Marlborough-Blenheim

ATLANTIC CITY, N. J. THE LEADING RESORT HOUSE OF THE WORLD Capacity 1100 American and European Plans The great essential of a resort hotel, as distinguished from a city hotel, is ample public space devoted to the use of its guests, in the form of bright and airy Exchanges, Lobbies, Parlors, Galleries and Solariums, affording pleasing vistas and beautiful promenades, the whole combining into a harmonious vision of grandeur and beauty, while replete with the cozy group seclusions of home, and yet affording full view of the pleasing panorama of the resort life. This essential the Marlborough-Blenheim stands without an equal in Atlantic City or elsewhere. Its "Ownership Management," while accounting for its unique reputation, is a guarantee of the high character of its patronage and the unequalled quality of its service and cuisine. It employs only white service in both its American and a la carte dining rooms. It makes a specialty of high-class music every evening throughout the year, with special Sunday night solo features. A Atlantic City, with its only real competitor (Europe) this year impossible, is offering unusual attractions and entertainments. Sources of interest. Two golf courses, the Yacht Club, the fishing fleet and the wonderful bathing beach attract their respective devotees, while the pier amusements, numerous theatres, the Boardwalk, the fine motor roads and the splendid hotels and restaurants, afford enjoyment to all. There is only one Atlantic City, and this summer it is particularly gay and attractive. Write for illustrated booklet and rates. JOSIAH WHITE & SONS COMPANY
