MISS EMILY EDWARDS Secretary Junior and Intermediate Rally.

When the delegates to the State Christian Endeavor convention in this city July 11-14 begin to arrive there will be many young boys and girls among them. These will be the Junior and Intermediate Endeavorers of Pennsylvania and they will be coming as delegates to the first Junior and Intermediate Christian Endeavor convention ever held in this State. Great preparations have been made by the local committee with the Rev. R. L. Meisenhelter of Trinity Evangelical Lutheran Church of this city as chairman and Miss Emily Edwards of the Harrisburg Christian Endeavor Union as secretary. The boys and girls are to have the same speakers and singers as will be on the program of the young people's convention. Besides these they will have a number of special events. Among these the most enjoyable will be the picnic to Paxtang Park as guests of the Harrisburg Juniors, on Friday afternoon, July 14. The program, as just issued by the committee, presents a meeting of great interest and the hundreds of Juniors in Harrisburg who are working for the success of this convention are eager for the day when they may show the "grown-ups" how a convention should be conducted.

C. E. NOTES The Christian Endeavor Choral Union convention chorus will hold a final rehearsal in the Chestnut Street Hall this evening. Assignment of seats will also be made at that time.

The United Evangelical Endeavorers will meet at the publishing house and march to the hall in a body.

The reception committee, with W. M. Malley, chairman, will hold an important meeting at 8 o'clock this evening in the First Baptist Church. Caps will be distributed to members of the committee.

THE LAST RESOURCE Shortly after Sir Edward Carson had relinquished the post of Solicitor-General he was speaking of the methods for examining candidates for the service, and told the following amusing story:

"I had a boy who went through that ordeal, and when it was over I asked him what had been said to him. 'A lot of rot!' he replied. 'They asked me if my father was the Solicitor-General, and when I said that he was they wanted to know why I wasn't following in his footsteps. I replied that perhaps after I had fallen at this job I would take it up!'"

BADGES GIVEN TO ENDEAVORERS

Design Follows Theme Employed in All the Convention Work

Badges, programs and song books for the State Christian Endeavor convention, which opens in this city tomorrow, were presented to the local delegates at the various Christian Endeavor meetings last evening. The design of the badge follows the theme which has been employed in all the convention work. The pin portion represents a bow formed of the American flag and the Christian Endeavor colors with the Christian Endeavor monogram in the center. Suspended from this is a keystone of the blue and bearing a picture of the Pennsylvania State Capitol. At the bottom of the keystone appears the convention theme, "Power Through Prayer." The convention program, a really unusual piece of work for a State convention, bears a similar design upon its cover. The opening pages give much information regarding the convention. Pictures of the State and the convention officers are given and there is a page of views of Harrisburg. A brief account of Harrisburg's history and growth is also given. Following the program itself are a number of blank pages for taking notes. State and national standards of efficiency are given. Altogether the convention program is a model and sets a very high standard for such publications in other States. The convention song book is one that has been used with great success in the Billy Sunday meetings and in other Christian Endeavor State conventions. Each delegate received a complete cloth-bound copy.

The badge committee of the State Christian Endeavor convention committee is as follows: Miss Anna McKelvey, Miss Minnie Tittle, Miss Ruth Ash, Miss Ethel Wagner, Lenoyne; Miss Katharine Famous, Enola; Charles Linde, Wilmot Troup, Markwood Myers, Steelton; Leroy Shreiner, Clarence Walter, Penbrook; Miss Ida M. Sowers, chairman.

2,500 C. E. SOCIETIES TO BE REPRESENTED

[Continued From First Page] tory work has become so voluminous that the General Convention Committee and many representatives of the local societies have been on the job day and night. The Registration Committee with Prof. John F. Kob, chairman, has an exceedingly large amount of work to handle at this time but the delegates coming from all points in the State and a number from other States with a total between 1200 and 1500 will all be well taken care of as Harrisburg is one of the leading convention cities in the State and the workers know how to handle big crowds.

The conferences, which will be held each morning during the convention, and the more popular meetings each afternoon and evening, will be of a very high order. The very best speakers obtainable have been secured for these appointments so that the delegates will have a continual feast of good things from the very start of the convention.

The music of the convention will be a special feature. Homer A. Rodeheaver will lead the general singing using a book entitled "Songs for Service." There will be a large convention choir of about two hundred voices. Special numbers will be rendered, from time to time, by the Harrisburg C. E. Chorus Union, under the direction of Prof. Frank A. McCarrell.

Christian Endeavor Efficiency, Temperance, Missions, Decision for God, and more do the youths for the Kingdom of Righteousness, as well as all lines of work among the children of the Church and community, are some of the great themes that will be discussed during the convention.

A special train from Philadelphia will arrive at 11.30 to-morrow morning, bringing about 400 delegates. A special train from Gettysburg will arrive at 9 o'clock Wednesday, bringing about 400 Christian Endeavorers. Pittsburgh will send a large delegation and a large delegation is expected from Wilkes-Barre, Scranton, Allentown and Lehigh will send large representations of Endeavorers.

