ELMIRA WINS FIRST GAME---MARTIN IN SHOOT

HARRISBURG SHOT LANDS BIG SCORE

Figures in Honors at Philadelphia Tournament; Richardson of Delaware Leads

One Harrisburger, John G. Martin, of Harrisburg, figured in high scores in the opening events of the Handicap tournament held yesterday Holmesburg Junction, Philadelphia. He made a total of 90.

Nineteen shooters, who were up Nineteen shooters, who were up with the birds, so to speak, started in the 18-yard championships for the du Pont challenge trophy and the great tourney was on. A. B. Richardson, champion of Delaware, who entered the contest as challenger of Allen Heil, of Allentown, Pennsylvania State champion, successfully backed his defy, carrying off the title with a card of 97. Heil was second with 95.

Plum in Running

with a card of 97. Hell was second with 95.

Plum in Running
Right behind Heil in breaking the clay pigeons were Fred Plum of Atlantic City, and Edward Bartlett, of Baltimore, who tied for third with 93. Just before the close of the match a strong easterly breeze began to blow and several noted gunners who were competing experienced some difficulty in hitting the "pesky" targets, when the treacherous breeze sent them flying off on a tangent.

Ralph Spots, of the New York A. C., amateur champion of America, did not have his shooting eye pealed. The best he could collect was 85. Charles N. Newcomb, holder of the inter-State title, also failed to break into the high scoring, shattering 88. C. W. Billings, captain of the victorious 1912 American Olympic team, had to be content with 84.

Two base hits, Embick, Smith, Brown, Palmer, Gerdes. Double plays, Davis to Wrightstone to Palmer: Wrightstone to Davis to Palmer; Wrightstone to Davis to Palmer; Wrightstone to Joseph Gregorian of Thomas 2. Davis 6, Holreck 2. Hit deal of O'Rourke and will go to extremes to land him.

WILTSE SIGNS TAMSETT

Albany, N. Y., July 18. — Manager George Wiltse, of the local New York State League team, announced yesterday that he had signed Jimmy Tamsett to play shortstop for the Senators for the season. Tamsett is one of the few veterans who still manages to cling to the State League. He has played on nearly every team in the circuit and once managed the Albany club.

Rain put a crimp in the attendance at yesterday's baseball game. The strike may also have been a factor. However, there would have been more fans present had there been definite information about the game. Local baseball fans do not like rain. They also dislike to walk to Island Park, get a rain check and return to the city according to a general belief there should be a system for letting local patrons know what is going on. Now that telephones have been installed, someone should be delegated to spend bulletins to various places in the city, telling what is going on.

Island park patrons are kicking loud.

Itolail League is with Harrisburg. In a letter to secretary Frank Seiss he says:

Itolaid park patrons are kicking loud and long because there are no scores of other New York State League games hung up on the score board. The old board in right field needs fixing up, and Secretary Frank Seiss is waiting for the completion of repairs in order that he may start the other scores.

The removal of Creager yesterday from the game because he used rosin, was the first time the punishment has been meted out to a player in this city. Rules of the League prohibit the use of anything on a baseball by a pitcher. Umpire Daugherty discovered the rosin when he tried to throw was \$2,000.

DOUBLE-HEADER IS TODAY'S PROGRAM

Harrisburg Unable to Hit; Lose to Elmira; Binghamton Here Thursday

Cockill's crew tackled Wid Conroy's nnant chasers in a double-header day. The first game started at 2 to-day. o'clock with Huenke and Parsons on the firing line for Harrisburg and Creagor and Jordon for Elmira, final game of the series with the Con-

Creagor and Jordon for Elmira. The final game of the series with the Conroy bunch will be played to-morrow.

It is probable that Downey, who has been on the hospital list, will get into the game to-day. Gough is still unable to play. If there is a switch in the line-up, Downey may go to first base. Elmira expected to have Casey, the new catcher, in the games to-day.

Einghamton Here Thursday

The next attraction will be Binghamton, with "Red" Calhoun. The opening game on Thursday, weather permitting, will be witnessed by a rarge crowd. Much interest is manifested in the series with the Bingoes because of Calhoun's leadership. The program for "Calhoun day" is working out nicely.

In answer to many requests the management will start the game Friday afternoon at 2.30 o'clock. It will be "Railroaders' day" and a big crowd of rooters from the local shops and roundhouses, with the usual large turnout of trainmen, is expected.

Harrisburg Lacks Hits

Failure to connect with Wilhelm's puzzlers yesterday brought a defeat for Harrisburg. Elmira won; score, 4 to 2. It was some fast battle, even if it was played between raindrops. The wet grass made fielding rather difficult. Elmira got all the lucky breaks.

Manager Wid Conroy started Creagor in the box. He had a pocketful of rosin and was using it in place of emery. League rules forbid the use of either and Umpire Daugherty put Pitcher Creagor out of the game. Wilhelm proved a good substitute.

Burns pitched for the Cockill bunch and was wild at times. He was not hit hard; errors back of him figured in two of the runs. Elmira hit timely. The score follows:

SHORTEN GOES TO NEWARK
Scranton, Pa., July 18.—Charlie
Shorten, well-known ball player of Minooka, who had been making a fine showing with the Boston Americans, was farmed out yesterday to the Newark team of the International League. Shorten was going good for the Sox when his throwing arm went bad. Manager Carrigan consented to let Shorten go only under an optional agreement.

HITCH IN NEW YORK DEAL
Cincinnati, Ohio, July 18.—President Herrmann, of the Cincinnati Nationals said vesterday that an unexpected hitch had developed in the negotiations to trade Manager Herzog, of the Cincinnati Club, for Christy Mathewson and possibly other players of the Westerday to the New York team. Herrmann said there would be no meeting of the cincinnati of the would be no meeting of the club to-day and possibly not to-morrow.

"There are several points we cannot agree on," said Herrmann. When ask-dent of the Giants will be in Cincinnati. He said: "I do not know whether he is coming at all." Herrmann would not say what the "several points" are which the two clubs are not agreed on. If the trade is made, it is understonal agreement.

"Always a Dollar's Worth For a Dollar"

"Pay Less! Ride Better!"

"Pay Less! Ride Better!"

When the venerable American bird on the back of that shinypiece in your pocket cries out against the high cost of flivving, you wanta adjust your goggles, pull down your vest and look the matter squarely in its good eye. Poor lubrication, with its direct relation to so many car-troubles, is the first line of trenches to be taken in the Battle against Excessive Upkeep.

Just as Atlantic Gasoline - the accepted standard-was the answer to your fuel problem, so Atlantic Motor Oils are the answer to your lubrication problems.

For 8 out of 10 cars, Atlantic Polarine is exactly right. Under certain conditions, and with certain types of motors, one of the other three principal motor oils—Atlantic "Light," Atlantic "Medium," or Atlantic "Heavy"— may give better results. Your garageman will tell you which to use.

The important thing to nail to your memory is that one of these four oils is the correct lubricant for your particular car.

This statement is backed by a corps of oilexperts in the employ of the oldest and largest lubricant manufacturers in the whole world.

They know oils-and they know cars, too. Better take their advice and use Atlantic Motor Oils regularly.

Read up on this subject. We have published a handsome and comprehen book about lubrication. It is free. Ask your garage for it. If they car supply you, drop us a postal and the book will be sent you without cha
