Police if Carried On

State Highway Commissioner Black last night ordered enforcement of a ruling made by the late State Highway Commissioner Cunningham prohibiting the use of State highways for automobile racing contests and hill climbing contests. It was reported to the Highway Department recently that there was to be a hill-climbing contest held on the mountains near Uniontown, in Fayette county, on July 20. In selecting Good Hope Mill, along the historic Conodoguinet creek, the committee in charge has chosen a rare bit of Cumberland Valley scenery to carry out the wish of the head of these stores. "It's going to be a good oldfashioned picnic, in a good old family way," Mr. Bowman was heard to remark. When there they will not be restricted in any measure, either, for an amusement committee is hard at work to provide a series of sports and contests that will amply fill the day. Nature has provided for all who enjoy bathing, but even this will be improved upon by the erection of a chute and other amusement devices.

"DEAD" WOMAN REVIVES

"DEAD" WOMAN REVIVES
The police yesterday afternoon were
notified that a dead woman was lying
along the old canal bed near Maclay
street, under some tin sheeting, and
four officers were rushed to the scene.
Lying under the sheeting the officers
found Agnes Thomas, whom they claim,
imbided too freely in alcoholic drink
and then probably went there to sleep
off the effects. She was revived and
taken to the police station for the
night. A large crowd had collected,
when the report spread that there had
been a murder.
