New York, July 6. — Reading continued to lead the list during the forenoon dealing in that stock being twice as large as in any other issue, with an extreme gain of 3½ points.

Canadian Pacific and subsidiaries were stronger and some of the junior Vanderbilt issues added to the recent advances. Sugars made further upward progress with new high records for American Beet and Cuban Sugar Cane. Mexicans yielded fractions of their early gains and munitions also shaded with Industrial Alcohol and various unclassified specialties. Coppers were inactive and zinc shares reflected further liquidation. Bonds were steady. Nor and West
