PLAYS AND PLAYERS

The Selig-Tribune, which is released twice weekly througn General Film service, has assigned six camera men to the Maxican border and with the United States troops in Mexico.

Twas in a dry goods store,
And went to a dramatic school
Where boobs have gone before.
He paid his hard-earned wages down
For theatrical tuition
A movie star for mine, he said
It was his sole ambition!

When Bill had learned most everything
And studied Booth and Keene
He was ready for a leading part
Upon some movie screen:
And then—alas—when he got work—
Supporting Filmland's star
Twas in a blood-and-thunder play
And Bill was tending bar!

V-L-S-E has an announcement posted in the general manager's office to the effect that all employes, members of State militia called to the Mexican bor-der, shal receive full pay during their absence and will find their positions waiting for them on their return.

"The Parson of Panamint," by Peter B. Kye, will be the next Paramount picture in which Dustin Farnum will appear. The story originally ran in the Saturday Evening Post.

Sessue Hayakawa, the Japanese actor, who recently created such a furore by his performance with "Allen Souls" Fanie Ward in "The Cheat," can be seen at the star in "Alien Souls." In "Alien Souls" he is seen as a wealthy dealer in Japanese curios, in love with a young Japanese girl, to whom he was betrothed when a child, and for whom he is supplying an education at a leading American school. How this girl falls into the clutches of a money-mad young American, how she is finally brought to realize that the East and West can never meet, is shown in a number of thrilling scenes.

Newsboys' Clubhouse Benefits by Game

The defeat of the Department of Labor and Industry's baseball nine by the Harrisburg Newsboys' Association on Saturday places the newsboys in the position of being one of the strongest amateur teams in the city. It is probable that in the near future other games will be arranged between the boys and various departments on the Hill, where a league has been formed consisting of teams from the Health, Labor and Industry, Highway, and other departments. The proceeds from the sale of tickets for the game on Saturday will be used by the Newsthe sale of tickets for the game on Saturday swill be used by the Newsboys' Association for the purpose of improving their clubrooms in North Second street, above Pine.

The game on Saturday, was closely fought and was won largely through the splendid support which the newsboys gave their pitcher. The boys hit in the pinches, too, and it was Klawansky's single to right field in the eighth inning which brought in the run that decided the contest. Emanuel on third base showed big league form for the newsboys, and Lopkin and Koplovitz, as catcher and left fielder respectively, put up star games. The team was a well-balanced one and was a match for the older and more experienced players on the Capitol Hill team. The score by innings follows: Newsboys 0 0 0 0 0 0 0 5 0— Labor and Ind. .. 0 0 0 0 2 0 0 1 1—
