STEELTON

LOCAL MEN IN CONSOLIDATION

Salsich, Gillispie and Others
Get New Positions With Bethlehem Steel Co.

Announcement has been made of a general consolidation of sales forces of the old Pennsylvania Steel Company, the Maryland Steel Company and the Titusville Forge Company with the Bethlehem Steel Company's sales force.

These changes affect several former Harrisburgers. Neil S. Salsich becomes sales agent in charge of the Frog and switch department at Bethlehem. R. W. Gillispie, formerly of Steelton, and now general manager of sales for the old company, goes to Bethlehem as assistant general sales agent of the Bethlehem Steel Company.

Details of the changes are announced by the Bethlehem Steel Company as follows: "The general sales offices of the Pennsylvania Steel Company, the Maryland Steel Company and the Titusville Forge Company have been consolidated with the general sales office of the Bethlehem Steel Company. R. W. Gillispie, general manager of sales for the Pennsylvania and Maryland Steel Companies at Philadelphia and Paul Mackall, sales agent for the Bethlehem Steel Company in the district of Pittsburgh and west, both go to Bethlehem as assistant general sales agents. Edward S. Knisely is general sales agent.

"The following are sales agents of the combined branch offices and of the warehouses: "H. A. Jackson, Oliver Building, Boston; J. M. Ellis, 111 Broadway, New York; W. B. Kennedy, Morris Building, Philadelphia; Jesse A. Davis, Continental Building, Baltimore; H. W. Eisenhart, First National Bank Building, Pittsburgh; J. N. Clark, 1256 Ontario street, Cleveland; J. S. Hegeman, Majestic Building, Detroit; R. E. Belknap, People's Gas Building, Chicago; J. M. Price, Chemical Building, St. Louis; E. S. Illig, Crocker Building San Francisco.

"J. M. Price has been Chicago district sales agent of the Bethlehem Company and his successor, R. E. Belknap, was formerly in charge of the Chicago office of the Pennsylvania Steel Company and more recently in charge of that company's New York office. S. H. Smith, who has been in charge of the Chicago office of the Pennsylvania Steel Company, will handle the Chicago district sales in the frog and switch department of the Bethlehem Steel Company. Neil S. Salsich of the Philadelphia office becomes sales agent in charge of the frog and switch department at Bethlehem. The New York office will occupy all of the fourteenth floor of 111 Broadway, the present quarters on the eleventh floor not being large enough to accommodate the enlarged staff through the consolidation of New York sales office."

All Expenses of Children at Picnic Will Be Paid

Elaborate preparations are being made by a committee from the First Reformed Sunday school for the annual picnic at Hershey park, July 22. In order that all the children under 12 years may attend the outing the committee will hold a festival on the lawn of Dr. H. C. Myers, Second and Swatara streets, to-morrow evening. The proceeds will be used to pay the expenses of the smaller children.

WIER FUNERAL SUNDAY

Funeral services for Mrs. A. K. Wier, who died yesterday, will be held in Centenary U. E. Church Sunday morning at 10 o'clock. The Rev. D. D. Lowery, of Harrisburg, will officiate. Burial will be made at Litz, where services will be held at 2 o'clock Monday afternoon, following services in the Litz United Brethren Church.

HOFFER FUNERAL TO-MORROW

Funeral services for Charles Hoffer, a former resident, who died at Lebanon, Thursday, will be held in St. Mark's Lutheran church to-morrow afternoon. Burial will be made in Baldwin cemetery.

Many at Track Meet.

More than 800 youthful athletes from the Steelton playgrounds are contesting on the Cottage Hill athletic field this afternoon to settle the borough playground championship. Each playground team was escorted to the field by a big group of rooters and the officials are having a lively time curbing the enthusiasm.

To Play Ball.

The Baldwin Hose Company nine and the Steelton Store Company baseball team will meet at 6:15 o'clock this evening on the Cottage Hill field.

Jones Arrested.

Allie Jones, colored, will be given a hearing before Squire Frank A. Stees on a charge of assaulting John H. Miller with a lead pipe.

Installs Officers.

