

SPORTS---HARRISBURG OPENS FIVE GAME SERIES HERE WITH ALBANY TOMORROW

FIVE GAMES ON WEEK'S SCHEDULE

Albany Will Be Island Park Attraction Tomorrow, Wednesday and Thursday

Harrisburg returns to-night for a five-game series at Island Park with Albany. The present week's schedule calls for ten games with the latest bidders for a permanent home. There was a probability that Reading would get the team for the balance of the season. If Dr. Tate, the present owner, is unable to dispose of the franchise, he may decide to give President Farrell an opportunity to run the business for the balance of the season.

The Cokill crew has been traveling a fast pace away from home. Team work is showing a big improvement. Two of the pitchers are showing regular form and the others hope to come around after another week at home. Volz and Burns, who have not been able to go more than four innings, look like winning pitchers now. Parsons hopes to be able to do better. Huenke and Helfrich are as good as any in the league.

Manager George Cokill and Captain Walter Blair are working hard to land new men. Other teams are scouting for new material. It is expected that in addition to Downey other new faces will be in the local line-up to-morrow. Local hitters have been in a slump since July 4. Better things are expected this week. Harrisburg must pass Albany in order to make any showing in this season's race.

Double-headers will be played to-morrow and Wednesday. The first game on each day will start at 2 o'clock and the second at 4 o'clock. In the event of rain on Wednesday, the double-header will go over until Thursday.

The game scheduled for Thursday will start at 2:30 o'clock in compliance with a request made by railroad employees, who would like to see a completed game in time to permit them to get to work at 6 o'clock.

Now that a telephone has been placed at Island Park for the benefit of railroad men and other patrons, it is expected that the attendance will increase.

Marietta, Pa., July 10.—Miss Crystal E. Hippie, daughter of ex-postmaster and Mrs. C. Penrose Hippie, was married yesterday in St. John's Episcopal Church, by the Rev. Herbert E. Pulsifer, to Marvin Patton, of Waltham, Mass.

Enola Girls Organize Outdoor Basketball team

Outdoor basketball is a popular sport at the Enola public playground. Above is a picture of the girls' basketball team. The team is coached by Miss Beatrice Hinkle, former captain of the girls' basketball team at Central high school. They played their first game July 4 at the first semiannual romper day. The second team won from the first by a goal. The members are as follows: Top row, left to right, Miss Maud Bashore, Miss Serena Kline, Miss Beatrice Hinkle, coach, Miss Esther Reigel, Miss Esther Famous, second row, Miss Anna Lindenberger, Miss Hilda Wagner, Miss Ethel Strickner; front row, Miss Ruth Reigel, Miss Mary Crawford and Miss Sara Myers.

MOTIVE POWER TEAM NOW TIE FOR LEAGUE HONORS

Take Two Games From New York; Amateurs Were Again Prominent With Sensational Fielding and Hitting

Harrisburg Motive Power team of the Pennsylvania Railroad League is setting a past pace. The Friel bunch won two games at New York Saturday, scores 6 to 2, and 4 to 3. These victories tied up Harrisburg with Trenton for the lead. Each team has won eight games and lost one. The crucial test will come when Harrisburg meets Trenton on their home grounds Saturday July 22. One week later the Tigers come to Harrisburg. Two victories for Harrisburg will be necessary to win the pennant this year.

Harrisburg outplayed New York in both games. Marks, Wrightstone, Embick and Smith were big stars for the locals.

Marysville leads the upper end league by a small margin. Halifax lacked hits in Saturday's game and lost out, score 9 to 4. Aderholt was a big fielding star for Halifax. Pfenberger's

hits were factors in Marysville's victory.

Millersburg gave Newport a surprise, winning by a score of 3 to 2. The victors hit in a bunch in the third. Newport tried to come back in the sixth. Boss featured for Millersburg.

Dauphin made their hits count in four innings, winning from Duncannon by a score of 7 to 4. Pinnen kept his five hits well scattered.

Lykens won a ten-inning argument from Williamstown in the Dauphin-Schuylkill League series, score 5 to 4. Lykens bunched hits in the fourth and sixth innings. Foster at third was a big sensation for Lykens. Machamer at second gave him a hard chase for fielding honors. Pat Reagan, the Steelton-Villanova star, was the big hitter and played a wonderful game back of the bat.

Tower City walked all over Tremont, winning by a score of 11 to 0. Tremont played a ragged game in the field.

The victory of the Newsboys' team over Labor and Industry Department nine, score 5 to 4, was Saturday's big independent baseball feature. The newsies hit the ball in one inning and made a killing. Good pitching by Stackpole with the excellent support given him were factors.

The West End added another victory, winning from Trainmen A. C., score 4 to 2. Winter pitched a good game for the victors, fanning sixteen men. Eweler had puzzers, but received ragged support. Euker and Kerr were stars for the winners. Bell's fielding was a feature for West End.

With a reinforced line-up the State Highway Department team won over Belmont, score 9 to 4. Rineard and Ruple were stars on Highway team. Klug allowed but four hits.

