DR. DIXON URGES CHILDREN'S CARE

Says That They Should Be Put to Bed Early and Given Nourishing Food

Put the children to bed early and give them that nature intended they should have is the advice of Dr. Samuel G. Dixon at this time when infantile paralysis is being much discussed. The State's Commissioner of Health urges that the children be kept up to par so that they will be in good condition.

The Commissioner says: "The preset habit of turning night into day in our highly illuminated towns, with all sorts of exciting entertainment, keeps the nerves keyed up and upsets the equilibrium. Children especially are apt to suffer from late hours and consequent lack of sleep. For the first two years of life, eating and sleeping are the two great essentials. Babies should sleep from fifteen to twenty hours out of the twenty-four and older children from ten to fourteen hours. It is not an unusual thing to see babies in arms or very young children being carried about until their parents' bedtime. This is injurious to the children and cannot be made up by additional rest the next day."

"Permitting children to remain up late is a strain on their nervous system which, while it may not be immediately apparent, is bound to exert a detrimental influence in the long run. Oftentimes the ill effects are perfectly apparent to the intelligent observer. Irritability and any of the train of evils which result from an over-taxed nervous system may result from continually robbing the child of sleep. A regular bedtime should be set for children according to their age, ranging from 6 o'clock for babies to 8 for children of eight or nine, and this should be regularly adhered to. This is a matter of the utmost importance in establishing a sturdy constitution in childhood. With adults, irregularity and short hours of sleep are often a factor which predisposes to ill health. There are exceptions to this as to all rules. Occasionally one will find an individual who has an unusual capacity for work with less than the ordinary amount of rest, but for the ordinary man or woman this would end disastrously."

JOYCAR AT MECHANICSBURG

Yesterday was a gala day for a large number of Mechanicburg children, when Charles Boyer, of Harrisburg, came up with his "Joy Giving" car and took them riding. First of all he brought a merry crowd from Harrisburg, who were taken to the Chautauqua tent, where they enjoyed the Junior session. Mr. Boyer furnished lunch for his party, then called for primary classes in the Methodist Episcopal, Trinity Lutheran, First United Brethren, Grace Evangelical and Presbyterian Sunday schools, and gave each a ride, while the youngsters sang and hurraed.

BAKER HAS BROKEN RIBS

New York, July 18. — J. Franklin Baker, the third baseman of the New York Americans, will be out of the game indefinitely. It was announced last night by the club, as the injuries he sustained during last Friday's second game in running against the grandstand while chasing a foul have been found to be more serious than at first thought. An X-ray photograph revealed that two ribs were broken. Lute Boone, last year's regular second baseman, will replace Baker at third until the latter is able to resume play.

\$35,000,000 Buildings Pork Bill Is Reported to House by Committee

Washington, July 18. — A \$35,000,000 public buildings pork barrel bill was reported to the House yesterday by the committee on public buildings and grounds. The measure contains a great many items which are entirely justifiable, according to its foes, but an equally numerous lot of unjustifiable ones are included in it, they say.

In reporting the bill, the committee defiantly defended itself against the charge that it is a "pork barrel aggregation" and asserted that the policy of appropriating large sums of money for public buildings in crossroads towns is entirely justifiable, for otherwise the citizens of those towns would never get in touch with the government. Among the items which both friends and foes admit are justifiable are an appropriation of \$750,000 for a site on which the new customs house at Philadelphia is to be erected. Other items for Pennsylvania were: Lewistown, \$20,000; Sunbury, \$40,000; York, \$25,000; Beaver Falls, \$58,000; Norristown, \$55,000; Pottsville, \$50,000; Scranton, \$100,000; Williamsport, \$30,000; Tyrone, \$50,000; Duquesne, \$75,000; Middletown, \$65,000; Nanticoke, \$60,000; Somerset, \$58,000, and Brookville, \$10,000; Kittanning, \$50,000; Lancaster, \$250,000; Greenville, \$75,000; Lansdowne, \$75,000; Phillipsburg, \$60,000; Doylestown, \$5,000; Lewisburg, \$10,000; Midland, \$5,000.

Watson Will Provides For Children's Home

Pittsburgh, July 18. — The will of Mrs. David T. Watson, wife of the well-known attorney, who died last February, was filed for probate yesterday. To Overcome Sunburn Tan, Freckles, Wrinkles

If your skin is unduly reddened, freckled or tanned, dab a liberal amount of ordinary mercolized wax on the face and allow it to remain overnight. When you wash off the wax in the morning, fine flaky, almost invisible particles of cuticle come with it. Repeating this daily, the entire outer skin is absorbed, but so gradually there's not the slightest hurt or inconvenience. Even the stubbornest freckles are affected. The underlying skin which forms the new complexion is so fresh and youthful-looking, you'll marvel at its transformation. It's the only thing known to actually discard an aged, faded, mucky or blotchy complexion. One ounce of mercolized wax, procurable at any drug store, is sufficient in most cases. If sun and wind make you squint and frown, you're bound to cultivate wrinkles and crows' feet. To overcome these quickly, bathe the face in a solution made by dissolving an ounce of powdered saloxite in a half pint witch hazel.—Advertisement.

POST OFFICE ROBBED

By Special Correspondence

Virginia Mills, Pa., July 18. — The post office at this place was entered between 8:30 and 10:30 o'clock Saturday evening and thirty dollars in cash and several money orders taken. Postmaster Stoops closed the office at the usual time, eight o'clock, and then went to Fairfield, several miles distant, with his wife, returning about half past ten. He found the lock of the back door forced open and investigation disclosed the loss.
