#### Miss Buser Weds John Snyder Beneath Roses

A very pretty wedding was solemnized at the home of Mr. and Mrs. Edward Buser, in Bressler, when their daughter, Esther Ethel, was married to William John Snyder, of Harrisburg. The ceremony took place beneath an arch of pink roses intertwined with honeysuckle. The house was arranged with fern and pink tulle. The bride wore a beautiful dress of white net lace with pink satin taffeta. The bride carried a corsage bouquet of bridal roses entwined with pink and white satin ribbon. Rev. Dr. M. P. Hocker, of Middletown, performed the ceremony. The wedding march was played by Miss Mary Hager, Simon Snyder, brother of the bridegroom acted as best man. The bride was attended by her sister, Miss Edith Buser. About forty guests were present at the wedding supper. Some were from New York, Waynesboro, Oberlin and Bressler. After a trip to Philadelphia and Atlantic City Mr. and Mrs. Snyder will reside in Harrisburg.

#### CANAL MEASURE IS UP TONIGHT

Steelton Council Has Heavy Schedule For July Meeting

Steelton's council will meet this evening with one of the heaviest schedules of months before it.

Among the many important measures to come up for action is the ordinance granting the Pennsylvania railroad the right to build its new freight spur along the old canal tow path. At several informal conferences the advisability of building a large sewer parallel to the old canal, and of adequate size to care for the drainage of the upper end of the borough for all time, was discussed. It has been suggested, and will likely be formally brought to the attention of council this evening, that the borough, railroad and steel company each pay a third of the cost of such a drain. Completion of such a project would permit elimination of the canal nuisance and other improvements. Council this evening will also pass the loan measures now pending and will complete plans for a suit to compel the repaving of Front street. To discuss the details of this suit the councilmen met as a committee with Nelson P. Lewis, the engineer, this afternoon.

John C. Craig, the new councilman from the Third ward, will attend his first session and be sworn in this evening.

**SARAH REDMAN**  
Mrs. Sarah Redman, aged 72, died at the almshouse this morning. Funeral arrangements are incomplete.

**Court to Decide**—The Dauphin county court will be called upon to settle the disputes growing out of a "little picnic" in Keizer Park July 4 and the subsequent attempt of Constables Still and Brashears and former Justice of the Peace T. V. Gardner to place several Germans under

#### Slender Prospects of Early Adjournment Before Congress

Washington, D. C., July 10.—Congress began another week to-day with slender prospects of an early adjournment ahead. Four of the administration's most important legislative measures remain to be put through and Democratic leaders see chances of a session lasting into the Fall. The bills keeping members of Congress here are the army and navy appropriation bills, the shipping bill and the administration's \$197,000,000 revenue measure. The revenue bill will be passed by the House late to-day. Republicans intend to fight the shipping bill with a filibuster.

##### NEAR RIOT AT CARNIVAL

A near riot was narrowly averted late Saturday night, when Herbert Mocklin, got into an argument with a colored employe of the Harry Copping carnival company. The latter, it is alleged, brought the argument to a sudden close by bringing a heavy hammer down on Mocklin's head with such force as to cause him to lose consciousness. The act enraged a number of onlookers and they rushed for the carousel, about which the colored man had been working, with the evident intention of wrecking it. The show people rallied in defense of their property and in the ensuing melee, T. Brown, was badly beaten up. Word of the fight was quickly conveyed to the police and officers soon had it quieted down.