The sessions of the twenty-second biennial State Christian Endeavor Convention will open to-morrow with a meeting of the State Executive Committee composed of State officers, department superintendents, ex-State secretaries and treasurers, and presidents of county organizations in the Market Square Presbyterian Church at 2 o'clock.

Many Receptions For C. E. Delegates Tomorrow

Many denominations will gather for the reception of delegates from 9.45 to 11 o'clock to-morrow (Tuesday) evening in various churches of this city, at which time programs will be rendered in the interest of denominations.

The plans of meeting the denominations will be grouped as follows: At Wesley A. M. E., Forster and Ash streets—A. M. E. and A. M. E. Zion Delegates, at First Baptist Church, Second and Pine streets—Baptist and Free Baptist Delegates. At Church of God, Fourth near Market street—Church of God, Disciple and Christian Delegates. HUNDREDS CHEER EIGHTH REGIMENT

[Continued From First Page] berry street bridge. Scenes similar to the ones of June 24, were re-created as mothers, wives, daughters and sweethearts, crowded to the ca. windows for the last goodbye. Most of the women and girls smiled through their tears, and tried to see the cheerful glances of the men, who said that they did not expect trouble along the border.

Many of the relatives and friends of the guardsmen showered them with boxes of delicacies, cigars, cigarettes and tobacco. Colonel Maurice E.

Finney, commander of the regiment, and Captain John T. Brez, Company D, and Captain Frank E. Ziegler, Company I, all of this city, were met by a number of friends as the trains rolled into the station.

Flowers for General Hutchison The men of the Eighth regiment broke camp with a feeling of sorrow, because they had just learned of the death of their former commander, Brigadier-General Joseph E. Hutchison. A strange silence settled over the camp as the men went about their work and loaded their equipment. Just before leaving camp the regimental officers arranged to have a floral tribute sent to the home of General Hutchison.

As soon as the news of the death reached camp—the soldier's final farewell, were sounded. Although they were cheered when they left the station at Mt. Gretna, the regiment left quietly.

Brides of a Day Say Farewell As the companies are composed largely of men from this section of the State many more people gathered to see them leave camp. Many Harrisburgers lined the Mt. Gretna station platform. Two brides of a day stood sobbing as the trains left. They had been married by the Rev. Harry N. Bassler, chaplain of the regiment.

WONDERFUL TALE OF AN ACTRESS

Struggled with Sickness and Discouragement; How Relieved.

Dayville, Killingly, Conn.—"I shall be glad to have every woman know what I know now, after using Lydia E. Pinkham's Vegetable Compound. Although I am only 24 years old, I have suffered for the past eight years. I hated the doctors, for a doctor told me to give up the stage where I was playing with my husband.

I had bearing down pains, my health failed me, and I could not work on the stage, and wasn't able to tend my baby or even get around myself. I was always downhearted and discontented with the world, and only lived for the sake of my little girl. The doctor said to move to some quiet little town away from the noisy city, and I might be able to live and feel well, so I went to Dayville in November. At that time I was so sick I could not walk around, and my husband kept house and I stayed in bed. One day in January I read your advertisement in a newspaper, and I sent for Lydia E. Pinkham's Vegetable Compound, and started taking it. Within two weeks time I was a different woman, could get around, and felt so good that it was a pleasure to do my household work. I felt contented and happy, and now am the picture of health, and am tempted to return to the stage. We appreciate my health as the most precious thing on earth."—Mrs. H. L. KLENNETT, Box 55, Killingly, Conn.

We put it up to Hundreds of Dentists

Long before SENRECO was offered to you we submitted it to hundreds of dentists, requesting that they put it to every test. Told them that we believed Senreco to be an unusually good dentifrice, especially as to its cleansing qualities and its remedial action on sore, soft, bleeding gums; in the treatment of Pyorrhea, etc. Submitted the formula and asked them their opinion. They tested Senreco from every angle; some going even so far as to make a chemical analysis—

And They Voted Yes

With practically one accord—said: "Senreco appeals to me more than any dentifrice I have ever seen." "I cannot say too much for Senreco. It's one of the best I have used." "I can recommend Senreco as the best." "Makes the teeth glisten and is free from injurious ingredients, including peroxide and grit." "I am inclined to get a tooth paste that does the work." "Congratulate you on formulating a dentifrice that gives one a new idea of mouth cleanliness, etc." (These quotations are from the dentists' reports. Originals on file at our office.) With such endorsements from the men who know why not to go to your dealer today and get a tube of SENRECO—25c. Keep your teeth REALLY CLEAN, and protect yourself against Pyorrhea and decay. A copy of the folder, "The Most General Disease in the World" together with a tube of SENRECO will be mailed you for 4c in stamps. The Santal Remedies Co., Inc. Dept.