Deputy Grand Chancellor D. F. Miller, of Harrisburg, installed the recently elected officers of Steelton Lodge, 411, Knights of Pythias, last evening.

To Confer Degree.

Steelton Lodge, No. 151, I. O. O. F. will confer the second degree upon a class of candidates this evening.

Dies at Lebanon.

Charles P. Hoffer, a former resident of the borough, died at his home in Lebanon Wednesday. Burial will be made here to-morrow afternoon.

To Hold Festival.

Trinity Episcopal Sunday school will hold an ice cream festival at the Parish House, Pine street, to-morrow from 3 to 5 o'clock.

Student to Preach.

The Rev. Walter Miller, of Ennaut, a student at Fort Scott, Kansas, will preach in Grace United Evangelical Church on Sunday evening on "God's Call to Service."

RAILROAD NEWS

P. R. R. TO SPEND BIG RELIEF FUND

Plans Under Way For Disbursement of \$100,000 For Soldiers' Dependents

Philadelphia, July 14.—Plans for the spending of \$100,000 in relief work among the families of Pennsylvania Railroad employees who have gone to the border with the National Guard are being prepared by S. C. Long, general manager of the company. It was said at the railroad's publicity bureau that the dispensing of the fund probably would be turned over to a committee, but that no program of organization or operation was ready for announcement.

The Pennsylvania Railroad announced on June 19 that any employee who was a member of the National Guard or who was in any other way liable for military or naval service would be given leave of absence from the day he was mustered in until he was mustered out. No provision was made, however, for the paying of the salaries of the 803 citizen-soldiers who are employed on the Pennsylvania's lines east of Pittsburgh.

It was to meet any cases of distress that may arise from the stopping of the pay envelope that the company's board of directors voted an appropriation of \$100,000. Since the troops left for the border the company's officials have been collecting information concerning every one of their guardsmen employees. There is a tabulated list containing each guardsman's age, the difference between his pay in the army and in the company's service and the number and age of his dependents.

Needs to Govern Distribution
The \$100,000 fund will be distributed according to the needs indicated by the list and by investigation. The company will not provide the temporary pension for the family of every guardsman it has in its employ, but only for

the wives, mothers and children who are in actual need.

Juniors Hold Picnic at Paxtang Park

Fully 500 Junior and intermediate Endeavorers made their way to the big Junior and intermediate picnic at Paxtang Park, leaving Market Square at 2 o'clock. The large delegation assembled at Market Square long before the cars arrived to convey them to the park. A jolly good time was enjoyed by the juniors. Games of all kinds were indulged in. Besides the juniors and many visiting delegates the following leaders were in the party: Miss Mildred J. Haggard, of Minnesota; C. C. Culp, of Gettysburg; the Rev. R. L. Meisenholder and Miss Emily Edwards, of this city.

About a dozen cars were necessary to carry the jolly Endeavor crowd through the city streets to the park.

ROOF BLOWN ACROSS STREET

Mount Joy, Pa., July 14.—During the rainstorm yesterday afternoon the roof was blown from the three-story brick residence of Harry H. Nissley here. The storm carried the roof across East Main street into the yard of H. E. Hauer. The rain that fell on the roofless house afterward damaged it considerably. The storm also rained a number of shade trees for J. G. Metzger and H. E. Hauer.

Think of Paying Less for Firestone TUBES!

Here is a unique combination: Highest quality at lowest price. Only Firestone can do it. We will tell you why. Briefly, it is because tube values are a more or less known quantity. A tube is the heart of a tire—the foundation of riding service. It shows its worth or lack of worth promptly. That means that all recognized makers must maintain a fairly good standard at least. Therefore, while no one else delivers as much as Firestone, those who come anywhere near in quality must go above in price.

The prices speak for themselves and so does the quality. Firestones look the extra quality, you can feel the extra quality, you can weigh it.

The bulk of pure rubber is there, in addition to the Firestone "Know How" of chemistry and workmanship. Then why is Firestone lower in price?

FIRESTONE NET PRICES TO CAR OWNERS

Specialized production on an enormous scale is one reason. The largest exclusive tire and tube factory in America cuts cost for you.