The Keener A. C. bunched hits in four innings and won from Linglestown, score 4 to 2. Wachtman pitched a good game and received brilliant support.

Drives Car Through Fence; Returns to Track, Wins Race

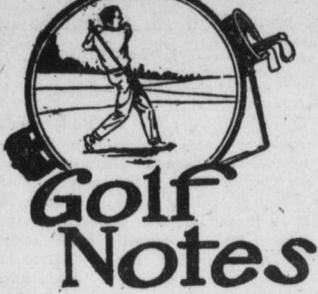

Grand Rapids, Mich., July 10.—Eddie Haibe won the first annual 100-mile automobile race here Saturday. Ralph de Palma was second and Andy Burt was third.

The race was delayed more than an hour by a heavy rain.

Haibe's time for the 100 miles was 1 hour, 46 min. 34.0 sec.

Haibe plunked through the fence on his ninety-fifth lap, hitting a pile of lumber but pulled his car back on the track and finished well ahead of the field. The winner drove the same car that Otto Henning put through the fence at Benton Harbor, Mich., on Tuesday.

Ralph Mulford's car was flagged on the eighty-sixth lap after Haibe's car hit Mulford's. Neither Haibe or his mechanician suffered any injury. The track was rough and the dust bothered the drivers.

Golf Notes

If anyone has an idea that the new course of the Harrisburg Country Club is going to be a path of roses like the present one, they need not shake that idea when they have once visited the 18 hole layout. There doesn't seem to be a level stretch on the whole course and the hazards are of the sort that outthawed anything in Harrisburg.

We have been asked the following question, based on the recent news that John D. Rockefeller celebrated his 77th birthday by playing golf: "What was Methusalem's longest drive at the age of 95, just a few years before his death?" Answers may be sent to this office, care the colonel.

It's a good plan for Harrisburg golfers to try out all the courses throughout the country when they have the opportunity. Frank Payne's recent victory in the two-day tournament at White Sulphur Springs is the sort of thing that in time ought to put Harrisburg on the golfing map.

There is a certain young man at the Colonial Club who had played the game but five times. His sticks weren't working right, his stance was poor, and he couldn't keep his eye on the ball. So he sold his sticks to a friend for \$5. "I can put my time to better advantage than in this game," he muttered, pocketing the \$5. And he's sure he's got a great deal of stick already. It's fate!

And while speaking of the Colonial Club, there is one discouraged player out there who was so discouraged the other afternoon that he "bet he could drive a mile and a quarter into the rough if the fairway was a mile and a half wide."

To-morrow afternoon two youngsters will play for the city championship at Reservoir Park. Zimmerman vs. Longenecker is the match that will attract a great deal of interest when the pair of seventeen-year-olds tee off at two o'clock. In the semifinals "Zimmie" beat Harry Miller six up and five to play.

Following are the results of last week's match play tournament at the Colonial Club:

Beaten Eight: C. L. Miller, 2 and 1; Orr defeated C. H. Hunter, 1 up; Pavord defeated Kelly, 7 to 5; Nissler defeated Harry 3 and 2.

Beaten Eight: Dean defeated C. B. Miller, 3 and 2; Seely defeated Gourelley, 4 and 2; Armstrong defeated Forsythe, 6 and 5; H. Ogelsby defeated Motter, 4 and 3.

Second Sixteen: Burnett defeated Devine, 1 in 13; Sweeney defeated Kinter, 1 up; H. S. Miller defeated W. M. Ogelsby, 6 and 4; Dare defeated Brinzer, 1 up.

Beaten Eight: Allen defeated Stubbs, 1 up; Ray to play Baisley; Pennock defeated Kenney, 3 and 2; Trout to play Watt.

Third Eight: Seel defeated Care, 5 and 4; Morgan defeated Snyder, 7 and 6.

Matches to be played off during the week ending July 16, are as follows: First Sixteen: Owey vs. Orr; Pavord vs. Motter.

Beaten Eight: Dean vs. Seely; Armstrong vs. Hart Ogelsby.

Second Sixteen: Burnett vs. Sweeney; H. S. Miller vs. Dare.

Beaten Eight: Allen vs. Ray or Baisley; Pennock vs. Trout or Watt.

Third Eight: Seel vs. Morgan.

Russians in France Are Reported to Be at Front

Paris, July 10.—The Excelsior says the Russian contingents which arrived in France recently and have been quartered at Camp de Mailly, near Troyes, have been sent to join the French forces at the front.

Five contingents of Russian troops landed at Marseilles between April 20 and May 5 after a land and sea journey of about 17,500 miles from Moscow, where they were assembled to Port Said, and thence by sea to the Suez Canal. The sending of the Russian troops was largely an experiment.

Coudert Holds U-Boat Has Warship's Status

Oyster Bay, N. Y., July 10.—FredERIC R. Coudert, the expert on international law, gave it his opinion that the Government would probably feel itself bound to regard the submarine as a war vessel rather than as a merchant craft.

