin's boys made their bingles count. Albany came back yesterday and won from Binghamton, score 9 to 5. Donahue pitched gilt edge ball for Albany.

Utica handed another jolt to Elmira, winning by a score of 5 to 4. Ring had everything his own way, allowing but four hits. Smith was touched up in five innings.

Albany comes here for five games next week. Downey was at short for Harrisburg. He looks like a good find. Elliott is out with a sore finger. Charles was expected to show up at Elmira to-day and play first base. Brown belongs in the outfield.

Well, if Harrisburg comes home with a 50-50 record, it will be satisfactory. Two win from first division teams that are fighting for the top, is going some.

With Future Greats

West End has a good catcher in Knight. Bell and Scheffer, of the West End team, are running neck and neck for infield honors. Both are fast boys. With Trenton, Belmont, Rosewood, West End, East End and Stanley, there would be little trouble in arranging for a championship series that would keep fans on the move.

"Shorty" Miller and Etter are star outfielders for New Cumberland. Ross plays a sensational game at third for East End. He has six difficult chances on Tuesday, taking them all.

Campbell is an all-round baseball star. He plays any position for East End, is a hitter and fast fielder. The Motive Power team has a number of hard games ahead. They must play two games with New York, and Trenton will have to come here for a game. To win every game from now until the close of the series and split even with Trenton would give the locals a lead.

Lutz, Stewart, McCurdy and Bricker are stars on the Dauphin League team. These boys seldom come out of the game without some special honor. Halifax is playing some game. Biever is showing championship form and has good support in every game. Taylor is a big fielding star for the Harrisburg Post Office team. Dick Wether has the championship hunch and is ready to meet all comers. George Warden is considering the organization of a team to go up against the local nine.

Stroup, who plays second base for Tower City, is being watched closely by minor league scouts. His work has been exceptionally fast this season. The State Highway Department has a good man in Gough, who plays shortstop. He is in every game. Alcorn pitched a good game for P. R. R. Y. M. C. A. against Costeville on Tuesday.

TED MEREDITH LOSES RACE

Special to the Telegraph
Lewiston, Me., July 6.—In a special 600-yard race, Homer Baker, of New York, defeated Ted Meredith, of the Meadow Brook Athletic Club, in 1 minute and 39 4-5 seconds. Baker also won the 440-yard dash.

One of the features was the victory of Hannu Kolumen, of the Irish-American Athletic Club of New York, running from scratch, in the three-mile race. His time was 17.30. John J. Eller, of the Irish-Americans, of New York, won the 100-yard low hurdle race in 14 3/4 seconds, and Kenneth S. Caldwell, of the Irish-Americans, of New York, captured the pole vault with a leap of 9 feet 6 inches.

WELSH WILLING TO FIGHT

Denver, Col., July 6.—Freddie Welsh, champion lightweight of the world, yesterday definitely agreed to fight a twenty-round decision bout to be held at Colorado Springs on Labor day. The purse for which Welsh accepted the bout was \$17,500 and under the terms Welsh agrees to fight any man in his class that is chosen by the club as his opponent.

INVINCIBLES WANT GAMES

The Linglestown Invincibles are after games for July 8 and 15. Any good attraction will be accommodated if terms are right. Consult the manager, Roger M. Good, Linglestown, Pa.

REDUCE DUES IN RESERVOIR CLUB

Tennis Committee Rearranges Fees; Tournament Opens August 1

After July 15 the initiation fee for membership in the Reservoir Tennis club will be 50 cents and the annual dues will be \$1.50 and 75 cents respectively for men and women.

The rearrangement of the cost of fees and dues, which was decided upon last evening at the reorganization meeting of the house committee of the club, means that present members who renew their membership may have the club and locker privileges for \$1.50 and 75 cents respectively, while new members will be required to pay the fifty cents additional for admission. Locker holders are requested to turn over their keys at once and July 15 was fixed as the time limit for their surrender.

Elect Officers

In addition to new membership rates the committee elected J. Douglas M. Royal chairman for the year, and re-elected Miss Anna S. Cubbison, clerk in the office of parks and public property, as secretary and treasurer. Some minor revision of the house and court rules were decided upon, too. The house committee will conduct the annual tournament on the Reservoir courts this year and the dates for the opening of the matches, closing of entries, etc., were fixed.

Tournament Starts August

The tournament at Reservoir will begin Tuesday, August 1 and the entry list will close July 27. Entries

WELLY'S CORNER

Local tennis players are practicing hard in preparation for the coming tournament, starting August 1. In the selection of officers and arrangement of plans considerable headway has been made, and it looks like a busy August for local tennis stars.

Secretary J. Clyde Myton of the Motor Club of Harrisburg has called a meeting of the Board of Governors for to-morrow night at club headquarters. It is said important business will be considered.

Manager George Cockill is improving in health. He expects to join the team this week. The local leader has been having trouble with his appendix and has not been able to show his usual activity. He is much pleased with the encouragement offered by local fans and hopes the big crowds will continue.

The Linder team of the Carlisle Industrial League is setting a pace that is attracting much attention. Losing but one game of 10 is a good record.

Games are wanted for Saturday by the Albion A. A., St. Mary's C. C., of Steelton; Hummelstown Junior nine, and Linglestown regulars.

The Phillies won from Boston yesterday and moved back into second place. Rixey has the big boy allowing but three hits.

The Blues were winners in last night's Globe Right Posture League, score 7 to 5. Hits counted for runs. E. Snyder who relieved Fredericks pitched a good game.

Rallies in the first and second inning last evening gave the Galahads a victory over Reading, score 5 to 3. It was an Allison Hill League game and was witnessed by a large crowd. Fast fielding was a big feature. Johnson fanned 9 and Schott 8.

Jack Dillon is some pace maker. He gave Frank Moran a beating last Thursday night at New York; went to Dewey, Oklahoma and walloped Jim Flynn and is now enroute east to take on Battling Levinsky. The battle will take place in two weeks.

Jess Willard gave out a statement yesterday in the west that he will fight one more battle. He has a big bank account and need have no worry as to the future.

Bolinsky has been let loose by Chambersburg. The boy made good as a fielder and it was said was relieved from duty because of the return of several players who quit the club sometime ago. He will not be long out of a job.

which may be filed by mail and which are postmarked later than midnight on that date will not be considered. The entries by the way may be addressed to the Reservoir tennis committee care of the park department, Calder building or Box 672, Harrisburg post office.

The scope of the entrance district this year will be broadened and will be known as the "Greater Harrisburg" tournament so that players in the towns surrounding Harrisburg within a radius of twenty-five miles will be admitted. The fact that A. Leroy Lightner, present holder of the city singles championship has removed to Reading, precludes his entering the field again, the committee decided last evening, even to defend the title.

Firestone Right Makes Might

NEVER have figures spoken more decisively than in the following table. They show the volume of business we have done annually since we moved into our new factory in 1910. And with this steady, consistent increase in sales has come a steady development in every producing unit. This factory, then the largest exclusive tire plant in America, has been tripled since, wing by wing, without disturbing production. Original plans provided for the growth because we knew that the standard set for Firestone quality would win the motoring public.

	Annual Business	Percentage of Increase
1910-11	\$ 7,462,581.17	
1911-12	11,681,841.57	56%
1912-13	15,625,662.04	33%
1913-14	19,173,389.53	22 1/2%
1914-15	25,187,884.33	31%
1915-16	to June 1st, 1916	Over 38%

Simmered down the answer to this unequalled growth is exclusive quality at volume price