Specialized marketing facilities of international scope is another reason. America's largest distributing organization devoted solely to tires and tubes cuts cost for you. The specialist at buying saves you some more.

BETHLEHEM CO. HAS 55,000 MEN

President Grace Says P. S. Co. Deal Was Good Bargain; Outlines Improvements

Upon the return to South Bethlehem Pa., July 13, of Charles M. Schwab, chairman of the board of directors, President E. G. Grace and other officials of the Bethlehem Steel Company, after an inspection of the recently acquired Steelton and Maryland plants, President Grace announced that the Bethlehem company now employs 55,000 men and gave a summary of the improvement program for the various plants. Said he:

Was Good Bargain
"We have received more than we thought we would, and are well pleased with the organization and men employed. The properties will be designated as the Steelton Plant and Maryland Plant of the Bethlehem Company. Bethlehem will be featured in every way. Men are now busily engaged in changing the name on the rolling stock of the acquired properties to the Bethlehem Steel Company."

"The invoices will all bear the name Bethlehem Steel Company. All of the orders for the different plants will be distributed from a central office, which, of course, will also be located at Bethlehem, with the executive, treasury, accounting, sales and purchasing departments. The manufacturing orders will be distributed from

South Bethlehem. I might add, too, that the improvement program for Bethlehem will continue, all reports to the contrary notwithstanding."

Spending Million a Month
"We are spending a million dollars a month at Bethlehem in extensions and will continue that policy as planned. The four blast furnaces that we contemplate erecting in the Soucon plant will be built as quickly as possible, and they will be in keeping with the present style of furnace. These furnaces will cost \$2,500 apiece. We have, however, some difficulty in securing the help to carry along the contemplated improvements. Seventy millions of dollars, all told, will be spent at the Steelton, Maryland and South Bethlehem plants, divided as follows:

"Bethlehem, \$30,000,000; Maryland, \$30,000,000; Steelton, \$10,000,000."

"With the acquisition of the Steelton and Maryland plants, the Bethlehem Steel Corporation interests employ 55,000 men, 25,000 of whom are employed at the plants at South Bethlehem and Redington. E. W. Wood, former president of the Maryland Steel Company, became general manager of that plant, and Quincy Bentler, former assistant to the president of the Maryland Company, becomes general manager of the Steelton plant."

Business Never Better
Asked how the steel business was in general, Mr. Grace was very optimistic, and repeated the statement made two years ago, that the steel business was never better.

"Just a few days ago," he said, "we received an order from the Russian government for 60,000 tons of seventy-pound rails. Had we the facilities, we could have received a much larger share of the contract, but with the orders now on hand we will be busy until June 15, 1917."

With the new properties the Bethlehem Company will have three rail mills in

continuous operation. The wonderful growth of the Bethlehem Steel Corporation is shown in comparative statistics as follows:

In 1911 the net manufacturing profit was \$4,605,411, and in 1915 it was \$25,782,784. The total income in 1911 was \$4,792,714, and in 1915 it was \$24,821,008.

Deaths and Funerals

FRANK W. SHAFFNER

Relatives in this city have received word of the death of Frank W. Shaffner at his home, 608 South Fifty-first street, Philadelphia, yesterday morning. Funeral services will be held to-morrow at 2 o'clock and burial will be made in Philadelphia. Mr. Shaffner was a resident of Harrisburg for many years and storekeeper for the Pennsylvania Steel Company at Steelton. He is survived by his wife, formerly Miss Sarah Backenstoe, of this city; a son, Clyde M. Shaffner, of Los Angeles, Cal.; two daughters, Mrs. William Cook, of Lanark, and Miss Gertrude Shaffner, of Philadelphia. Mrs. Joseph H. Cook, of Second and Herr streets, is a niece.

MRS. LEE EMMA SPANGLER

Funeral services will be held to-morrow afternoon, at 2 o'clock, for Mrs. Lee Emma Spangler, aged 82 years, who died at her home, 127 South Third street, yesterday morning. Burial will be made in the Harrisburg Cemetery, with the Rev. William N. Yates, pastor of the Fourth Street Church of God, officiating.