"Of course, I have only the meager facts of her arrival to guide me," said Mr. Coudert, "and can hardly make any very positive assertion. But in view of the recognized status of a submarine, I would say that the burden of the proof that the vessel was a merchantman should rest entirely on the German Government." Washington, in my opinion, will take extraordinary measures to insure itself against any error before allowing the U-boat to depart as a merchant vessel.

"You see, a submarine, by its nature at least so far as its construction has progressed to the present, is a warship. She cannot be either a passenger or a freight vessel because of the limitations which her very powers force on her. Her size, for instance, would preclude any idea of a peaceful carrier.

"With these facts in mind, it is my belief that our Government will declare the visitor to be a warship, and will order her to leave within the time limit of 24 hours. Of course, enough fuel and food would have to be supplied her in that case to enable her to reach the nearest home port. She would be forbidden to come into one of our harbors again for a period of months."

MRS. ANNA BLACK

Funeral services will be held to-morrow afternoon, at 2 o'clock, for Mrs. Anna Black, aged 59, who died Friday at her home, 109 South Second street. Burial will be made in the Paxton Cemetery, the Rev. R. L. Melse, officiating.

WELLY'S CORNER

Central high school tennis enthusiasts start practice this week at Front and Seneca streets. Three courts will be open to the public. Opportunity to get into form for the coming contests at Reservoir Park.

While the weather is anything but favorable for football, college coaches are working hard to get an early start. Many prospective gridiron stars will be in camps as early as August. "Bob" Folwell will start his football camp September 11 at Pottsville, Pa. At University of Pennsylvania two champions are still on the list. How-

ard Berry, the pentathlon champion, and Willis E. Davis, clay court tennis champion of America, each have another year. At present Penn does not claim an all-American man in any sport.

Manager R. M. Murphy, of Washington and Jefferson College, has started football activity. Footballs have been sent to all members and tickets for the coming season will go on sale to-day. The first game will be with Bethany, September 28.

QUARTERMASTER CORPS SWORN IN

Important Movement Leading to Establishment of New Camp Taken at Gettina

Mustering of the quartermaster corps at the Pennsylvania mobilization camp at Mount Gettina into the United States service yesterday is taken to be the first step toward the establishment of the concentration camp for recruits by officials at the State Capitol and orders regarding recruits are momentarily expected.

Today Assistant General Stewart issued orders establishing a new quartermaster corps for the camp as follows: Majors L. V. Rausch, Harrisburg; L. Benton Long, Ridgway; Sgt. M. Seaman, Lancaster; J. Shrumberger, Harrisburg; Captain Leo A. Luttringer, Harrisburg; and Sergeants Edlison Henry, Marcel von Beresghy and Fred S. Tomlinson. Major T. O. Cole, artillery; Captain Louis H. Schmidt, commissary, Third Infantry; Thomas W. Davis, chaplain, Third Infantry; First Lieutenant H. L. Hutchison, Sheridan Troop, Tyrone, and First Lieutenant Carrol H. Hudders, Company B, Fourth Infantry, Allentown.

Colonel C. T. Cresswell, Third Infantry, Philadelphia, was retired and Major C. C. McLean, inspector, Indiana, and Major C. C. Norris, Jr., judge-advocate, Philadelphia, ordered to await orders. Major Blaine Alken, ordnance department, Washington, was assigned to the Second Brigade staff.

General Stewart received a telegram from Colonel Ellis, Sixth Infantry, that Private W. H. Warr, West Chester, Company I, Sixth Infantry, had been drowned while bathing in the Wabash at Cayuga. His body has not been recovered.

Bits From Sportland

The Hick-A-Thrifts batted the ball all over the lot, winning an easy game from West Fairview, score 15 to 6.

Stanley A. C. defeated Carlisle Printers, score 7 to 2. The game was played at Bolling Springs and was a feature at the State Printery picnic.

Noil, catcher for the Hick-A-Thrifts, is some hitter.

West Fairview has a good man in Givler, center fielder.

In the Keener-Linglestown game, Wachtman and Cannon were close for honors. Each fanned thirteen batters.

The Wals brothers, stars on the Stanley A. C. team, are some baseball stars. They are in every game.

East End has a bid on the city championship. On Saturday Rosewood was taken into camp, score 6 to 0. East End gave a sensational fielding exhibition.

Pitcher Stone of the Tigers, held Jackson A. C. to two hits on Saturday. Harris Park has won two straight victories and challenges any team to play a series for the local championship.

Harris Park will play Grantley Park at York next Saturday.

The Omaha Athletic Club is trying to land James J. Corbett as director of athletics. A new \$400,000 clubhouse will be opened early in the Fall. Mrs. Corbett is the daughter of an Omaha girl and this may help her husband to the new position.

Miss Mollie Birstedt defeated Edith Botch, of Boston, on Saturday in the challenge round of the Great Lakes tennis tournament at Buffalo; score, 6 to 2 and 6 to 1.

All the golfers who use the public course at Lincoln Park, Chicago, are playing the "recognize" status of a day. The cause for all the sunshine is because the park commissioners have put a starter in charge of the course who is barring women players with high heels on their shoes.
