

# BINGOES DROP FIRST GAME TO HARRISBURG

## CALHOUN'S BOYS LOSE FIRST GAME

### Huenke Crimps Bingoers in Fourth Inning; Fast Fielding Is Feature

"Red" Calhoun's tribe of Bingoers was loser in the opening game of the series with Harrisburg. In a game featured with sensational fielding, timely hitting and effective pitching Harrisburg won by a score of 5 to 3. The same teams play to-day and tomorrow. The game this afternoon started at 2:30, and the Saturday contest will open at 3 o'clock. Stores closing this afternoon furnished many fans, while to-morrow it is expected a record crowd will see the final battle of the series.

Following the presentation of the traveling bag to Manager "Red" Calhoun yesterday, the visitors started in to wallop the local bunch, but struck an early snag. Helfrich started weak and retired after two pairs of runs were chalked up by Binghamton.

### Froek Is Bumped

The Islanders had Froek's number early in the second inning and he went to the bench. It was a real battle between Huenke and Barnhart, with big honors for the local boy.

With two men down in the first inning, Kay and Jordan singled in succession, scoring two runs. Hits by Brackett, Breen and Irving brought two in the fifth.

Harrisburg scored two in the second on hits by Reed, Elliott and Wheat and three in the fifth on hits by Huenke, Reed and Elliott. A pass for Harrison and a sacrifice fly by Brown.

### 10,000 AT REUNION

Waynesboro, Pa., July 21. — Over ten thousand persons were present at the Reformed Church at home in Pen Mar Park yesterday. The principal address was delivered by Prof. Calvin O. Althouse, superintendent of the Philadelphia public schools.

## WELLY'S CORNER

The only way to have successful baseball is to patronize the games. Reports show that local fans are not doing justice to the local team. Since Manager Cockill assumed charge the Harrisburg team has made a record that would mean a first division position, had he and Walter Blair been in charge early in the season.

"Harrisburg has the best baseball team in its history," said President Judge George Kunkel yesterday. The Honorable Judge is a daily attendant at games. He is an authority on baseball, and a strong booster for the Islanders.

Entries for the City Tennis Tournament must be in not later than Thursday, July 27. This announcement was made again last night by the committee in charge of arrangements. Indications are that there will be several hundred contestants. All of last season's stars have entered and a number of newcomers promise to be contenders for honors this season.

Now that the Mathewson-Herzog deal is completed, baseball fans will resume activity in figuring out the pennant winner for this season. While Brooklyn is leading the race, the New York Giants and Phillies are still looked upon as strong contenders. The recent changes in stars may bring about some changes, is the belief.

Lykens had a record game yesterday. It was played between the Merchants and Manufacturers and was witnessed by 1,400 persons. The Merchants won, score 24 to 18. A total of 57 hits were made in the game. Home runs were made with three men on bases. Neither side is credited with an error. Strike out features were scarce.

## DOUBLE-HEADER IS DAUPHIN PROGRAM

### Important Games in Dauphin-Perry League Tomorrow; Pick Mound Artists

Special to the Telegraph  
Marysville, Pa., July 21. — Tomorrow and next week, games which will have important bearings on the final results will be played in Dauphin-Perry League. The most important battle of to-morrow will be the Marysville-Halfax game. Halifax was in second place most of the season and was within a half game of first place two weeks ago.

Manager Koppenhaver will use Biever and Rhoads as his battery and the Marysville choices will be "Old Reliable" Wertz and Kurzenkabe. Newport will play at Millersburg. Manager Sharon will probably use Groninger in the box and Ed. Phillips, the Susquehanna University receiver, back of the bat. The Millersburg choices will be Franke and Buffington.

The Dauphin team, which now holds second place, will meet the Duncannon team at home in a double-header. After the game Dauphin will hold a festival and have arranged a great program.

Philadelphia, Pa., July 21.—Clarance B. Platt, of Bridgeton, N. J., with 97 breaks out of 100 targets, won the Eastern Handicap, which yesterday concluded the Inter-State Association's tenth annual trapshooting tournament at Holmesburg Junction. Platt, at the 21-yard mark, outshot the classiest and third-largest field of 138 marksmen in the history of the association. Until the victor, who shot in the twenty-third squad, had faced the traps, the score of 96 ruled the day.

The winner was pushed hard for the honors, with three scores of 96 at his heels, made by C. B. Cutter of Bridgeport, Conn.; W. Lanier, of Augusta, Ga.; and F. M. Ziegler of Allentown, Pa.

Four men tied with 95. They were J. E. Fontaine, a local star; D. T. Leahy, of New York; J. R. Taylor and D. F. McLaughlin of New York.

## HIGHWAY CIRCLE AROUND COUNTY

### Federal Good Roads Bill Will Mean Much to United States

Pennsylvania farmers, autoists and other good roads enthusiasts who are interested especially in the proposed construction of the William Penn highway, consider the action of President Wilson in signing the new Federal good roads bill, of special significance in view of the bearing the building the government roads will have on the State arteries of travel.

The first of the great highways necessary for military purposes will of course be the road which parallels the Rio Grande. In commenting upon the bill and its possibilities Chairman George C. Diehl of the American Automobile association, said:

"It is interesting to note that the next most important highways from a military viewpoint are those along the Atlantic and Pacific seaboard. Long stretches of these roads have already been improved and, from the funds available from the first and second appropriations, the connecting gaps can be completed so that within a period of two or three years complete road arteries along the Atlantic and Pacific coasts and the Mexican frontier can be constructed.

Only the highway along the northern boundary of the United States need then be constructed to make a complete circle of highways around the margin of the country, he pointed out. "This marginal highway can be supplemented by the three highways east and west and eight or nine highways north and south within the limit of the amount stated in the Federal-aid good roads bills and what the States will contribute. This system of Federal roads, in connection with what the various States are doing, within a period of six or seven years will make for a most comprehensive internal development of the country and the highways will serve military, commercial and general travel purposes."

## Save \$1 For the Remainder of this Month

WONDER CLOTHES will be \$10.00 until August 1st, after August 1st they will be \$11.00.

The raw material market has gone crazy. In the last six months every single item that we use in suits and overcoats has increased in price from 15 per cent to 200 per cent. Woolen goods have advanced 50 per cent., linings 75 per cent., canvas 40 per cent., thread 100 per cent., labor 30 per cent., and so on.

We have been maintaining our old price just as long as our stock, which we had purchased at the old established prices would permit, and this stock will positively be cleaned up before August 1st.

Consequently, a change upon the above date will be absolutely necessary. One of two courses were open: We could either cheapen WONDER SUITS by using seconds of inferior material and continue to sell at \$10.00, or we could give the same good standard value at the increased price of \$11.00 and maintain our present guarantee.

We decided upon the latter course. We could not afford to jeopardize the name and record of WONDER SUITS simply to conform to our merchandising plans of producing an exceptional suit at \$10.

Surely every thinking man and woman will endorse our judgment in this case. We simply will not let you buy a cheapened or inferior suit.

Our future is at stake. We only look for satisfied customers, so on and after July 31st the price will be

# \$11.00

direct from factory to wearer, saving you as usual the middleman's profit of \$5 to \$8 on each suit

You can still buy a WONDER SUIT for \$10.00, since we have a good stock yet on hand
