Washington, D. C., July 15. — The War Department made public yesterday an order detaching Colonel Edwin F. Glenn, chief of staff of the Department of the East, under Major General Leonard Wood, from the general staff and assigning him to command of the Eighteenth Infantry. He will relieve Colonel James S. Colonel Glenn's transfer created some comment, as he has been on his present duty only two years, although the regular tour for staff duty is four years. The order states that it is issued "by direction of the President."

Secretary Baker said in explanation that all available officers were being sent to the border and that Colonel Glenn's services were needed as a regimental commander. Major General Scott, chief of staff, and Adjutant General McCain refused to comment on the Order.
